Roll Call Vote Number 398 (Passing H. AMDT. 462 to H.R. 3055 offered by Rep. BEN MCADAMS): YES.

HONORING THE MEMORY OF LINSEY PORTER

HON. RASHIDA TLAI

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Ms. TLAI. Madam Speaker, I rise today to honor the memory of Linsey Porter, a former mayor of the city of Highland Park, Michigan. His advocacy and leadership will be missed.

Born in Detroit in 1954, Linsey Porter grew up in Highland Park, where the Porter Family

moved to in 1955. He graduated from Highland Park High School in 1972 and continued his education at LeMoyne Owen College in Tennessee where he completed four years. During that time, Porter founded and was first President of the Out Of Town Students Association to make the school, which was not equipped to support out-of-state students, a more welcoming place. This marked the beginning of his career in advocacy.

After college, Porter returned to Highland Park. Though a diligent worker, Porter found his work in insurance to be unfulfilling. He gave up his position to return to advocacy and run for Mayor of Highland Park because he wanted to help people grow and have his city be a better place for people to live. Porter was elected the 30th Mayor of Highland Park in November of 1991. He was the first Mayor in Highland Park to be elected to three consecutive four-year terms. Prior to being elected and re-elected Mayor, he also served two terms on the City Council, with his last term as Council President.

Linsey Porter was most proud of the economic revitalization that occurred during his tenure as Chief Executive Officer for the City of Highland Park. With his vision and energy, he secured millions to fund new development, including single-family and multi-family housing, two shopping centers, new police cars, fire engines, and the creation of Oakland Industrial Park, which location once was the world headquarters of the Chrysler Corporation. Two of his greatest accomplishments were encouraging the Budco Company to build their World Headquarters in Highland Park (1000 jobs) and the expansion, renovation of the Davison Freeway, America's first freeway.

Please join me in tribute to Linsey Porter as we pay our respects and honor to his family.

IN SUPPORT OF THE DEPARTMENTS OF LABOR, HEALTH AND HUMAN SERVICES, AND EDUCATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2020 (H.R. 2740)

HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Ms. MCCOLLUM. Madam Speaker, I rise in support of H.R. 2740, the first Fiscal Year 2020 appropriations package that includes funding for the departments of Labor, Health and Human Services, Education, Defense, State, and Energy.

The Labor, Health and Human Services, Education, and Related Agencies bill includes \$189.9 billion, \$11.8 billion over FY19 levels, in critical investments in medical research, public health, workforce training, and education for the next generation of Americans. Among the important provisions in this bill are \$41.1 billion for the National Institutes of Health (NIH) for lifesaving medical and disease research, and \$760 million for Community Service Block Grants (CSBG) that will go directly to Community Action Agencies to help low-income families rise out of poverty. The bill also contains a provision that will enable

states to develop best practices to identify and treat newborns with a Congenital Heart Defect. This is an issue that I have worked on since I served in the Minnesota State House, and I am pleased to see its inclusion.

The Defense bill includes \$690.2 billion in funding, \$15.8 billion above FY19 levels, improves our national security, and ensures that our servicemen and women will have the equipment and training necessary to complete their missions and come home safe. The bill includes a 3.1 percent military pay raise and funds the Sexual Assault Prevention and Response programs for the services at \$297 million, a significant increase over FY19 levels. As the Vice Chair of the Defense Appropriations Subcommittee, I am particularly pleased that the bill includes \$1.26 billion for defense environmental remediation activities, \$14.8 million above FY19 levels. This funding will continue Department of Defense efforts to remediate contaminated soil, ground and drinking water at formerly used and current defense installations. This includes \$13 million to study and assess the levels of PFOS/PFOA contamination at domestic military facilities. The bill also makes a \$33.4 billion investment in Defense Health Programs, including increased funding for medical research that will help save the lives of our service members and veterans.

The State, Foreign Operations, and Related Programs bill includes \$56.4 billion in funding, \$2.2 billion above FY19 levels, and is a robust investment in global health and nutrition programs, national security, and diplomacy. Important provisions in this bill include \$2.6 billion for maternal child health and infectious disease programs, \$750 million for family planning services, and \$5.9 billion for PEPFAR to combat HIV/AIDS. I am also pleased to see strong levels of funding for the Global Food Security Act, a critical piece of U.S. foreign assistance in reducing global hunger, improving child nutrition, and finally achieving food security around the world.

