While each has accomplished much in the "career-world", Ms. Coker's pride stems from each embracing a love of service to others as their privilege and responsibility.

A community activist in Delaware for over 50 years, Bebe is an inspiration to me. I am proud to stand here today with my fellow Delawareans honoring an extraordinary woman with an extraordinary heart, who is steadfast and unmovable in our community and who consistently sacrifices her time and talent to improve the lives of others. Ms. Coker's anchor is her strong faith in God and lifelong words she was taught to live by, "Don't let your talents take you, where your character can't keep you. It is all about the "integrity of one—you".

SAVANNA'S ACT

---

**HON. SUZANNE BONAMICI**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 14, 2019*

Ms. BONAMICI. Madam Speaker, Native women in the U.S. face tragically high rates of violence, sexual assault, and murder. According to the CDC, murder is the third leading cause of death among Native women, with rates of violence ten times that of the national average on reservations.

I rise today in support of Savanna's Act, which will recognize Native women victims and make sure that their invisibility by law enforcement ends. I understand the devastating effects of colonization and the disproportionate harm and risk for Native women. We must work together to pass Savanna's Act, which will substantially strengthen federal and tribal investigations into the disappearance of Indigenous women, and increase the likelihood of prosecuting these violent crimes.

Savanna's Act will also create and improve procedures, communication, and cooperation among federal, state, tribal, and local agencies that may share jurisdiction over these crimes. These provisions will also improve recording and sharing of data so these women are no longer invisible to law enforcement.

I thank Rep. TORRES for taking the lead on this important piece of legislation. I encourage my colleagues on both sides of the aisle to co-sponsor this life-saving legislation, and I urge House leaders to move swiftly to bring it to the floor for a vote.

CELEBRATING THE 50TH ANNIVERSARY OF CHIEF DAVID FRENZEL WITH THE ORANGE FIRE DEPARTMENT

---

**HON. BRIAN BABIN**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 14, 2019*

Mr. BABIN. Madam Speaker, I rise today to congratulate a great man and thank him for fifty years of service to the City of Orange's Fire Department, Chief David Frenzel. Chief

Frenzel was born on June 25, 1947 to E.P. and Sophia Frenzel in Orange, Texas. He and his brother, Dolan, were raised there and attended public school.

Chief Frenzel began his college career at Lamar Tech anticipating a career in the medical field. In the spring of 1969 Fire Chief Vertis Sands called and offered him a job with the fire department on a Thursday. He withdrew from classes at Lamar on Friday and went to work at the fire department on Saturday, April 19, 1969. The rest, as they say, is history. Chief Frenzel did go on to earn his degree from Lamar University in Fire Protection Technology in 1978 and completed the Executive Officer program through the National Fire Academy in 2000.

Through the years, Chief Frenzel advanced through the ranks at the fire department and was named Fire Chief in 1997. Today he continues to serve in that capacity, claiming that he still has a few things he would like to accomplish within the department before retirement.

In addition to his firefighter duties, Chief Frenzel has volunteered in many capacities throughout the community, including service on St. Mary's Catholic Church Pastoral Council; serving on the boards of the Sabine Neches Chief Association and Lamar Institute of Technology; and serving as Scout Master for Troop 1 for twenty-five years with 75 young men earning the rank of Eagle Scout under his leadership.

Chief Frenzel and his wife Hildy have been married for 41 years and have two sons, David and Adam, both of whom were valedictorians at West Orange Stark High School and went on to graduate from Texas A & M University. They are also the proud grandparents of five grandchildren Charlie, Sam, Andy, Abigail, and Alden.

Chief Frenzel is known for his humble ways, quick wit, and knowledge of Orange history. His most admirable quality is his love of God, his family, and for the Orange Fire Department.

Madam Speaker, I rise to congratulate Chief Frenzel on his half century of dedicated service to the Orange Fire Department and in thanks of a heroism few share, but all are grateful for.

RECOGNIZING BOYS & GIRLS CLUB OF COLLIN COUNTY ON THEIR 50TH ANNIVERSARY

---

**HON. VAN TAYLOR**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 14, 2019*

Mr. TAYLOR. Madam Speaker, in October 1968, the "Boys Club of McKinney" under the leadership of Mr. Henry L. Shoap, was created to assist young men in developing the skills, attitudes, and aptitudes to make successful decisions in life. In April 1969, after receiving incorporation from the national organization, the Club would officially open its doors on the historic McKinney Square.

