IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. BARR. Madam Speaker, I rise to honor Eric Landis, who is stepping down as my Senior Defense and Homeland Security Advisor to take on a new role with the Federal Bureau of Investigation. Eric serves our nation proudly as a member of the Kentucky Air National Guard. In 2010, he was deployed to Europe in support of Operation Iraqi Freedom and to Iraq for a 10 month tour in support of Operation New Dawn. On behalf of a grateful nation, I thank him for his service and patriotism.

I first became acquainted with Eric Landis when we worked together in the administration of Kentucky Governor Ernie Fletcher. Eric later took the Constitutional Law Courses I taught at the University of Kentucky. He subsequently worked on my congressional campaign, and after I was elected to Congress in 2012, Eric moved to Washington D.C. and became a crucial member of my staff. He understands issues that are important to the people of Kentucky's Sixth District, particularly matters dealing with national security, our military, and veterans' affairs. Eric's patriotism shines through every day and his love of country is evident to all who meet him.

Eric Landis brought infectious enthusiasm and unwavering optimism to his daily work. He treated each of my constituents with the utmost respect and was able to diffuse any contentious situation. Eric's dedication to the people of Kentucky's Sixth District is unparalleled and unwavering. He leaves a lasting legacy as a servant leader.

I am honored to call Eric Landis a loyal and trusted friend. I wish him all the best as he leaves to take on a new opportunity. I thank Eric Landis for his friendship, his tireless work on behalf of the people of the Sixth District, and his outstanding service to our country.

He served four years in the United States Navy before graduating from California State University, Fullerton, where he obtained a Bachelor of Arts in Communications. IN HONOR OF DR. JOHN TANAKA'S RETIREMENT FROM THE UNIVERSITY OF WYOMING

HON. LIZ CHENEY

OF WYOMING

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Ms. CHENEY. Madam Speaker, I rise today to extend my congratulations to University of Wyoming professor Dr. John Tanaka on his retirement.

Dr. Tanaka has dedicated his life to researching range and land management practices that improve and restore lands and ranches throughout the West. Dr. Tanaka has received multiple state and federal research grants and has made major contributions to improving sustainable range management practices. After nearly 40 years of dedication to range management and rangeland science, Dr. Tanaka will be retiring and will have the opportunity to relax and enjoy all that Wyoming has to offer.

The University of Wyoming and the many ranchers and landowners who have benefitted from his pioneering research are incredibly grateful for Dr. Tanaka's years of service. Again, Madam Speaker, I would like to extend my congratulations to Dr. Tanaka on his long career and his retirement.

RECOGNIZING THE CENTER FOR PREVENTION OF ABUSE PEORIA, ILLINOIS

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. LAHOOD. Madam Speaker, today, I recognize the Center for Prevention of Abuse (CFPA), in Peoria, Illinois, and their vital services offered to Illinois communities. As we recognize Human Trafficking and National Slavery Prevention Month, it is important we also commemorate organizations, like CFPA, across the nation that work relentlessly to combat the growing humanitarian crisis of human trafficking.

Started in 1975 as a single rape crisis hotline, CFPA has grown to a highly respected statewide organization with a dynamic and effective leadership team. Along with human trafficking services, CFPA is the only organization in Illinois that provides domestic violence, sexual abuse and assault, and adult protective services under one roof. Last year, CFPA provided comprehensive care to seventeen victims of labor and sex trafficking. Additionally, CFPA provides a safe place to escape and receive the necessary care to those being exploited for sex and labor purposes.

While Central and Southern Illinois may not be major hubs for human trafficking, CFPA has helped residents of small and rural communities across the state recognize the seriousness of this hidden crime occurring in our back yards. In 2018, CFPA conducted forty-eight hours of training for law enforcement, first responders, and medical providers. CFPA has continued to work tirelessly to raise awareness by training community members and providing the necessary resources so trafficking crimes can be effectively reported.

The state of Illinois has benefitted greatly from the efforts and resources provided by CFPA. I extend my sincere appreciation to the leadership team and volunteer staff at the Center for Prevention of Abuse for their continued work raising awareness and helping victims of human trafficking.

CONSTITUENTS AFFECTED BY THE GOVERNMENT SHUTDOWN

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Ms. CASTOR of Florida. Madam Speaker, the House will vote again today to immediately reopen the U.S. government and end President Trump's government shutdown. It is unwarranted and wrong to force our Coast Guard, our Customs and Border, TSA officers, air traffic controllers and others to work without getting paid. I have heard from many Tampa area government public servants, contractors and their family members who have shared with me how the shutdown is affecting them.

One of my Tampa neighbors who runs a small business in her retirement years to help support her son with mental disabilities advised me that "[As a] tax preparer—I cannot get responses from the IRS that affect [my] clients."

Another neighbor who hoped to retire by years end is also running out of hope says, "We are told there is no more funding after January 18 for the courts, and our colleagues in the U.S. Attorney's office failed to be paid [today], although they stay on the job prosecuting criminals."

Another wrote to me after learning about what his own customers are going through: "I was touched by [the story of] a young woman who I gave an estimate to. She is engaged to a young man who works for the Federal Bureau of Prisons. As she explained it, he is required to work without being paid, as they try to begin their lives together."

