

over the Cape Cod Canal bridges. The Canal bridges were completed in 1935 and 1938. They were constructed for the age of the Model T, and not the age of the SUV.

The Canal bridges are now insufficient for the needs of the Cape and Islands community. The lanes on the bridges are too narrow, and do not reflect current federal highway standards. They lack a breakdown lane that could be used for additional road space in an emergency. With the Canal bridges in their current state on a busy summer weekend, the traffic can back up for miles. During an evacuation scenario, this congestion would be far worse and pose a real risk to public safety.

The Cape Cod Canal bridges have reached the end of their useful lives, and modern replacements for them will be needed within the next several years. Replacement bridges must be designed soon so that the United States Government can live up to its responsibility to provide transit for Cape Cod residents and visitors over the Cape Cod Canal—especially in the event of an emergency.

The Canal bridges, and projects like them across the nation, need funding to support them through the costly design phase. Without designs in hand, it is impossible for transportation planners to precisely estimate the scope of work and costs of replacing this aging infrastructure so they can move forward towards construction. That is why my amendment is so important not only for our community, but communities like ours around the country.

HONORING JOHN JOSEPH  
MANFREDA

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 27, 2019*

Mr. THOMPSON of California. Madam Speaker, I rise today to remember John Joseph Manfreda for his lifelong belief in and staunch commitment to exceptional public service.

Born in Washington, DC, Mr. Manfreda received his undergraduate degree in business finance and economics from the University of Maryland. He earned his law degree from the American University School of Law in 1970 and earned a master's degree in tax law from Georgetown University Law Center in 1974. Mr. Manfreda began his almost 50-year career in public service at the Bureau of Alcohol, Tobacco, and Firearms (ATF) Counsel Office and its Internal Revenue Service predecessor. From 1999 to 2003, he served as Chief Counsel for ATF. Mr. Manfreda was integral to the founding of the Alcohol and Tobacco Tax and Trade Bureau (TTB). He served TTB as the Deputy Administrator before being appointed to the Administrator of the Bureau in 2005.

Mr. Manfreda was widely respected for his knowledge, fairness, and honesty by his colleagues and those he worked with in the industry he regulated. He helped write many alcohol laws when he served as Counsel for ATF and retained the information about those laws. He was a fair man and was always willing to listen. Mr. Manfreda was an honorable man of character who valued honesty and demonstrated that value. Mr. Manfreda was recognized for his important work with the Meritorious and Distinguished Presidential

Rank Awards and the Lifetime Achievement Award from the Bureau of Alcohol, Tobacco, and Firearms.

Madam Speaker, John Joseph Manfreda was a dedicated public servant who held the sincere belief in the good of public service. RECOGNIZING THE 75TH ANNIVERSARY OF THE USCGC "MACKINAW" IN CHEBOYGAN, MICHIGAN

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 27, 2019*

Mr. BERGMAN. Madam Speaker, it is my honor to recognize the 75th anniversary of the United States Coast Guard Cutter *Mackinaw*, based out of Cheboygan, Michigan.

The original Icebreaker *Mackinaw* (WAGB-83) was constructed during World War II to facilitate winter shipping over the Great Lakes and maintain year-round war-time production of steel. Cheboygan served as her home port as she played this critical role. After more than 62 years of outstanding service facilitating commerce in support of the economy and security of the entire nation, the original *Mackinaw* was decommissioned in 2006 and replaced with the USCGC *Mackinaw* (WLBB-30). Performing the same critical icebreaking role as her namesake, the *Mackinaw* also serves year-round as an Aids to Navigation ship and conducts law enforcement, search and rescue, and environmental emergency response missions. Its unique design makes it exceptionally maneuverable and capable of breaking smooth ice up to 42 inches thick. Since the first ship was launched 75 years ago, the impact of the *Mackinaw* on economy and security of Michigan and the entire country cannot be overstated.

The anniversary celebration for the *Mackinaw* will take place as a part of the 8th Annual Michigan Waterways festival, a 4-day community celebration of the Michigan Inland Waterway and Northern Michigan, running from June 27th to the 30th.

