

Here we have a wall that has cut illegal immigration down to almost nothing in Israel.

I was not able to find a wall, which has also been successful—I have got to get a picture. We will be back next week with a picture of a wall between Jordan and Syria.

Madam Speaker, you might say: Why are you talking about a wall between Jordan and Syria? Because a lot of that wall was paid for by the United States.

Now, why did the United States have no problem funding a wall in San Diego or a wall in Sasabe or upgrading the wall in Nogales? Many of my colleagues on the right side of me here had no problem voting for these walls. But there is something different about these walls from the walls President Trump wants. These walls were proposed by somebody other than President Trump.

When it was President Clinton proposing to build a wall in San Diego, people didn't say it was immoral to have a wall.

When President Obama was extending or upgrading the wall in Nogales, Arizona, people didn't say: "President Obama is an immoral person. Walls look bad." You never even heard about it. I didn't know about it until a couple weeks ago.

When you have a wall going up in Sasabe, which desperately has to be extended, that wall was built under President Bush, under appropriation bills, and not a peep. Nobody said it was immoral when President Bush built a wall.

So, Madam Speaker, now we get down to, I reluctantly conclude, because I have to wonder when you have these other successful walls around the world, when we have no problem voting for walls for Jordan for goodness' sake, why, all of a sudden in this large budget—and every budget has things in it we don't like. Why, all of a sudden, do we go through all this heartburn, put all these Federal employees through financial distress, why do we do it when, in the past, we have built walls all the time? I have to conclude, sadly, part of it is some people want President Trump to fail.

The fact that not building a wall means all that much more heroin across the border, it means many more people sneaking across the border or escorted across the border by the Mexican cartels—and, by the way, today the Mexican cartels run the border.

So to come in this country means you are hostage for awhile to the Mexican cartels, which may be one of the reasons why they don't do a very good job of protecting the women down there. It is why it can be very expensive for people. It is why people who try to escort you across the border who aren't a member of the cartel, if they are caught, will be killed and, apparently, in some cases, skinned alive. But we don't want to stop the current situation.

Again, the folks back home will have to wonder: Why can people build a wall

in Jordan, why can we let President Clinton build a wall in San Diego which is very effective, why can we let President Bush build a wall, why can we let President Obama upgrade our walls, but all of a sudden, President Trump becomes President and we have to have a shutdown because we can't vote for a budget with a wall in it?

I have voted for spending bills under chief executives who were Democrats and Republicans, and I usually agree with the Republicans, but it never occurred to me to vote against a spending bill because I didn't like other policies of the chief executive.

So here we have it, Madam Speaker. We will refresh your memory one more time: walls work. They work in Israel; they work in San Diego; and they work in Nogales.

We have paid for many walls both in this country and in other countries; and other countries build walls, and they are successful.

If we do not build a wall, we will continue to have people starve as they try to come in here inappropriately. We will continue to have bad people come across the border who commit crimes. We will continue to have people come across the border who are here for our generous welfare benefits.

This is something that didn't occur to me until I got down to the border and talked to Customs. They said that, when you look in people's wallets and you look in people's purses, they find food stamps—EBT cards—in those purses. In other words, people are coming here to get our welfare benefits.

It would be much better if we completed the wall and funneled people through the normal entry points so we could keep some of the criminal element out of the country, so we could keep people who are coming here just to take advantage of our generous medical systems—all with Federal dollars going into this that our Governor of California and mayor of New York are so eager to give away—so we can solve this crisis.

All it takes is somebody to be willing to pass a budget, a budget that is too free-spending otherwise, by the way. I don't like all the excessive spending in the budget, but every budget is a compromise, and we are willing to build the wall.

I hope, in the interim, that my colleagues who at least are pretending now to care about the Federal employees will bring a separate bill to the floor, which they can do at any time. A wonderful bill, H.R. 271, MO BROOKS, a great guy, bring that bill to the floor so we can pay the Coast Guard, we can pay the guys and gals working in the Federal prisons, and we can pay the TSA guys. So, Madam Speaker, even if you don't feel like spending anything on the wall today, at least they can get paid for the work they are doing.

