## AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. CUELLAR) at noon.

## PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: Eternal God, we give You thanks for giving us another day.

On this day of the National Prayer Breakfast, we gather as a Nation founded by people of faith. In their wisdom and, we hope, with Your inspiration, our Founders recognized that the power of government ought not be utilized for the advancement of religion, nor validated by religion, but, rather, to guarantee the freedom of citizens to worship as they feel called by God's spirit to do.

From its inception, a predominantly Protestant, colonial population has become a national population of Protestants, Catholics, Jews, Muslims, Mormons, and countless other congregants, Americans all, who have flourished on this continent, not without trials and tribulations.

We pray together that Your blessing continues upon us all and, most especially, on the Members of this assembly, trusting that, in the depths of our hearts, we are seeking to hear Your call in the following of our consciences.

Bless us this day and every day. May all that is done here be for Your greater honor and glory.

Amen.

## THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

## PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from South Carolina (Mr. WILSON) come forward and lead the House in the Pledge of Allegiance.

Mr. WILSON of South Carolina led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain up to 15 requests for 1-minute speeches on each side of the aisle.

## CONGRESS ON YOUR CORNER CONCERN

(Mrs. KIRKPATRICK asked and was given permission to address the House for 1 minute.)

Mrs. KIRKPATRICK. Mr. Speaker, this past weekend, I held a Congress on Your Corner in Tucson, Arizona. I met face-to-face with my constituents at a supermarket. They shared their grave concerns over the President's words and actions.

One woman had never attended an event like this, but she stopped by to tell me she was terrified of losing her health insurance. Another woman was concerned about how inaction on climate change would impact her children.

No one President can solve every issue, but we need a President that unifies and fights for America's future, not divides us by party, economic status, or the country we were born in.

President Trump's address on Tuesday was more of the same. He doubled down on his divisive and destructive agenda with blatant lies. Time and again, he has failed the middle class and misinformed the public from the power pulpit. The President didn't even utter a word about climate change, and he mischaracterized activity at the border.

But I am listening, and I am here to work. I am focused on investing in hardworking families and fighting for people, not corporations. We will have votes on the floor this week that prove our investment in and care for these issues.

## WITHDRAWING FROM INF TREATY

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, President Donald Trump made the courageous decision to withdraw from the Intermediate-Range Nuclear Forces Treaty last week. This was long overdue. Sadly, there have been obvious Russian violations since 2011.

The 1987 INF Treaty was achieved by President Ronald Reagan to prohibit development of ground-launched cruise missiles. The INF Treaty was seen as the gold standard of arms control agreements for years, but Russia has been in violation of the agreement, while we have continued to limit our research and development.

Allowing Russia to violate the INF Treaty endangers American families. Now, Russia will find more incentive to return to the negotiating table, encouraged by Secretary of State Mike Pompeo.

We must continue to seek peace through strength. It was this strategy implemented by President Reagan that prompted Moscow to sign the INF Treaty in the first place.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

## PAY WORKERS WHAT THEY HAVE EARNED

(Mr. HORSFORD asked and was given permission to address the House

for 1 minute and to revise and extend his remarks.)

Mr. HORSFORD. Mr. Speaker, I rise today to speak about legislation that I introduced to protect Nevadans from the pain of another government shutdown.

Federal employees and contractors shouldn't be on the hook for the fees, interest, and fines that pile up when the government shuts down. That is why yesterday I introduced legislation to ensure these workers don't just receive backpay, but they also get paid back for the late fees and overdue rent notices they receive, through no fault of their own, during any government shutdown.

This bill also requires the Federal Government to reimburse States and Tribes for extra funds that they were forced to spend during shutdowns, ensuring Nevada taxpayers aren't picking up the tab when the Federal Government refuses to do so.

The President made clear on Tuesday night that he is willing to create another self-imposed crisis so that he can get money for a border wall. This bill will ensure that our Federal workers and State and Tribal governments aren't footing the bill for that crisis.

SHOW YOUR WORK  
CONGRESSIONAL BUDGET OFFICE

(Mr. DAVIDSON of Ohio asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIDSON of Ohio. Mr. Speaker, the Congressional Budget Office is supposed to help Congress evaluate the fiscal costs and benefits of legislation. Given the weight these scores have on the ability of Members of Congress to make policy decisions, it should be a top priority that the CBO standards are of the highest possible quality.

CBO should improve and could improve the accuracy of its projections by adopting a transparent process that would allow independent experts to provide technical contributions and verify their conclusions, as is the standard for all academic journals.

That is why I have introduced the CBO Show Your Work Act, which would require the CBO to publish online all nonproprietary data, models, and processes utilized in the analysis and scoring of legislation.

CBO is the internal accountant for every Member of Congress. Therefore, Members of Congress, and the public they serve, should have access to the data, models, and processes that create the numbers we rely on.

## RECOGNIZING PAULA MASSEY

(Mr. COX of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COX of California. Mr. Speaker, I rise today in honor of Black History Month. This month, as we pay tribute

to the pioneers, the trailblazers, and the leaders who have helped bend and force the moral arc of our Nation closer to that more perfect Union, I rise to recognize my constituent, Paula Massey of Hanford, California.

Paula is the founder of Women with Visions Unlimited, a nonprofit organization that works with youth in literacy and summer school programs to improve the academic attainment of children in the Central Valley.

Through her organization, Paula raises scholarships for high school seniors; organizes numerous events to empower African-American women; and focuses on bringing awareness to valley fever, an illness deep in and dear to her heart.

