

died in service to his country during the Korean War in November 1950. I ask that you join with me and the people of Michigan's First District in honoring the heroic sacrifices of our service men and women as his remains are returned to his home in Michigan after nearly 70 years.

In Korea, Charles served as a member of Company M, 3rd Battalion, 8th Cavalry Regiment, 1st Cavalry Division. He was reported Missing in Action on November 2nd, after his unit was attacked by enemy forces near Unsan, North Korea. His remains could not be recovered following the attack, and he was not reported as a prisoner of war. On December 31, 1953, the U.S. Army declared him as deceased. On July 27, 2018, Cpl. Lawler's remains were turned over to the United States along with many of his fellow servicemen following the summit between President Donald Trump and Kim Jong-un. The remains were given to the Defense POW/MIA Accounting Agency, which works to identify fallen service members and return them to their families. On May 13, 2019, his remains were finally identified.

Cpl. Lawler's name is recorded on the Courts of the Missing at the National Memorial Cemetery of the Pacific in Honolulu, along with the others who are missing from the Korean War. A rosette will be placed next to his name to indicate he has been accounted for. Charles will arrive in Traverse City later today before finally being laid to rest on July 27th. His remains will be escorted by a full Honor Guard and rifle squad, as well as by Veterans from across the country.

Madam Speaker, it is my honor to recognize Corporal Charles S. Lawler for making the ultimate sacrifice in defense of his country. On behalf of Michigan's First Congressional District, I ask you to join with me in honoring an American hero as he returns home.

RECOGNIZING ROCK FALLS
UNITED METHODIST CHURCH ON
THEIR 150TH ANNIVERSARY

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 25, 2019

Mrs. BUSTOS. Madam Speaker, I rise today to recognize the 150th anniversary of Rock Falls United Methodist Church as they honor August 6, 2019 as "Rock Falls United Methodist Church Day" in the city. On this occasion, I extend my immense gratitude to Reverend Dr. Solomon Sudhaker, the proud leader of this congregation.

Rock Falls United Methodist Church has grown tremendously since its origins in 1869 as the first church in the City of Rock Falls. Since then, it has become an integral part of the city of Rock Falls. In the last 150 years, the church has undergone many transformations—from sharing the wisdom of several different Pastors through the years, to rising from the ashes of a 1922 fire, to the addition of the Education Wing in 1961. The church has prospered and has always remained true to its core mission and values. Rock Falls United Methodist Church has gone above and beyond to enrich our community through their commitment to education, youth and faith.

Madam Speaker, I would once again like to congratulate Rock Falls United Methodist Church on their 150th anniversary. I am proud to know that organizations, such as Rock Falls United Methodist Church, continue to flourish and strengthen our community.

IN RECOGNITION OF THE 100TH
YEAR OF BOY SCOUT TROOP 2
OF APPLETON, WISCONSIN'S
CHARTER

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 25, 2019

Mr. GALLAGHER. Madam Speaker, I rise today to honor Boy Scout Troop 2 of Appleton, Wisconsin as they celebrate the 100th year of the Troop's charter.

Troop 2 was chartered in 1919 and is the oldest continuous Boy Scout Troop in the Fox Valley. While four other troops were also chartered in 1919, only Troop 2 has continuously held meetings. The longest serving Scoutmaster, Harold Brown, kept the Troop active from 1925–1962 through the Great Depression, World War II, and the Korean War. Today the Troop boasts over 50 members.

Throughout the years, Troop 2 has remained committed to preparing young people to become leaders in their community. Over 120 Eagle Scouts hail from Troop 2. In addition, several Troop members have earned the Order of the Arrow, a Scout Achievement Award based on peer-recognition that places a scout in the top percentiles of Scouting.

Each year, Troop 2 dedicates countless hours to serving the community. Scouts volunteer at local nature reserves and YMCAs, and assist in trash and recycling efforts for community events such as Oktoberfest and Mile of Music. The scouts also go camping once a month and participate in weekly Troop meetings.

Madam Speaker, it is my privilege to rise in recognition of the 100-year celebration of Boy Scout Troop 2's charter. I would like to thank current Scoutmaster Ron Litsheim for his dedication to the success of Troop 2, and to the scouts for their service to and leadership throughout the community.

AMERICAN ASSOCIATION OF
GEOGRAPHERS RESOLUTION ON
CLIMATE CHANGE

HON. JAMES P. MCGOVERN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 25, 2019

Mr. MCGOVERN. Madam Speaker, I rise to include in the RECORD the following resolution on climate change, adopted by the American Association of Geographers on April 3, 2019.