Madam Speaker, you are crying crocodile tears if you do not cosponsor those bills and bring those bills to the floor but then claim that you have

sympathy for the Federal employees. We do not have to solve the other issues to get these people paid.

Madam Speaker, I yield back the balance of my time.

HOUR OF MEETING ON TOMORROW, AND ADJOURNMENT FROM FRIDAY, JANUARY 25, 2019, TO MONDAY, JANUARY 28, 2019

Mr. SWALWELL of California. Madam Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 2 p.m. tomorrow, and further, when the House adjourns on that day, it adjourn to meet on Monday next, when it shall convene at noon for morning-hour debate and 2 p.m. for legislative business.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

RULES OF THE COMMITTEE ON WAYS AND MEANS FOR THE 116TH CONGRESS

COMMITTEE ON WAYS AND MEANS,
HOUSE OF REPRESENTATIVES,
Washington, DC, January 24, 2019.

Hon. NANCY PELOSI,
Speaker of the House, House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER: Pursuant to Rule XI, Clause 2(a) of the Rules of the House of Representatives, I respectfully submit the rules of the 116th Congress for the Committee on Ways and Means for publication in the Congressional Record. The Committee adopted these rules by voice vote, with a quorum being present, at our organizational meeting on Thursday, January 24, 2019.

Sincerely,

RICHARD E. NEAL,
Chairman.

A. GENERAL

RULE 1. APPLICATION OF HOUSE RULES

The rules of the House are the rules of the Committee on Ways and Means and its subcommittees so far as applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is a non-debatable motion of high privilege in the Committee.

Each subcommittee of the Committee is part of the Committee and is subject to the authority and direction of the Committee and to its rules so far as applicable. Written rules adopted by the Committee, not inconsistent with the Rules of the House, shall be binding on each subcommittee of the Committee.

The provisions of rule XI of the Rules of the House are incorporated by reference as the rules of the Committee to the extent applicable.

RULE 2. MEETING DATE AND QUORUMS

The regular meeting day of the Committee on Ways and Means shall be each Wednesday while the House is in session. However, the Committee shall not meet on the regularly scheduled meeting day if there is no business to be considered.

A majority of the Committee constitutes a quorum for business; provided however, that two Members shall constitute a quorum at any regularly scheduled hearing called for the purpose of taking testimony and receiving evidence. In establishing a quorum for

purposes of a public hearing, every effort shall be made to secure the presence of at least one Member each from the majority and the minority.

The Chairman of the Committee may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet pursuant to the call of the Chair.

RULE 3. COMMITTEE BUDGET

For each Congress, the Chairman, in consultation with the Majority Members of the Committee, shall prepare a preliminary budget. Such budget shall include necessary amounts for staff personnel, travel, investigation, and other expenses of the Committee. After consultation with the Minority Members, the Chairman shall include an amount budgeted by Minority Members for staff under their direction and supervision.

RULE 4. PUBLICATION OF COMMITTEE DOCUMENTS

Any Committee or Subcommittee print, document, or similar material prepared for public distribution shall either be approved by the Committee or Subcommittee prior to distribution and opportunity afforded for the inclusion of supplemental, minority or additional views, or such document shall prominently display near the top of its cover the following: "Majority [or Minority] Staff Report," as appropriate.

The requirements of this rule shall apply only to the publication of policy-oriented, analytical documents, and not to the publication of public hearings, legislative documents, documents which are administrative in nature or reports which are required to be submitted to the Committee under public law. The appropriate characterization of a document subject to this rule shall be determined after consultation with the Minority.

