NOT VOTING—5

Hunter	Nadler	Shimkus

□ 1621

Mrs. CAROLYN B. MALONEY of New York changed her vote from “yea” to “nay.”

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. BUTTERFIELD. Madam Speaker, with respect to the vote on H.R. 5377, I was unavoidably delayed. I was in the Speaker’s lobby at the time of the vote, and when I entered the Chamber, the vote had concluded.

Had I been on the floor, Madam Speaker, I would have voted “aye.”

FURTHER MESSAGE FROM THE SENATE

A message from the Senate by Ms. Byrd, one of its clerks, announced that the Senate agrees to the House amendment to the Senate amendment to the bill (H.R. 1865) “An Act to require the Secretary of the Treasury to mint a coin in commemoration of the opening of the National Law Enforcement Museum in the District of Columbia, and for other purposes.”

The message also announced that the Senate has passed a bill of the following title in which the concurrence of the House is requested:

S. 1822. An Act to require the Federal Communications Commission to issue rules relating to the collection of data with respect

to the availability of broadband services, and for other purposes.

The message also announced that the Senate agrees to the amendment of the House of Representatives to the bill (S. 151) “An Act to deter criminal robocall violations and improve enforcement of section 227(b) of the Communications Act of 1934, and for other purposes.”

RESIGNATION AS MEMBER OF PERMANENT SELECT COMMITTEE ON INTELLIGENCE

The SPEAKER pro tempore laid before the House the following resignation as a member of the Permanent Select Committee on Intelligence:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, December 19, 2019.

HON. NANCY PELOSI,
Speaker, House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER: I hereby resign from the Permanent Select Committee on Intelligence, effective today.

Sincerely,

JIM JORDAN,
Member of Congress.

The SPEAKER pro tempore. Without objection, the resignation is accepted. There was no objection.

APPOINTMENT OF MEMBER TO PERMANENT SELECT COMMITTEE ON INTELLIGENCE

The SPEAKER pro tempore. The Chair announces the Speaker’s appointment, pursuant to clause 11 of rule X, clause 11 of rule I, and the order of the House of January 3, 2019, of the following Member of the House to the Permanent Select Committee on Intelligence:

Mr. CRAWFORD, Arkansas, to rank after Mr. STEWART of Utah.

PROTECTING HAWAII’S UNIQUE AND FRAGILE ENVIRONMENT

(Mr. CASE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CASE. Madam Speaker, I rise today to introduce my bill to protect one of the most unique and fragile environments on Earth, my Hawaii, from devastating invasive species.

Isolated Hawaii has one of the highest number and rate of endemic species anywhere. Invasive species have wreaked havoc on our natural environment as well as Hawaii agriculture.

In the last 200 years alone, countless plant and animal species have gone extinct, in large part because of invasives.

Leading countries have required strict invasive prevention measures. Even the continental United States requires inspections of goods from Hawaii to prevent the introduction of species that may damage mainland crops.

Yet, Hawaii’s prevention regime is weak. My bill simply says that if these

invasive species prevention requirements are good enough for the rest of the country and much of the world, then they are good enough for Hawaii.

INDICTING CONGRESS FOR ABUSE OF POWER

(Mr. MASSIE asked and was given permission to address the House for 1 minute.)

Mr. MASSIE. Madam Speaker, just a few hours ago, this body voted for impeachment, so I rise today to speak about an abuse of power.

Congress has the sole power to declare war and the awesome responsibility to decide when, where, and for what purposes our soldiers will be asked to give their lives. Eighteen years ago, this body misappropriated that power by issuing an open-ended authorization to commit our soldiers to fight anywhere on the globe.

The so-called war on terror has claimed the lives of more American soldiers than lives of civilians who were lost on 9/11, not to mention over 100,000 lives of foreigners not associated with terror.

In the last week, this Chamber has passed over 6,000 pages of legislation, and it spent over a trillion dollars. Tragically, we just funded the 19th year of the war in Afghanistan, without changing or even defining a strategy for winning or ending that war.

So I close by indicting this very body for an abuse of power: abuse of our war powers and abuse of our power of the purse.

USMCA FAILS TO ADDRESS CLIMATE CRISIS

(Mr. TONKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TONKO. Madam Speaker, I rise today in opposition to the United States-Mexico-Canada Agreement.

While I am grateful that congressional Democrats worked very hard to improve the initial agreement, it still falls short in some critical areas. Let me address one.

There is an undeniable and unbreakable link between trade and climate pollution. Unfortunately, this agreement does not adequately address the ongoing and immediate climate crisis that we face.

For 25 years, we have watched as NAFTA painfully outsourced American jobs. Under this agreement, we will see the continued outsourcing of pollution, undermining our domestic and international efforts to address climate change.

The United States must get serious about this challenge and build international cooperation and commitments through all vehicles available to us, including our trade agreements.

Trade negotiations do not happen frequently, but their impact is felt for generations. I cannot support a deal