[From the American Association of Geographers, April 3, 2019]

AAG RESOLUTION ON CLIMATE CHANGE 1
(Adopted by the AAG Council)

Whereas: The American Association of Geographers (AAG) is a nonprofit scientific and educational society founded in 1904 with close to 12,000 members in 2019 who are located in the United States and nearly 100 other countries;

Whereas: The objectives of the Association are to further professional investigations in geography and to encourage the application of geographic findings in education, government, and business;

Whereas: Gilbert F. White (1911–2006) was among the most distinguished and honored American geographers of the 20th Century who stimulated efforts to foster and improve human adjustments to the risks of our endangered planet through better-informed public and private sector decision-making;

Whereas: Gilbert F. White was awarded the National Medal of Science by President Clinton in 2000 for "major contributions to the study of water systems in developing countries, global environmental change, international cooperation, nuclear winter, geography education and the mitigation of natural hazards including earthquakes, hurricanes, and drought;"

Whereas: The planet is now experiencing more frequent, more intense, and more costly disasters associated with anthropogenic climate change in the forms of prolonged drought, wildfires, intensified hurricanes, coastal and river flooding and extreme temperatures. Deglaciation of mountainous regions threatens water supplies and hydropower generation for hundreds of millions of people in Asia, Europe, western Latin America, and the Pacific Northwest. Accelerated melting of Arctic and Antarctic land ice will cause rising sea levels to inundate portions of coastal cities worldwide by mid-century;

Whereas: At the global scale, the last four years have been the hottest on record. One-fifth of all corals have died in the past three years. World carbon emissions rose 2.7 percent in 2018 despite efforts by many nations to meet the goals of the 2016 Paris Climate Agreement;

Whereas: As climate change renders vast areas of the globe uninhabitable, mass population migrations and competition for water, arable land, and living space will heighten the likelihood of armed conflict, either conventional or nuclear;

Whereas: Gilbert F. White challenged professional geographers to study and communicate the risks of our endangered planet and to help stimulate responsible policies and decisions by all sectors of human society;

Therefore be it resolved that: In the spirit of Gilbert F. White, the American Association of Geographers urges the Government of the United States to resume its leadership in combating climate change, including (but not limited to) strategies that:

1. Recognize human activities as the pre-eminent cause of accelerating climate change, as emphatically concluded by the International Panel on Climate Change (IPCC) and the Fourth U.S. National Climate Assessment, among many other authoritative studies around the world;

2. Reaffirm U.S. commitment to the Paris Climate Agreement, and—in cooperation with the international community—intensify efforts to limit emissions of greenhouse gasses to control further rise in global temperatures;

3. Ratify Kigali Amendment of the Montreal Protocol to limit hydrofluorocarbon (HFC) production and consumption;

4. Encourage transition of the U.S. economy to embrace energy conservation and substitution of sustainable energy sources in place of fossil fuels;

5. Reduce greenhouse gas (GHG) emissions through incentives, taxes, regulations, public transit, carbon recapture and other means;

6. Promote continued innovation by states and local governments and the private sector to conserve energy and reduce dependence on fossil fuels (e.g. through "LEED" green building codes, reforestation and reduced deforestation, watershed management, sustainable transportation, and other means);

7. Stimulate public and private sector decision-makers to prepare for rapid-onset impacts of climate change (e.g. wildfire, electrical grid failure, fuel and water shortages, and coastal flooding) through enhanced emergency response, relief, and recovery capabilities;

8. Reaffirm that climate change policy at all levels of society from international to local must be based on sound, verifiable science as reflected in the IPCC reports, the U.S. National Climate Assessment Reports, and other authoritative studies by scientists around the world;

Be it further resolved that: The AAG will publicize this resolution to government leaders, to other scientific bodies, and to the general public through a press release and other available means. The MG should further encourage its membership to stimulate public understanding of climate change and its potential impacts (including armed conflicts) through relevant research, teaching, publications, and participation in public forums, study panels, oped columns, blog posts, and other available means.

HONORING FORMER POSTMASTER LOUIS A. JACKSON

HON. STACEY E. PLASKETT

OF THE VIRGIN ISLANDS
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 25, 2019

Ms. PLASKETT. Madam Speaker, I rise today to honor former Postmaster Louis A. Jackson, a native son of the Virgin Islands who dedicated 46 years of his life to the United States Postal Service and serving the American people. During his time with the Postal Service, Mr. Louis Jackson was integral in the building of new post offices, expanding delivery routes, and has served as a mentor for many.

An accomplished and venerable Postmaster, he made a significant difference to the postal system throughout the Virgin Islands and is a three-time winner of the Postal Service's prestigious National Benjamin Award. Many in the community relied on the steady hand and calm demeanor of Mr. Jackson in resolving postal and other issues in the community.

Outside of the Postal Service, Postmaster Jackson is an active member of the community. He has served as a mentor and counselor for the countless young people in the Virgin Islands and taught martial arts to over 3000 students. He also served as the Chairman of the St. Croix chapter of the American Cancer Society, Vice President of the National League of Postmasters, and much more. Postmaster Louis Jackson has lived his life enriching his community and it is my honor on behalf of the 116th Congress and everyone who has been touched by his work and kind spirit, to say thank you.