RULE 5. OFFICIAL TRAVEL

Consistent with the primary expense resolution and such additional expense resolution as may have been approved, the provisions of this rule shall govern official travel of Committee Members and Committee staff. Official travel to be reimbursed from funds set aside for the full Committee for any Member or any Committee staff member shall be paid only upon the prior authorization of the Chairman. Official travel may be authorized by the Chairman for any Member and any Committee staff member in connection with the attendance at hearings conducted by the Committee, its Subcommittees, or any other Committee or Subcommittee of the Congress on matters relevant to the general jurisdiction of the Committee, and meetings, conferences, facility inspections, and investigations which involve activities or subject matter relevant to the general jurisdiction of the Committee. Before such authorization is given, there shall be submitted to the Chairman in writing the following:

- (1) The purpose of the official travel;
- (2) The dates during which the official travel is to be made and the date or dates of the event for which the official travel is being made;
- (3) The location of the event for which the official travel is to be made; and
- (4) The names of the Members and Committee staff seeking authorization.

In the case of official travel of Members and staff of a Subcommittee to hearings, meetings, conferences, facility inspections and investigations involving activities or subject matter under the jurisdiction of such Subcommittee, prior authorization must be obtained from the Subcommittee Chairman

and the full Committee Chairman. Such prior authorization shall be given by the full Committee Chairman only upon the representation by the applicable Subcommittee Chairman in writing setting forth those items enumerated above.

Within 60 days of the conclusion of any official travel authorized under this rule, there shall be submitted to the full Committee Chairman a written report covering the information gained as a result of the hearing, meeting, conference, facility inspection or investigation attended pursuant to such official travel.

RULE 6. AVAILABILITY OF COMMITTEE RECORDS AND PUBLICATIONS

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule VII of the Rules of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of Rule VII, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any Member of the Committee. The Committee shall, to the maximum extent feasible, make its publications available in electronic form.

RULE 7. COMMITTEE WEBSITE

The Chairman shall maintain an official Committee website for the purpose of furthering the Committee's legislative and oversight responsibilities, including communicating information about the Committee's activities to Committee members, other members of the House and the public. The ranking minority member may maintain a similar website for the same purpose, including communicating information about the activities of the minority to Committee members, other members of the House, and the public.

Said oversight jurisdiction shall not be exclusive but shall be concurrent with that of the other Subcommittees. With respect to matters involving the Internal Revenue Code and other revenue issues, said concurrent jurisdiction shall be shared with the full Committee. Before undertaking any investigation or hearing, the Chairman of the Subcommittee on Oversight shall confer with the Chairman of the full Committee and the Chairman of any other Subcommittee having jurisdiction.

RULE 9. COMMITTEE PANELS

Subject to clause 5(b)(2)(C) of Rule X of the Rules of the House, the Chairman may designate a select panel of the Committee to inquire into and take testimony on matters of special national interest. Any such panel shall be subject to all Committee rules herein and shall not have legislative jurisdiction.

Any select panel designated under this rule shall continue in existence for six months after the date of the designation and may be reauthorized in the discretion of the Chair for subsequent six month terms.

RULE 10. EX-OFFICIO MEMBERS OF SUBCOMMITTEES

The Chairman of the full Committee and the Ranking Minority Member may sit as ex-officio Members of all Subcommittees. They may be counted for purposes of assisting in the establishment of a quorum for a Subcommittee. However, their absence shall not count against the establishment of a quorum by the regular Members of the Subcommittee. Ex-officio Members shall neither vote in the Subcommittee nor be taken into consideration for the purposes of determining the ratio of the Subcommittee.

RULE 11. SUBCOMMITTEE MEETINGS

Insofar as practicable, meetings of the full Committee and its Subcommittees shall not conflict. Subcommittee Chairmen shall set meeting dates after consultation with the Chairman of the full Committee and other Subcommittee Chairmen with a view towards avoiding, wherever possible, simultaneous scheduling of full Committee and Subcommittee meetings or hearings.

