

INTRODUCTION OF THE COMPREHENSIVE CARE FOR SENIORS ACT OF 2019

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 17, 2019

Mr. BLUMENAUER. Madam Speaker, today I am pleased to introduce the Comprehensive Care for Seniors Act of 2019. This legislation would direct CMS to promulgate the long overdue Programs of All-Inclusive Care for the Elderly (PACE) final rule by April 1, 2019.

PACE is a proven care model delivering high-quality, comprehensive, integrated and coordinated community-based care to both Medicare and Medicaid beneficiaries 55 years of age or older, who meet the criteria for a nursing home level of care, but wish to live at home. Multiple studies show that people receiving care from PACE organizations live longer, experience better health, have fewer hospitalizations and spend more time living at home than those receiving care through other programs.

PACE is a comprehensive, capitated, fully integrated, provider-based health plan. At present, there are 124 PACE organizations operating in 31 states, serving over 45,000 elders and those living with disabilities every day. PACE operates based on the fundamental principle that it is preferable in terms of quality of life, quality of care, and costs to public and private payers for PACE-eligible individuals to be served in the community whenever possible. Ninety-five percent live at home in their communities.

The PACE organization assesses each individual upon enrollment and develops a personalized care plan, implemented primarily by PACE staff across all settings of care twenty-four hours a day, seven days a week, 365 days a year. Most PACE participants, 90 percent, are dually eligible for Medicare and Medicaid. The average participant is 76 years of age, and lives with multiple chronic, complex medical conditions, which often significantly limit activities of daily living. Approximately half live with dementia. Thus, PACE organizations enroll an exclusively high-risk, high-cost population, with 85 percent being at least 65 years of age, and 15 percent between the ages of 55 and 64.

When individuals with chronic and medically complex conditions do not have access to care, their quality of life is diminished, which over time leads to increased expenditures. PACE deliberately was constructed to address the chronic care needs of individuals by providing timely and clinically appropriate treatments and social supports.

Currently, PACE programs operate under outdated regulations from 2006. It is critically important that CMS issue the PACE final rule, which will bring much needed regulatory flexibility, allowing PACE organizations to innovate and grow to best serve their participants, their families, and their communities. I urge all of my colleagues to join me to pass the Comprehensive Care for Seniors Act of 2019.

TRANS-SAHARA COUNTERTERRORISM PARTNERSHIP ACT

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 17, 2019

Mr. KEATING. Madam Speaker, since 2005, the United States has been actively involved in the Trans-Sahara Counterterrorism Partnership, which is an interagency program to assist partner countries in the Sahel and Maghreb regions of Africa, including Niger, Nigeria, Tunisia, and Mali, to address terrorist threats and prevent the spread of violent extremism.

This legislation is needed due to the continued high rate of terrorist activity on the continent, and this Partnership helps coordinate our diplomatic, defense, and development efforts to counter those threats.

Recently, the Pentagon, under the President's direction, has been re-evaluating our troop presence in Africa, which means the United States will need to rely more heavily on strategic partnerships built up over years. This bill would do that.

The bill directs the Departments of State and Defense as well as USAID to develop a comprehensive, interagency strategy for U.S.-Africa counterterrorism cooperation. It also improves monitoring and evaluation of the Partnership's programs to help guide whether efforts should be refocused on certain aspects of building partnership capacity.

Success in mitigating terrorism and violent extremism in Africa and elsewhere around the globe is predicated on our ability to work closely with our allies and combat violent extremism in a consistent and effective manner. This piece of legislation allows us to do just that.

I'd like to thank Ranking Member MCCAUL for his important work on this issue and introducing this legislation with me. I urge my colleagues to support this package.

RECOGNIZING THE 2019 MARCH FOR LIFE

HON. F. JAMES SENSENBRENNER, JR.

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 17, 2019

Mr. SENSENBRENNER. Madam Speaker, I proudly recognize the 46th annual March for Life taking place on January 18, 2019. Thousands of Americans from across our great country have made the pilgrimage to Washington to stand up for the protection of unborn children.

Ever since the Supreme Court's reprehensible ruling in *Roe vs. Wade*, the barbaric practice of abortion on demand has been rampant in our nation. Too often people erroneously conflate abortion with women's health care, presenting a false choice of caring for women or protecting life. It is possible to do both.