COMMEMORATING WORLD RANGER DAY

HON. TOM MCCLINTOCK

OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 25, 2019

Mr. MCCLINTOCK. Madam Speaker, I rise to observe World Ranger Day, which will be commemorated on July 31, 2019.

World Ranger Day was first designated in 2007 as a day to honor Rangers across the globe who have died in the line of duty while protecting the world's historic and natural wonders.

I am honored to represent just a few of these landmarks in my district, including Yosemite and Kings Canyon National Parks. The Rangers who patrol these parks work tirelessly to protect visitors, promote recreation, and preserve these majestic natural and cultural resources. They are the eyes, ears, and often the first responders across these lands; combatting animal poaching, vandalism, and even wildfires on the frontlines of conservation. Rangers counter these threats not just on our own public lands, but across the globe.

From Harry Yount, the father of the ranger service and the first national park ranger, to the Buffalo Soldiers who fought wildfires and poachers in Yosemite and Sequoia National Parks, rangers have long recognized the need to safeguard our most vital lands. It is our duty to uphold the legacy and example of fallen rangers and do our part to be responsible stewards of our stunning natural wonders.

As President Theodore Roosevelt observed, "We have fallen heirs to the most glorious heritage a people ever received, and each one must do his part if we wish to show that the nation is worthy of its good fortune." Our Rangers have gone above and beyond to live up to this call, and we owe them a great debt of gratitude.

FRANK RIESINGER

HON. KEVIN HERN

OF OKLAHOMA
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 25, 2019

Mr. KEVIN HERN of Oklahoma. Madam Speaker, I rise today in honor of Frank Riesinger and the valuable contributions he makes to our community.

Mr. Riesinger served as an airman in World War II and has been the driving force behind the V-J Day celebrations here in Broken Arrow, commemorating the end of World War II on August 14th, 1945.

Mr. Riesinger recalls America's great Victory Over Japan from when he was just an 18-year-old airman home in Tulsa on furlough. He remembers standing in his dad's office downtown when he heard an uproar coming from the streets and saw Tulsans celebrating with shouts and car horns, making celebratory noise with whatever they could. This memory has inspired him to continue celebrating that triumphant day.

Thanks to Mr. Riesinger, V-J Day has been commemorated by Oklahomans for the past four years through this wonderful event. I appreciate his work to make sure that this monumental day for the U.S. and Oklahomans, is still remembered.

Although V-J Day is not nationally recognized, the Broken Arrow City Council issued a proclamation making August 14th V-J Day Celebration Day for Oklahomans.

I am grateful for Mr. Riesinger's service to our country and community. Mr. Riesinger's impact on Oklahomans is one that will never be forgotten.

HONORING MENDOCINO COAST CLINICS

HON. JARED HUFFMAN

OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 25, 2019

Mr. HUFFMAN. Madam Speaker, I rise today in recognition of Mendocino Coast Clinics on the 25th anniversary of their founding. Since 1994, Mendocino Coast Clinics has provided quality, patient-centered affordable health care.

Originally part of Mendocino County Public Health Services, a group of volunteers came together to form the nonprofit that established Mendocino Coast Clinics on July 1, 1994. That original group became the first board of directors of the new health center, which served 2,500 patients with a staff of seven. Today, Mendocino Coast Clinics serves more than 10,000 patients and is the third-largest employer in the city of Fort Bragg.

Mendocino Coast Clinics provided behavioral health services to the medical services when its doors opened in 1994, and expanded to provide much-needed dental services in 1996. Throughout the past 25 years, Mendocino Coast Clinics has continued to fill medical services gaps in the Fort Bragg and surrounding communities, including obstetrics, pediatrics, and a confidential reproductive health care clinic for teens and young adults. Today, Mendocino Coast Clinics continues to provide these comprehensive services to the community.

Madam Speaker, Mendocino Coast Clinics has for 25 years been a tireless champion for health care in coastal Mendocino County, meeting the needs of the community's most vulnerable populations. Therefore, please join me in recognizing this valuable organization and wishing them success for many more years to come.

IN RECOGNITION OF LEONARD SAUER'S 100TH BIRTHDAY

HON. MIKE GALLAGHER

OF WISCONSIN
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 25, 2019

Mr. GALLAGHER. Madam Speaker, today I rise to recognize the celebration of Leonard Sauer's 100th birthday.

Leonard was born on August 15, 1919. He owns and operates Village View Dairy Farm in Kellnersville, Wisconsin. Leonard considers himself a lifelong farmer, recalling the days growing up on the farm where he worked from 7 in the morning to 6 at night year-round. When he wasn't working on the farm, Leonard and his brother enjoyed watching the local baseball team.

On November 12, 1947, Leonard married his wife, Helen and they cherished 64 years of marriage together. The couple raised two sons, Gary and John. Leonard built the farmhouse the family lived in from the ground.

An active member of the community, Leonard still attends mass at St. Joseph's Catholic Church every Sunday and regularly attends meetings for the Western Fraternal Life Association, which he has been a member of for over 70 years.