The Energy and Water Development, and Related Agencies bill includes \$46.4 billion, an increase of \$1.8 billion over FY19, and makes needed investments in water infrastructure projects that impact every state in our nation. That is why robust funding for the Army Corps of Engineers, the Harbor Maintenance Trust Fund, the Bureau of Reclamation, and the water resources projects in this legislation are so important. My district is home to the St. Croix River and the Mississippi River. My constituents know that the Mississippi River is a working river, and failures in our infrastructure can significantly impact the overall economy by hurting our transportation, agriculture, and recreation industries.

Madam Speaker, as the appropriations process moves forward on the floor, it is clear that Democrats are making critical investments for the people. Democrats will continue to be loud and clear about the importance of quality healthcare for all, education for our children and grandchildren, investments in infrastructure, and ensuring our national security. H.R. 2740 is a down payment on all of these important priorities for our constituents.

I strongly encourage my colleagues to support this legislation.

HONORING THE LIFE AND LEGACY
OF THE LATE DR. LAMUEL A.
STANISLAUS

HON. YVETTE D. CLARKE

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Ms. CLARKE of New York. Madam Speaker, I would like to honor the life and legacy of the late Dr. Lamuel A. Stanislaus. Dr. Stanislaus was born on the beautiful island of Grenada and came to the United States in 1945 where he received his Bachelor of Science and Doctor of Dental Surgery degrees from Howard University.

Dr. Stanislaus practiced dentistry in upstate New York briefly before moving to Brooklyn Heights, where he would service the Brooklyn Heights community for 32 years. In 1985, Dr. Stanislaus was appointed Permanent Representative of Grenada to the United Nations for five years and served as Ambassador-at-Large and Deputy Permanent Representative for two years. He was later re-appointed as the Permanent Representative of Grenada to the United Nations until 2004. There he became a seasoned, substantive and eloquent voice on behalf of his country Grenada, Carriacou and Petite Martinique. On occasion, he was also delegated to speak on behalf of the Caribbean Community (CARICOM) and the Group of Latin America and the Caribbean Countries (GRULAC).

To add to his tremendous achievements, Dr. Stanislaus was also an activist in his community. As a visionary leader, Dr. Stanislaus founded the West Indian Day Carnival Parade—a national day of celebration and valor for Caribbean tradition and culture. He left behind a movement that began in Harlem and was relocated to my district where Central Brooklynites still partake in celebrating our beautiful heritage. Dr. Stanislaus was well-versed in the rich history of the Caribbean. It goes without saying that Dr. Stanislaus' commitment to public service represents leadership, scholarship, integrity and inspiration in our community.

Dr. Lamuel A. Stanislaus was the recipient of numerous professional, civic and political awards. It is my distinct honor to announce that on Saturday, June 15, 2019, Rutland Road between Flatbush and Bedford Avenues in Brooklyn, New York was renamed after his namesake, the Dr. Lamuel A. Stanislaus Way. Sir Lamuel A. Stanislaus' life demonstrated a love of God, humankind, love of country, love of Grenada and its people as well as the Caribbean community at large. Dr. Stanislaus was and will remain a motivation to all.

RECOGNIZING MR. RONALD E.
FEILE FOR HIS SERVICE AND
DEDICATION TO AMERICA'S
SPACE PROGRAM

HON. BILL POSEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Mr. POSEY. Madam Speaker, today I rise in recognition of Mr. Ronald E. Feile of Titusville, FL, a constituent who recently retired after thirty-six years of working at the Kennedy

Space Center as an air traffic controller, and, most recently as a lead contractor for the Washington Consulting Group.

Ronald Feile began his aviation career in the U.S. Army where he served as part of a mobile VFR tower crew in Vietnam from April 1970 through November 1971. In 1971, he became control chief of combined tower and radar facility and was placed in charge of training personnel and scheduling logistical supply which was vital to our operation in Vietnam. He also served as flight operations liaison to the South Vietnamese army and earned the Army Commendation Medal.