I stand firmly with the millions of Americans who believe that we must protect the lives of innocent children. I have long been a staunch advocate for pro-life issues. During my tenure as Chairman of the House Judiciary Committee, I shepherded the ban on partial-birth

abortion through Congress. It was one of my greatest honors to watch President George W. Bush sign it into law. I have fully supported every effort in Congress to prevent taxpayer dollars from funding abortions—both in the United States and abroad—and will continue to fight efforts to reverse this practice. I am inspired by all who have traveled to Washington to participate in the March for Life, especially those from Wisconsin, and am grateful for all who believe that every life is precious and must be protected.

HONORING THE LIFE AND LEGACY OF "JUMPIN' JOHNNY" WILSON OF ANDERSON, INDIANA

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 17, 2019

Mrs. BROOKS of Indiana. Madam Speaker, I rise today to honor the life and legacy of John Edward Wilson, an Anderson legend. "Jumpin' Johnny" Wilson was known for his exceptional drive, hard work, and mentorship displayed both on and off the basketball court. The people of Indiana's Fifth Congressional District are forever grateful for Wilson's revolutionary contributions to the city of Anderson, Madison County community, State of Indiana, and our nation.

A life-long Hoosier, Wilson was born in 1927 and raised in Anderson, Indiana, where he attended Anderson High School. During high school, he used his athletic ability to shatter racial barriers. Wilson led the Anderson Indians to their third state title, scoring 30 points in the 1946 championship game, then a state finals record. Wilson's love of sports extended far beyond basketball. He was an all-around athlete and enjoyed playing football, track, and baseball. His tremendous athletic ability led him to be named the state's first African-American Mr. Basketball and earned him the nickname Jumpin' Johnny. True to his moniker, Wilson won the state championship in the high jump.

Upon graduating high school, Wilson aspired to play college basketball. During this time, racial integration was discouraged. Due to public sentiment, Wilson was not afforded the opportunity to play for his dream school, Indiana University. Wilson later passed up opportunities with other schools to play for Anderson College, which was integrated in all aspects of student life. As an Anderson Raven, Wilson earned 11 letters in four different sports, was selected three times in basketball as all-conference and team MVP, was a twice named All-American, and finished third in the nation in scoring in 1949. Anderson College qualified for the National Association of Intercollegiate Athletics (NAIA) small-college tournament during Wilson's sophomore and junior years, but the Ravens' integrated team was excluded. He still holds Anderson University's (AU) records for career scoring average (23.3), season scoring average (25.4), field goal attempts in a game (56), and ranks eighth on the career scoring list with 1,540 points. Wilson was also named All-Conference and team MVP in both baseball and track.

Wilson eventually left Anderson University, attending various baseball tryout camps before earning a spot on the Chicago American Giants in the Negro Leagues in 1949. Wilson's

baseball career lasted only one season before he switched sports, becoming a member of the famed Harlem Globetrotters.

A true patriot, Wilson left the Globetrotters to serve in the United States Army, later returning to the team until retiring in 1954.

After retiring from the Harlem Globetrotters, Wilson returned to college where he obtained a teaching degree. He accepted a coaching position at Indianapolis Wood High School where he was named the first African-American coach at an integrated school in Indiana. In his eight seasons as coach, Wood teams won an astounding 139 games and lost 59.

After leaving Indianapolis, Wilson was hired as athletic director and later head basketball coach at Crane Community College in Chicago. The junior college was soon renamed in honor of civil rights figure Malcolm X. Wilson was head coach of Malcolm X basketball for 16 years where his teams won 378 games and lost 135, a .737 record. After retiring in 1989 from Malcolm X, he returned to his hometown of Anderson, where he became assistant coach for Anderson University with good friend, and then head basketball coach and athletic director, Barrett Bates.

Wilson was known as a great ambassador to the community as assistant coach at AU. Wilson was dedicated to his players' success and taught them the importance of working hard, often claiming there is no such thing as a "free lunch." Encouraging players to go to class and get an education was instilled in his coaching philosophy. It was important to him that players were successful both on and off the court. Wilson was respected by other coaches and the people he worked with. He spent four seasons as an AU assistant coach and three years as a volunteer assistant coach at Anderson High School under Ron Hecklinski. After being passed over for a head coach position at Anderson High School more than once, Wilson become head coach for the girls' basketball team. In 2002, he served as an assistant coach to his son, John E. Wilson Jr. at Lock Haven State College in Pennsylvania.