A decade later, girls would be admitted to the organization. However, it would take another seven years for the Club to officially change its name to the Boys & Girls Clubs of McKinney. In time, the Club came to be a popular destination for kids from around Collin

County to assemble in a safe and fun learning environment.

In 1988, in order to expand their area of service, the Club would officially change its name one final time to Boys & Girls Club of Collin County. Similar to its inception fifty years ago, the mission remains largely the same: To enable all young people, especially those most in need, to reach their full potential as productive, caring, and responsible individuals.

The Boys & Girls Club of Collin County provides a valuable service—and sometimes the only option—to those children needing a place to go after school. Today, over 10,000 Collin County children and teens are regularly served by locations in McKinney, Plano, and Frisco. Kids who attend the Club are afforded a variety of programs and activities that assist in allowing them to meet key areas of development while gaining independence and learning tools to become productive members of their community.

For this reason, I am proud to congratulate Boys & Girls Club of Collin County on their 50th anniversary of service to a grateful community. Under the leadership of so many selfless individuals, including current CEO E. Michael Simpson, your dedicated team of leaders has worked to ensure that those who would most benefit from the services provided by your organization are allowed to thrive in a safe and nurturing environment.

Madam Speaker, today I urge my colleagues to join me in recognizing this tremendous organization for improving the lives of countless children over the past five decades while growing our next generation of community leaders.

NORTHWEST INDIANA BUSINESS AND INDUSTRY HALL OF FAME CLASS OF 2019

---

**HON. PETER J. VISCLOSKY**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 14, 2019*

Mr. VISCLOSKY. Madam Speaker, it is with great respect and admiration that I rise to commend several exceptional leaders from Indiana who will be honored as the Northwest Indiana Business and Industry Hall of Fame Class of 2019. While there are many deserving nominees, this year's inductees include Kenneth J. Allen, Benito Gamba, Ron McCollly, and David Van Eekeren. In addition, U.S. Steel will be presented with the Enterprise of the Year Award. For their many contributions to the community of Northwest Indiana and beyond, these honorees will be recognized at the 12th Annual Induction Ceremony on Tuesday, May 28, 2019, at Avalon Manor in Merrillville, Indiana. The Honorable Eric Holcomb, Governor of the State of Indiana, and United States Senator TODD YOUNG will serve as keynote speakers for this special event.

Kenneth J. Allen graduated from Gary Lew Wallace High School and went on to study at Valparaiso University and the Indiana University School of Law. Before becoming an attorney, Mr. Allen worked in construction and then for a railroad company at a steel mill. After graduating law school, Ken opened his law firm in Valparaiso, focusing on personal injury

and wrongful death litigation. Today, his business consists of six locations, three in Indiana and three in Illinois. The Kenneth Allen Law Group tirelessly seeks out cases that can bring about true change in society. Mr. Allen also gives much of his time and support to various charitable endeavors, including the Lake Area United Way and the Boys and Girls Clubs of Northwest Indiana.

Benito Gamba is the founder and owner of Gamba Ristorante, located in Merrillville, Indiana. Benito was born in Altomonte, Italy, and moved to the United States in 1977. After working in several established restaurants, Mr. Gamba opened his own place, Café Venezia, in 1988. In 2001, he then opened the Venezia Bar and Grill, which was followed by the opening of his current establishment, Gamba Ristorante, in 2006. At this time in his life, Benito is focused on providing good jobs and continuing to share his love of food with the people of Northwest Indiana and beyond.

Ron McCollly, a Gary native, is the owner of McCollly Real Estate, the largest residential real estate company in Northwest Indiana. Throughout the years, Mr. McCollly continued to build his business, and he has been immensely successful due to his outstanding leadership skills and determination. Today, McCollly Real Estate consists of twenty-three real estate offices throughout the region. The McCollly Company includes: Community Title, McCollly Bennett Commercial, McCollly Insurance, McCollly Auctions, and the McCollly School of Real Estate. Ron has continuously given back to the community through charitable support for numerous organizations, including the Methodist Hospitals Foundation and the Crown Point YMCA, among many others.

David Van Eekeren is the President and Chief Executive Officer of Land O'Frost, a processed deli meat company that is headquartered in Munster, Indiana. David is the third generation of his family to run the business. Land O'Frost is currently the third largest producer of processed deli meats in the United States and has plants in Illinois, Kentucky, and Arkansas. Under Mr. Van Eekeren's leadership the company continues to grow and is focused on adding new and innovative products. David gives back to his community in many ways, especially through his support for the Juvenile Diabetes Foundation and his service as a trustee for the Illinois Institute of Technology.

