

ROYBAL-ALLARD, and all of our conferees for their diligent work to reach the compromise bill that we are sending to the President's desk tonight.

This legislation promotes 21st century border security and humanitarian support for migrants in detention, alternatives to detention, and family case management.

The American people sent a strong message when they elected a Democratic majority in this House in November, and they want Congress to focus on delivering real results that will benefit the lives of hardworking, middle-class families.