Paula lost her son to valley fever in 2017 and quickly realized there was a lack of knowledge about the disease, not only from the community, but from the physicians treating their patients.

Thanks to the advocacy of Paula and many others, in 2018, California Governor Brown signed a bill requiring the California Department of Public Health to create outreach and awareness to educate healthcare providers and physicians in the public about the symptoms and treatment of valley fever.

As Paula put it: “Awareness is the key. In the Central Valley, we are an agriculture community with many open fields where the dust and dirt blow in the air. Unless there is awareness, many more people will contract this disease and not know until it is too late.”

Mr. Speaker, I am proud to represent Paula in the 21st Congressional District.

#### NATIONAL PRAYER BREAKFAST

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, one of the finest American traditions took place this morning, the National Prayer Breakfast.

Penny and I were honored and inspired to join Members of Congress and leaders from across the globe gathered here in Washington, D.C., for what has become an international forum.

Since 1953, the National Prayer Breakfast has united people, nations, religions, and even politicians who come together to celebrate faith, fellowship, and prayer. It is a time where we reflect on faith and focus on the year ahead. It is a time where we put aside differences and unite to pray for our leaders, our friends, and our families.

Every President since President Eisenhower has attended the National Prayer Breakfast, and President Trump delivered excellent remarks this morning, urging the Nation to build a culture that cherishes the dignity and sanctity of life.

President Trump said: “Let us always give thanks for the miracle of life, creation, and the grace of God.”

Mr. Speaker, I agree. It is my hope the unity and fellowship we felt this morning stays with us always in our work and in our lives.

#### HONORING DETECTIVE BILL BREWER AND LIEUTENANT NICK DEROSE

(Mr. WENSTRUP asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WENSTRUP. Mr. Speaker, I rise to honor some of our local heroes. This past weekend in Clermont County, Ohio, two police officers came under fire when responding to a call that was believed to be an attempted suicide. Instead, it turned out to be an ambush.

The gunman lured Detective Bill Brewer, who is remembered in this photo, along with Lieutenant Nick DeRose, into his home, where he proceeded to fire at both deputies through a wall.

Lieutenant Nick DeRose was injured, and Detective Bill Brewer gave his life, in the line of duty. Detective Brewer died trying to help a member of his community, as he always strived to do.

I pray that God will bring comfort to his family; his wife, Jamie; his young son, Braxton; my friend Sheriff Leahy; the Clermont County Sheriff's Department; and all those in our community grieving this loss.

I pray for a speedy recovery for Lieutenant DeRose.

While God has called Bill Brewer away from us, the positive effects of his works in this lifetime shall never perish.

#### ALZHEIMER'S AWARENESS

(Mr. LAHOOD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAHOOD. Mr. Speaker, as the co-chair of the Alzheimer's Working Group on the Ways and Means Committee, I rise today to raise awareness about this disease that has a profound impact on so many families across Illinois and our country.

Alzheimer's is the most common form of dementia, causing issues with memory and behavior. More than 3 million individuals are diagnosed with Alzheimer's per year.

Alzheimer's transcends race, ethnicity, and socioeconomic standing, touching families of all backgrounds. For 2019, more than \$400 million was allocated for research, but it is more than just funding that is needed to find a cure.

As a Member of Congress, I have been proud to support legislation aimed at finding a cure for this disease, such as the RAISE Family Caregivers Act and the BOLD Infrastructure for Alzheimer's Act, both of which were signed into law.

While we have taken important strides to find a cure for this disease, we still have much work to do. I look forward to working with Members on both sides of the aisle to find a cure for this devastating disease.

#### REMEMBERING EDWARD EMBREY, NELSON COUNTY RESCUE SQUAD CAPTAIN

(Mr. RIGGLEMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RIGGLEMAN. Mr. Speaker, today I rise to speak about a great man, a man who was a proud son of my home, Nelson County, Virginia, Edward Embrey, former Faber Volunteer fire chief and Nelson County Rescue Squad captain, after a courageous battle with cancer. His courage reflects how he lived his life.

Raised in my home county of Nelson, Eddie dedicated his life to helping friends and neighbors who found themselves in harm's way. He fought countless wildfires across the Commonwealth and Nation, leading to his commendation as Forest Warden of the Year in Virginia. He was asked to serve as captain of the Nelson County Rescue Squad and chief of the Faber Volunteer Fire Department.

His dedication to public safety and to helping all the men and women of Nelson County should be recognized and commended. He put his life at risk time after time to save people he didn't even know across the entirety of the Commonwealth. Eddie lived a life of selflessness, and for that, we are all thankful.

From me and all those who have served: Rest easy, Chief.

#### GOVERNMENT SHUTDOWN HARMS LEGAL IMMIGRATION

(Mr. SPANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SPANO. Mr. Speaker, I rise today to call on the leadership of both parties to end the possibility of another government shutdown before next Friday.

Many in this Chamber oppose President Trump's plans to secure our border because they believe that doing so would send a negative message, a message that immigrants are not welcome in this Nation. This is simply not true.

Just yesterday, I met with farmers from my district who told me how very much they rely on skilled foreign labor. One farmer in particular advertised 800 jobs and, in fact, did not receive a single American applicant.

These farmers also expressed concern that, if the government shutdown continued, they will be unable to hire workers abroad because the State Department would not conduct the necessary hearings for H-2A visas. This is