RULE 12. REFERENCE OF LEGISLATION AND SUBCOMMITTEE REPORTS

Except for bills or measures retained by the Chairman of the full Committee for full Committee consideration, every bill or other measure referred to the Committee shall be referred by the Chairman of the full Committee to the appropriate Subcommittee in a timely manner.

No measure reported by a Subcommittee shall be considered by the full Committee unless it has been presented to all Members

of the full Committee at least two legislative days prior to the full Committee's meeting, together with a comparison with present law, a section-by-section analysis of the proposed change, a section-by-section justification, and a draft statement of the budget effects of the measure that is consistent with the requirements for reported measures under clause 3(d)(1) of Rule XIII of the Rules of the House of Representatives.

RULE 13. RECOMMENDATION FOR APPOINTMENT OF CONFEREES

Whenever in the legislative process it becomes necessary to appoint conferees, the Chairman of the full Committee shall recommend to the Speaker as conferees the names of those Committee Members as the Chairman may designate. In making recommendations of Minority Members as conferees, the Chairman shall consult with the Ranking Minority Member of the Committee.

C. HEARINGS

RULE 13. WITNESSES

In order to assure the most productive use of the limited time available to question hearing witnesses, a witness who is scheduled to appear before the full Committee or a Subcommittee shall file with the Clerk of the Committee at least 48 hours in advance of his or her appearance a written statement of their proposed testimony. In addition, all witnesses shall comply with formatting requirements as specified by the Committee and the Rules of the House. Failure to comply with the 48-hour rule may result in a witness being denied the opportunity to testify in person. Failure to comply with the formatting requirements may result in a witness' statement being rejected for inclusion in the published hearing record. In addition to the requirements of clause 2(g)(5) of Rule XI of the Rules of the House regarding information required of public witnesses, a witness shall limit his or her oral presentation to a summary of their position and shall provide sufficient copies of their written statement to the Clerk for distribution to Members, staff and news media.

A witness appearing at a public hearing, or submitting a statement for the record of a public hearing, or submitting written comments in response to a published request for comments by the Committee must include in their statement or submission, a list of all clients, persons or organizations on whose behalf the witness appears. Oral testimony and statements for the record, or written comments in response to a request for comments by the Committee, will be accepted only from citizens of the United States or corporations or associations organized under the laws of one of the 50 States of the United States or the District of Columbia, unless otherwise directed by the Chairman of the full Committee or Subcommittee involved. Written statements from noncitizens may be considered for acceptance in the record if transmitted to the Committee in writing by Members of Congress.

RULE 14. QUESTIONING OF WITNESSES

Committee Members may question witnesses only when recognized by the Chairman for that purpose. All Members shall be limited to five minutes on the initial round of questioning. In questioning witnesses under the five minute rule, the Chairman and the Ranking Minority Member shall be recognized first, after which Members who are in attendance at the beginning of a hearing will be recognized in the order of their seniority on the Committee. Other Members shall be recognized in the order of their appearance at the hearing. In recognizing Members to question witnesses, the Chairman may take into consideration the ratio

of Majority Members to Minority Members and the number of Majority and Minority Members present and shall apportion the recognition for questioning in such a manner as not to disadvantage Members of the Majority.

RULE 15. SUBPOENA POWER

The power to authorize and issue subpoenas is delegated to the Chairman of the full Committee, as provided for under clause 2(m)(3)(A)(i) of Rule XI of the Rules of the House of Representatives.

RULE 16. RECORDS OF HEARINGS

An accurate stenographic record shall be kept of all testimony taken at a public hearing. The staff shall transmit to a witness the transcript of his or her testimony for correction and immediate return to the Committee offices. Only changes in the interest of clarity, accuracy and corrections in transcribing errors will be permitted. Changes that substantially alter the actual testimony will not be permitted. Members shall have the opportunity to correct their own remarks before publication. The Chairman of the full Committee may order the printing of a hearing without the corrections of a witness or Member if he determines that a reasonable time has been afforded to make corrections and that further delay would impede the consideration of the legislation or other measure that is the subject of the hearing.