Following his military service and service as an air traffic controller with the FAA, Ron was recruited to work on our space program at the Cape serving as the lead Air Traffic Controller for the Shuttle Landing Facility and the Military Radar Unit. In that role, Ron was intimately involved with our Shuttle program, coordinating air and ground support for Shuttle launch and landing events. He also provided his expertise for major satellite and launch payload deliveries.

Throughout his career, Ron has been awarded NASA's Silver Snoopy Award and NASA's Space Flight Awareness Award. He was also interviewed by NASA as part of its oral history of the Shuttle program. In addition to these honors, he will receive the highest tribute for those in aviation history. Ronald Freile's name will be inscribed in the wall of the Air and Space Museum. Ron's name will join the names of Buzz Aldrin, the Wright Brothers, Charles Lindberg, John Glenn, Amelia Earhart, and countless other pioneers of our aviation history.

Having worked on our nation's space program as a young man, I have come to know many of the great Americans like Ron who have dedicated their lives to serving our nation and making our space program so successful. I ask members of the U.S. House of Representatives to join me and Ron's family, friends, and colleagues at the Washington Consulting Group in recognizing his work and contribution to America's mission in space.

HONORING THE SERVICE OF KEVIN
BOSHEARS, DIRECTOR OF THE
OFFICE OF SMALL AND DIS-
ADVANTAGED BUSINESS UTILI-
ZATION AT THE DEPARTMENT
OF HOMELAND SECURITY

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Mr. THOMPSON of Mississippi. Madam Speaker, I rise to honor Kevin Boshears, the Director of the Department of Homeland Security's (DHS) Office of Small and Disadvantaged Business Utilization (OSDBU) upon his retirement from Federal service. Over the past sixteen years, Mr. Boshears has forged a reputation as a trusted resource to small businesses that seek to provide goods and services to DHS. From the Department's earliest days, Mr. Boshears helped create a culture within DHS that prioritizes engagement with small businesses in furtherance of its diverse missions.

In my work on the Committee on Homeland Security, I have come to appreciate his stead-

fast commitment to opening doors of opportunity to small, disadvantaged and minority-owned business that face barriers to entering the Federal marketplace. Under Mr. Boshears' leadership, DHS has the distinction of being the largest agency to earn a "A" grade on the Small Business Administration's (SBA) Small Business Procurement Scorecard and it has retained that score for nine years in a row. Remarkably, in fiscal year 2017, DHS earned its third "A+" rating, awarding nearly 35 percent of total contracting dollars to small businesses, exceeding the government-wide goal of 23 percent.

Mr. Boshears' dedication to the small business community has resulted in many other accolades throughout his impactful career. In 2005, Mr. Boshears received the SBA's Federal Gold Star Award of Excellence in recognition of his efforts to carry out the aggressive goals and strategic initiatives that help ensure a role for small businesses in the federal marketplace. And, in July 2018, Mr. Boshears received the prestigious DHS Management's Award for Technical Excellence, followed by the DHS Secretary's Award for Leadership Excellence in November 2018.

As Mr. Boshears closes out his time at DHS and as a civil servant, I rise to honor his contributions and wish him well.

HONORING THE AUBURN HIGH
SCHOOL BASEBALL TEAM

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Mr. GRIFFITH. Madam Speaker, I offer these remarks in honor of the Auburn High School baseball team, which won the Virginia High School League 1A baseball championship at Radford University on June 14, 2019. The Eagles won a victory over Lancaster to reclaim the title, which they had previously won in 2017.

Auburn's victory brought their season to 25–3. Excellent pitching held Lancaster to three hits, while Auburn scored nine runs to achieve a 9–0 victory. Congratulations are in order for the team and Coach Eric Altizer, as well as the student body, teachers, administrators, and fans at Auburn. I was particularly pleased to be able to congratulate them in person after the game. It is another trophy in Auburn's impressive collection of championships this year. In fact, it came on the same day the Auburn softball team won their title. It is truly remarkable when a high school wins two state championships not only in the same year, but on the same day.

REMEMBERING BENNY WONG

HON. NYDIA M. VELÁZQUEZ

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Ms. VELÁZQUEZ. Madam Speaker, I rise today to remember Benny Wong, a community member, local leader, media visionary and fearless immigrant from Hong Kong, China. For decades, Benny gave a voice to New York's Chinese-American community through