Madam Speaker, the celebration of the 8th Annual Waterways Festival is the perfect opportunity for us to appreciate the history and service of the USCGC *Mackinaw* and her crew. Michiganders can take immense pride in knowing that the First District is home to such an important vessel. On behalf of my constituents, I wish the *Mackinaw*, her crew, and the city of Cheboygan all the best in their future endeavors.

COMMANDER JAMES B. MILLS

HON. KEVIN HERN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 27, 2019*

Mr. KEVIN HERN of Oklahoma. Madam Speaker, this week, I welcomed to my office a family of constituents in town to celebrate the life and legacy of a fallen war hero at Arlington National Cemetery.

The Geiger family traveled here to honor the life of their relative Commander James B. Mills, who died more than 50 years ago while serving in the Navy.

Commander Mills' plane disappeared from radar just past midnight on September 21, 1966. No distress call was heard, no one saw the plane go down, and extensive aerial searches yielded no clues as to what happened to Commander Mills and his copilot James Bauder.

For more than 50 years, Commander Mills' family had no closure on his loss, until about a year ago when his remains were found off the coast of Vietnam.

This week, Commander Mills was honored with a burial at the Arlington National Cemetery attended by more than 300 people who came to celebrate his life and finally put Commander Mills to rest in his home country as the hero he is. Commander Mills and his loved ones have found peace at last.

CARIBBEAN AMERICAN HERITAGE

HON. STACEY E. PLASKETT

OF THE VIRGIN ISLANDS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 27, 2019*

Ms. PLASKETT. Madam Speaker, as Americans begin many of the pastimes of summer that are quintessentially American—baseball, backyard barbecues, family road trips—Caribbean Americans spend the month of June reflecting on their contributions and melded cultures in the United States.

Congress adopted H. Con. Res. 71 which established the Caribbean American Heritage month, sponsored by Congresswoman Barbara Lee and signed into law by President George W. Bush in 2006. "Whereas people of Caribbean heritage are found in every State of the Union . . ." is the first line of the U.S. House of Representatives' resolution to establish a Caribbean American Heritage month. While the Act establishing Caribbean American Heritage month emphasized the present influence of Caribbean Americans, American history would not be complete without the integration and support of Caribbean people. From America's founding to the present, Caribbean people have supported and assisted in the creation of a collective American identity—the articulation of the nation's rightful place in the world, its traditions, its language and cultural style.

Despite being ostracized and alienated by many of his contemporaries for his Caribbean

roots—but for Alexander Hamilton's contribution to our military, creation of our banking system and assistance in drafting the Constitution—our country would not be as strong today as it is. From American Revolution Haitian gens de couleur libre (free men of color) fighting troops, slave revolt leader Denmark Vessey to Colin Powell's shock and awe doctrine, the Caribbean emphasis on revolutionary and righteous principles enforced through martial force.

The Caribbean is a melting pot of different races, cultures, ethnicities, and languages; it is the southern reflection of the American experience. Caribbean Americans like all who come to this country desire to make themselves and this country better.

DEPUTY SHERIFF MATTHEW MORENO

HON. KEN BUCK

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2019

Mr. BUCK. Madam Speaker, I rise today to recognize the dedication and sacrifice of a fallen Deputy Sheriff, Matthew Moreno.

A resident of Trinidad, Colorado, Matthew proudly served his community as a full-time Deputy Sheriff in Las Animas County. He also worked part-time as an Emergency Medical Technician (EMT) for the Trinidad Ambulance District. In Matthew's free time, he volunteered as a firefighter—quickly rising to the rank of Fire Captain.

On December 12, 2018, Matthew was struck by an impaired driver while responding to a domestic disturbance call. Tragically, he did not survive the accident.

Our nation owes a debt of gratitude to our police, fire fighters, and first responders, especially our fallen heroes. Matthew's commitment to serving others exceeded expectations, and his willingness to put his life on the line to protect others will never be forgotten. On behalf of the Fourth Congressional District of Colorado, I extend my deepest gratitude for Matthew's service and deepest condolences to his family, friends, and the entire community that undoubtedly feels his loss.

Madam Speaker, it is an honor to recognize the life of Deputy Sheriff Matthew Moreno for his commitment to family, community, and the United States of America.