Wilson was recognized consistently over the years for his excellence in athletics. His contributions were so significant, Anderson High School erected a statue in his honor in 2016. He was inducted into the Indiana Basketball Hall of Fame in 1994, the Anderson University Athletic Hall of Fame in 1997, and was named Madison County's 100 Greatest Athletes in 2012. Wilson was also honored as one of the Top 50 Athletes of the Century in Indiana and Co-Athlete of the Century by the Herald Bulletin with fellow teammate and AU Hall of Famer Carl Erskine. He won the Humanitarian Award from Malcolm X College and the Black Sports Pioneer Award from Alpha Kappa Sorority. Wilson was the recipient of the Distinguished Service and Citizen Awards from the Boy Scouts of America, the Masons, Black Expo, the City of Anderson and was chosen as a Goodwill Ambassador by the Harlem Globetrotters. Notably, Wilson enjoyed meeting young men and women at the Herald Bulletin's Johnny Wilson Awards annual luncheon, where local multi-sport-student-athletes were honored.

Wilson will be forever missed by his family, friends, colleagues, and the entire Anderson community. On behalf of Indiana's Fifth Congressional District, I extend my deepest condolences to Wilson's son, John E. (Jackie)

Wilson Jr., daughters, Sherri Wilson and Gena Wilson-Stockard, brother, Gene (Mae Helen) Wilson, and his many grandchildren, great grandchildren, extended family and friends who mourn his loss. The Anderson and Hoosier community will forever miss his positive attitude, mentorship, and unwillingness to quit.

INTRODUCTION OF THE HAITIAN EDUCATIONAL EMPOWERMENT ACT OF 2019

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 17, 2019

Mr. HASTINGS. Madam Speaker, I rise today in support of my bill, the Haitian Educational Empowerment Act of 2019.

Thought the current occupant of the White House may want to have us believe that all is well in Haiti while, parenthetically, speaking of the country in derogatory and disgusting terms, those of us who truly know this country, those of us who truly care about the country and the Haitian Diaspora, know that Haiti remains on the road to recovery. The rebuilding continues from not only Hurricane Matthew, but the 2010 earthquake and the cholera outbreak, all of which continue to provide roadblocks to Haiti's full recovery. It is imperative that we do all that we can to ensure that the Haitian people receive the assistance they need to realize a vibrant, strong, and healthy democracy.

To that end, the Haitian Educational Empowerment Act of 2019 authorizes the Secretary of State to establish a scholarship program for Haitian students who have had their studies disrupted by the 2010 earthquake or Hurricane Matthew. Such scholarships will ensure that Haiti has access to the future teachers, doctors, lawyers and civil servants it will need to realize its full potential with strong democratic institutions and a strong economy.

Madam Speaker, I invite all of my colleagues to join me in support of this important bill—a bill that will help Haitians help Haiti as the country continues its hard work on its road to recovery.

PERSONAL EXPLANATION

HON. TRENT KELLY

OF MISSISSIPPI

Mr. KELLY of Mississippi. Madam Speaker, I rise today to make it clear that had a recorded vote on H.J. Res. 28 been recognized and called, I would have voted no.

HONORING THE HARRISBURG POLICE DEPARTMENT FOR EARN- ING THE NATIONAL ASSOCIA- TION OF TOWN WATCH "ROOKIE OF THE YEAR" AWARD

HON. SCOTT PERRY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 17, 2019

Mr. PERRY. Madam Speaker, I rise today to honor and congratulate the outstanding men

and women of the Harrisburg Police Department on earning the National Association of Town Watch "Rookie of the Year" Award.

On August 7, 2018, 16,780 law enforcement agencies across the Country held local National Night Out events, aimed at promoting police-community partnerships through neighborhood block parties and cookouts with officers. Out of nearly 800 nationwide law enforcement groups who held a National Night Out for the first time, the Harrisburg Police Department was one of only three agencies in Pennsylvania selected for recognition.

Law enforcement officers are heroes, and we must not take their service for granted. They put their lives on the line to keep our neighborhoods, homes, businesses and schools safe and secure. The National Night Out in August was just one more example of the Harrisburg Police Department's cherished charge to protect and defend the people they serve.

I've long appreciated the commitment and self-sacrifice of our law enforcement professionals. On behalf of Pennsylvania's Tenth Congressional District, I commend, congratulate and extend my heartfelt thanks to the Harrisburg Police Department on this great accomplishment, and wish them Godspeed as they continue serving and safeguarding our communities.
