GUN VIOLENCE AWARENESS MONTH

HON. JOYCE BEATTY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2019

Mrs. BEATTY. Madam Speaker, I rise today to recognize June as Gun Violence Awareness Month.

So far this year, nearly seven thousand Americans have been killed and almost twice as many injured at the hands of gun violence.

Even more shocking, there have been 190 mass shootings across the country—in Shreveport, Philadelphia, Louisville, and Des Moines just within the last week.

Gun violence is a uniquely American epidemic, but unfortunately, failure to act has also been uniquely American.

Congress failed to act twenty years ago after Columbine, again twelve years ago after Virginia Tech, or after Sandy Hook, the Pulse Nightclub, Las Vegas, or Parkland.

Thankfully, the new Democratic majority has passed the first gun violence prevention bills in a generation.

Whether it's those bills or my SAFER Now Act (H.R. 282), Congress must continue our work "For the People" and act to prevent one more American from falling victim to gun violence.

HONORING AMERICA'S DAIRY FARMERS DURING NATIONAL DAIRY MONTH

HON. JAMES R. BAIRD

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2019

Mr. BAIRD. Madam Speaker, I rise today to recognize our nation's dairy farmers. Since 1937, the month of June has been set aside to celebrate National Dairy Month.

The dairy industry, and the products it produces, is extremely important to the agricultural sector and hundreds of millions of Americans and consumers around the world. It generates \$38 billion of direct wages for 3 million jobs on 37,000 family-owned dairy farms and related industries.

But times have been tough in recent years with narrow margins and low to no profitability. In fact, this is the fifth consecutive year that we've had low prices, pushing 2,700 dairy farmers out of business in 2018.

That's why USDA's Dairy Margin Coverage Program is so important to the American dairy industry. The Dairy Margin Coverage program will provide farmers with better coverage for lower premiums, including a retro-active start which means our dairy farmers will be able to get help with over 5 months of tough losses.

As we honor the dairy producers in our communities this month, I encourage all of our Hoosier dairy farmers to sign up for their program in order to secure much needed protec-

tion during times of uncertainty. I thank them for their tireless work for the American people.

COMMUNITY COLLEGE STUDENT SUCCESS ACT

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2019

Ms. MENG. Madam Speaker, community colleges play a critical role in American higher education. There are over 1,000 community colleges across the United States. Nearly 40 percent of undergraduates are enrolled in community colleges. Of these students a large portion are first-generation, low-income college students, and half are students of color. Community colleges indeed play a crucial role in closing our nation's skills gap through education and workforce training. Unfortunately, many of these institutions are often under-resourced. This leaves students without the necessary support to complete their degrees.

Access to college means little without degree completion. Studies show that only 20 percent of full-time community college students graduate after three years and just 35 percent graduate after five years. Research is also clear that students who do not complete a degree are at greater risk of defaulting on their loans.

That is why, today, I am introducing the Community College Student Success Act of 2019, a bill that will help community colleges around the country by giving under-resourced colleges with high percentages of low-income and minority students the necessary funding to develop and implement comprehensive student support services.

First, the Community College Student Success Act would provide academic advising, wherein, advisors will provide ongoing, academic, and personal advising to students including helping to clearly lay out a three-year graduation plan and creating strong transfer pathways for students interested in continuing their education.

Second, this bill would provide academic and career support, wherein, students on academic probation or who have been referred to developmental courses will be required to meet weekly with a tutor. These students will also meet with an on-campus career counselor or participate in career services events at least once a semester to promote career planning and success.

Third, this bill would provide financial support, wherein, students will receive a tuition waiver to cover the gap between the tuition and fees and financial aid. Additionally, students satisfying all the meeting requirements will receive a financial incentive, such as a transportation pass or gas card, at least once per month.

Additionally, the goal of this legislation is to replicate the remarkable and proven success of the Accelerated Study in Associate Programs (ASAP)—a program that was created and instituted by the City University of New York (CUNY) in 2007. This program has been found to consistently double the graduation rates of participating students.

Madam Speaker, the Community College Student Success Act of 2019 ultimately seeks to help achieve student success through holistic and student-centered services.

I urge my colleagues to support this legislation and join me in helping community college students across the nation by providing pathways to upward economic mobility and more opportunities. If Congress truly values the importance of educating our next generation, we must increase our investment in these institutions and the students they serve. Each person deserves a quality education—no matter their background—because education is a civil right.

Res. 462—The rule providing for consideration of the bill H.R. 3401—Emergency Supplemental Appropriations for Humanitarian Assistance and Security at the Southern Border Act, 2019." Had I been present, I would have voted "YES, NO, NO, NO" on these bills, respectively.

TRIBUTE IN HONOR OF MICHAEL ERIC ENGH, S.J.

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2019

Ms. ESHOO. Madam Speaker, I rise to honor Michael Eric Engh, S.J., on the occasion of his retirement as President of Santa Clara University, after a decade of extraordinary leadership.

Father Engh was born to Marie and Donald Engh in Los Angeles on December 14, 1949. He entered the Society of Jesus in 1972, and earned his M.A. at Gonzaga University in 1976. He earned his Master of Divinity degree from the Jesuit School of Theology, in Berkeley, California in 1982 and his Ph.D. at the University of Wisconsin in 1987.

Father Engh taught at Loyola Marymount University from 1988 to 2008, became Santa Clara University's 28th President on January 5, 2009, and retires from the Presidency after a most distinguished decade on June 30, 2019.

Father Engh serves on a number of boards, including the Board of Trustees of Boston College; the Board of Directors of the Silicon Valley Leadership Group; the Board of Directors of the Association of Jesuit Colleges and Universities; the Council of Presidents of the

Graduate Theological Union; and the Board of Trustees of Bellarmine College Preparatory.

Since arriving at Santa Clara, Father Engh has led the University in defining its vision and setting the course for the future with a bold plan, Santa Clara 2020. Under his decade of leadership the University's endowment grew to \$926 million in 2019, from \$515 million in 2009. The University also recorded significant student accomplishments and accolades including Rhodes and Fulbright Scholars.

Ten new undergraduate majors were instituted, several Masters programs were launched, and the REAL program for summer research in the College of Arts & Sciences began, among many others, and the Law

School's Intellectual Property Program was ranked fourth by US News in 2019. During Father Engh's tenure the campus was beautified and improved, and many new buildings were opened and facilities modernized, with many more in the process of development.

The era of Father Engh bears the imprimatur of diversity and inclusion. He established the Office for Diversity and Inclusion in 2013 and created the Blue Ribbon Commission on Diversity and Inclusion in 2016, increasing significantly the number of students of color from 45 percent to 51 percent.

Sustainability has been a hallmark of the Engh presidency. He signed the Climate Neutrality Action Plan and established the Office

of Sustainability which grew into the Center for Sustainability with additional staff and programming. His efforts resulted in a deep-seated culture of sustainability across the entire University and ingrained in the community the importance of justice and sustainability.

Madam Speaker, I ask the entire House of Representatives to join me in honoring Father Michael Engh for his superb leadership of Santa Clara University which is not only a jewel in the crown of Jesuit universities but also one of the finest institutions of higher learning in the United States. His remarkable decade as President has strengthened our region, our state of California and he is a great blessing to our nation.