The recipient of the Enterprise of the Year Award is U.S. Steel for recently pledging two billion dollars to a company-wide asset revitalization program. A large part of the revitalization program is allocated for Gary Works, which is the largest integrated steel mill in North America and stretches for seven miles along the Lake Michigan shoreline. Gary Works currently employs more than 3,800 people, providing good jobs for hard-working families throughout the region. The revitalization program will ensure that the company is able to continue building the economy in Gary and Northwest Indiana for many years to come.

Madam Speaker, I ask you and my other distinguished colleagues to join me in commending these dedicated leaders and organizations upon their induction into the Northwest Indiana Business and Industry Hall of Fame. They are truly deserving of this honor, and for their exceptional leadership and commitment

to the region and beyond, each of them is worthy of the highest praise.

#### GUN VIOLENCE AWARENESS DAY

##### HON. SUSIE LEE

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 14, 2019*

Mrs. LEE of Nevada. Madam Speaker, I rise today in honor and commemoration of the many victims and survivors of gun violence and to commemorate National Gun Violence Awareness Day in Nevada's Third Congressional District.

On average, 100 Americans are killed by gun violence every day and nearly 13,000 gun homicides occur each year. Americans are 25 times more likely to be killed with guns than people in other high-income countries.

Support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from people with dangerous histories, and protecting the public's safety in the communities they serve.

Representatives and law enforcement officers know their communities best, are the most familiar with local criminal activity and how to address it, and are best positioned to understand how to keep their citizens safe.

In January 2013, Hadiya Pendleton, a teenager who marched in President Obama's second inaugural parade and was tragically shot and killed just weeks later, should be now celebrating her 22nd birthday. To honor Hadiya—and the 100 Americans whose lives are cut short and the countless survivors who are injured by shootings every day—a national coalition of organizations has designated June 7, 2019, the first Friday in June, as the 5th National Gun Violence Awareness Day.

The idea was inspired by a group of Hadiya's friends, who asked their classmates to commemorate her life by wearing orange; they chose this orange for two reasons: hunters wear orange to announce themselves to other hunters when out in the woods and orange symbolizes the value of human life.

Anyone can join this campaign by pledging to Wear Orange on June 7th, the first Friday in June in 2019, to help raise awareness about gun violence and honor the lives of gun violence victims and survivors.

We renew our commitment to reduce gun violence and pledge to do all we can to keep firearms out of the wrong hands, and encourage responsible gun ownership to help keep our children safe.

I encourage all citizens to support their local communities' efforts to prevent the tragic effects of gun violence and to honor and value human lives.

HONORING THE LIFE OF MARGARITA LÓPEZ PRENTICE

##### HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 14, 2019*

Mr. SMITH of Washington. Madam Speaker, I rise to honor the life and accomplishments of Washington State Senator Margarita López Prentice, who will be remembered for her dedication to public service.

I had the pleasure of serving with Ms. López Prentice in the Washington State Legislature, where she was the first Latina elected as a Washington State Senator. After first being elected in 1988, she served as a public official in the Washington State House of Representatives for four years, and then in the Washington Senate, for 27 years. Before her retirement in 2013, Ms. López Prentice served as the Senate Pro Tempore, and as Chairwoman of various committees. She was known for her caring manner, her mentorship, and her ability to forge bipartisan partnerships. Ms. López Prentice's many contributions to the State Legislature earned her the distinction of Legislator of the Year in 2006 from several organizations, including the Washington Health Care Association and the Washington State Labor Council.

Ms. López Prentice was dedicated to bettering the lives of others. Her career in nursing and her passion for women's health, LGBTQ rights, veterans' benefits, and migrant workers' rights, demonstrate her commitment to helping others. During her 30-year career as a nurse and nurse administrator, Ms. López Prentice was active in the Washington State Nurses Association, where she ultimately became vice president of the association. Ms. López Prentice spent countless hours giving back to the Renton community through her service for the Renton Historical Society and the Renton Area Youth Services, as well as on the Renton School Board.

Madam Speaker, it is with great sadness that I offer my condolences to the family and friends of Senator Margarita López Prentice. I am confident that her love of public service will continue to inspire Washington State Legislators for years to come.