RULE 17. BROADCASTING OF HEARINGS

The provisions of clause 4(f) of Rule XI of the Rules of the House of Representatives are specifically made a part of these rules by reference. In addition, the following policy shall apply to media coverage of any meeting of the full Committee or a Subcommittee:

(1) An appropriate area of the Committee's hearing room will be designated for members of the media and their equipment.

(2) No interviews will be allowed in the Committee room while the Committee is in session. Individual interviews must take place before the gavel falls for the convening of a meeting or after the gavel falls for adjournment.

(3) Day-to-day notification of the next day's electronic coverage shall be provided by the media to the Chairman of the full Committee through an appropriate designee.

(4) Still photography during a Committee meeting will not be permitted to disrupt the proceedings or block the vision of Committee Members or witnesses.

(5) Further conditions may be specified by the Chairman.

D. MARKUPS

RULE 18. PREVIOUS QUESTION

The Chairman shall not recognize a Member for the purpose of moving the previous question unless the Member has first advised the Chair and the Committee that this is the purpose for which recognition is being sought.

RULE 19. POSTPONEMENT OF PROCEEDINGS

The Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment.

The Chairman may resume proceedings on a postponed request at any time. In exercising postponement authority the Chairman shall take reasonable steps to notify Members on the resumption of proceedings on any postponed record vote.

When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

RULE 20. MOTION TO GO TO CONFERENCE

The Chairman is authorized to offer a motion under clause 1 of rule XXII of the Rules

of the House of Representatives whenever the Chairman considers it appropriate.

RULE 21. OFFICIAL TRANSCRIPTS OF MARKUPS AND OTHER COMMITTEE MEETINGS

An official stenographic transcript shall be kept accurately reflecting all markups and other official meetings of the full Committee and the Subcommittees, whether they be open or closed to the public. This official transcript, marked as "uncorrected," shall be available for inspection by the public (except for meetings closed pursuant to clause 2(g)(1) of Rule XI of the Rules of the House), by Members of the House, or by Members of the Committee together with their staffs, during normal business hours in the full Committee or Subcommittee office under such controls as the Chairman of the full Committee deems necessary.

The Chairman may provide a Member of the Committee with electronic access to an unofficial transcript of an open markup or other open official meeting of the full Committee or a Subcommittee upon written request by the Member to the Chairman, but the Member shall not cause such electronic unofficial transcript to be published or otherwise made publically available.

If (1) in executing technical and conforming changes, the Office of the House Legislative Counsel or (2) in the preparation of a Committee report, the Chief of Staff of the Joint Committee on Taxation determines (in consultation with appropriate majority and minority committee staff) that it is necessary to review the official transcript of a markup, such transcript may be released upon the signature and to the custody of an appropriate committee staff person. Such transcript shall be returned immediately after its review in the drafting session.

The official transcript of a markup or Committee meeting other than a public hearing shall not be published or distributed to the public in any way except by a majority vote of the Committee. Before any public release of the uncorrected transcript, Members must be given a reasonable opportunity to correct their remarks. In instances in which a stenographic transcript is kept of a conference committee proceeding, all of the requirements of this rule shall likewise be observed.

E. STAFF

RULE 22. SUPERVISION OF COMMITTEE STAFF

The staff of the Committee shall be under the general supervision and direction of the Chairman of the full Committee except as provided in clause 9 of Rule X of the Rules of the House of Representatives concerning Committee expenses and staff.

Pursuant to clause 6(d) of Rule X of the Rules of the House of Representatives, the Chairman of the full Committee, from the funds made available for the appointment of Committee staff pursuant to primary and additional expense resolutions, shall ensure that each Subcommittee receives sufficient staff to carry out its responsibilities under the rules of the Committee, and that the minority party is fairly treated in the appointment of such staff.