Another neighbor is not a government employee, but is still affected by the shutdown: "My wife and I are in the process of starting a new business and are dependent on an SBA loan," he wrote me. "We've spent months looking for a location in this very tight commercial real estate market and finally found one. We don't want to lose the opportunity to secure the location, start our new business and begin hiring employees just because the president makes demands that our representative legislature and our voters do not agree with."

Still another: "I am extremely upset about this government shutdown. I am a private contractor working on a government contract. I have been unemployed for weeks because of this. I can't pay my bills."

Our TSA officers, Customs officers and air traffic controllers at Tampa International Airport are outstanding. TSA Officer Luis Mendoza advised me that "I've been with TSA for 12 years. I have experienced previous shutdowns and close calls, but I really feel that this one is going to be a tough one to get through. The officers in Tampa are trying to hang in there because as they shared, 'We do believe in the Oath we took to protect the flying public and guard against threats.' But many are trying to figure out how to pay for gas, child care services, and groceries before rent, bills and medical care."

I also spoke with Admiral Karl Schultz who leads the Coast Guard this morning regarding our shared deep concern that our frontline Coast Guard service members are not being paid. In fact, one Coast Guard mother wrote me, "I have a son in the Coast Guard in Tampa, Florida that due to the government shut down will not be paid . . . I first hand know how this affects an individual and it take(s) several if not a life time to recover from this. These people should not have to suffer for others just trying to make a vote."

I urge the White House and GOP Senators to take up the bills to reopen America's government along with the detailed plan we have negotiated for modern border security—and do it today.

Otherwise there will be more headlines like the one on the front page of my hometown newspaper that says "Federal workers' new need: food assistance". Thanks to Tampa International Airport, Feeding Tampa Bay, United Way Suncoast, USAA, the Crisis Center and others who are supporting our neighbors caught in Pres. Trump's government shutdown, but this is no substitute for the government of the United States of America to function and provide the services all of our constituents need, for public servants to get paid and to fulfill the oath to protect and defend America.

His strong work ethic and dedication to helping people earned him a position as a faculty member, and eventually as Chief and Medical Director for the program. During the program's 43-year history, UCSF Fresno's emergency program has graduated more than 300 residents. Dr. Kallsen's time at UCSF Fresno can be characterized by his compassion and willingness to go the extra mile to help his patients and students.

Dr. Kallsen's distinguished career includes more than 10 years as Fresno County's first Emergency Medical Services director, two years as chair of the California Commission of Emergency Medical Services, 23 years as chief of UCSF Fresno's Emergency Medicine Department, five years as assistant dean at UCSF Fresno and over 28 years in leadership roles with the Central Faculty Medical Group. Madam Speaker, I ask that my colleagues join me in honoring Dr. Gene W. Kallsen for his remarkable career achievements with Community Regional Medical Center's Emergency Room. Dr. Kallsen will leave a robust foundation for the Emergency Department to continue to build upon. He has created a lasting legacy that will continue to help the people of the San Joaquin Valley. I wish Dr. Kallsen the very best as he enters this new phase of his life.

IN HONOR OF THE 50TH WEDDING
ANNIVERSARY OF ALFREDO AND
GUILLERMINA HERNÁNDEZ

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. CORREA. Madam Speaker, I rise to commemorate the 50th wedding anniversary of Alfredo and Guillermina Hernández.

Alfredo and Guillermina were married December 18, 1968, in México Distrito Federal. While still residing in Mexico, they had three children: Veronica, José Alfredo and David Alejandro.

Alfredo and Guillermina immigrated with their children to the United States on September 29, 1979. They settled in Santa Ana, California, where they became productive members of their community, never taking for granted the opportunities our great country has provided them.

For 30 years until he retired, Alfredo worked for Miniondas, a Spanish newspaper based out of Santa Ana, and Mrs. Hernández has been a small business owner in Santa Ana since 1987. Their hard work and dedication bettered not only their lives, but the lives of their children, grand-children and the generations of children who will follow in their footsteps.

Their eldest daughter, Veronica, has been employed with the Santa Ana Unified School District for 28 years, and is married to Ladislao Guillen.

Their son, José Alfredo, who has been in practice for 18 years as an immigration and criminal defense attorney, served the SAUSD for 10 years as an elected member of the School Board. He established his own law firm in December of 2006, and is married to Alma, an attorney who serves as a Riverside County prosecutor.

Their son, David Alejandro, served as a United States Marine for 14 years and now works at the Department of Health & Human Services, and is married to Laura.

The legacy of this couple continues not only through their three children, but also through their nine grandchildren, one of whom is serving in the United States Army Reserve, another who has obtained a university degree, and others who are pursuing their educations, dreams, and goals.

Considering the strong values, they were provided with from their own parents, it's not surprising that Mr. and Mrs. Hernández achieved this significant milestone. Alfredo's parents, now passed, were married for 50 years, and Guillermina's parents have been married for 69 years and counting.

Madam Speaker, please join me in acknowledging the accomplished lives of Alfredo and Guillermina Hernández and the gift they've given their children, a set of values that stem from their humble roots as immigrants. Together, they have produced an extraordinary family, whose members are now living the American Dream.