RECOGNIZING THE CUMBERLAND CONTAINER CORPORATION'S 50TH ANNIVERSARY

HON. JOHN W. ROSE

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2019

Mr. JOHN W. ROSE of Tennessee. Madam Speaker, I rise today to recognize the Cumberland Container Corporation in honor of its 50th anniversary.

A time-honored mainstay of Putnam County, Cumberland Container Corporation was granted its corporate charter by the State of Tennessee on October 21, 1968. Nine months later, this company planted its roots in a 6,000-square-foot building in Monterey, Ten-

nessee. At its commencement, this company served the area by providing manufacturing containers and packaging materials to local businesses with nothing more than four pieces of used equipment and six employees.

Cumberland Container Corporation was dedicated to its belief in efficiently supplying local companies. Although times proved to be tough at the beginning, this company persevered and demonstrated the brilliance of this concept through consistent customer growth over the last five decades.

Fast forward to this year, Cumberland Container Corporation is currently operating in a 260,000-square-foot building on over 18 acres of land. By current count, Cumberland Container Corporation now employs 85 associates and owns a vast assortment of machinery for its production and logistical needs.

To my House colleagues here today, I hope that you will join me in recognizing the Cumberland Container Corporation for their longstanding service to the community. It is the hardworking nature of this company and its employees that truly reflect exactly what it means to be a Tennessean.

CELEBRATING THE CAREER OF DR. EDWARD J. LUKOMSKI AT PATHWAYS, INC.

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2019

Mr. REED. Madam Speaker, I rise today to celebrate the service of Dr. Edward J. Lukomski to Pathways, Inc. and congratulate him on his retirement.

For the last sixteen years, Dr. Ed Lukomski has served as the President and Chief Executive Officer of Pathways, Inc. which provides services to two thousand people in fifteen counties. Pathways, Inc. is a not-for-profit human service organization offering in-home, community, and foster care services to youth with serious emotional disturbances, intellectual and developmental disabilities, and chronic medical conditions. Under Ed's leadership, Pathways has grown exponentially, not only in services and programs offered, but also geographically in their area of service coverage. Ed's dedication and hard work has ensured the expansion of opportunities for youths in need of aid, and for that we must commend him.

To recognize his outstanding service, Pathways will be dedicating their Broad Street facility in Horseheads, New York, in his honor. The newly renamed "Lukomski Center" will stand as a fitting tribute to Ed's legacy as Pathways continues his work to expand services to youths in need.

As Ed moves forward with the next chapter of his life, we applaud his tireless efforts to help youth in our communities and we wish him all the best in his retirement.

Given the above, I ask that this Legislative Body pause in its deliberations and join me to celebrate Ed Lukomski and his extraordinary career.

COLONEL SETH KRUMMRICH RELINQUISHES COMMAND OF THE FORT IRWIN GARRISON

HON. PAUL COOK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2019

Mr. COOK. Madam Speaker, I rise today to recognize the contributions of U.S. Army Colonel Seth Krummrich, who will relinquish command of the Fort Irwin Garrison on June 27, 2019. Colonel Krummrich is leaving for his next duty assignment as the Chief of Staff, Special Operations Command Central (SOCCENT) at MacDill Air Force Base in Tampa, Florida.

Since Colonel Krummrich assumed command of the Fort Irwin Garrison, I have been impressed by his hard work on behalf of the Army. During his command, Colonel Krummrich oversaw the completion of Weed Army Community Hospital, a \$211 million improvement designed to bring medical facilities at the garrison into the 21st century. In addition to the successful completion of the hospital, Colonel Krummrich has worked closely with my staff and I on several proposed projects to further improve Fort Irwin and better support the Army's critical training mission. While these projects were not completed during his tenure, his hard work has laid the foundation for their future success.

In addition to thanking Colonel Krummrich for his service at Fort Irwin, I would also like to recognize his outstanding military career. Colonel Krummrich is a combat veteran with numerous deployments to both Iraq and Afghanistan, including participating in the initial invasion of Afghanistan in 2001 as a member of the 5th Special Forces Group (Airborne). His service on the battlefield is complimented by his impressive educational background, where he was most recently a senior Military Fellow at Stanford University. While I wish him the best at SOCCENT, I will miss the passion, energy, and determination that he brought to the Fort Irwin Garrison.
