HERITAGE ACTION FOR AMERICA,
March 6, 2019.

KEY VOTE: "NO" ON THE "FOR THE PEOPLE
ACT" (H.R. 1)

Heritage Action opposes the For The People Act (H.R. 1) and will include it as a key vote on our legislative scorecard.

This week, the House will vote on H.R. 1, the "For The People Act." Lawmakers should not let this legislation's misleading name fool them—it is comprised of unconstitutional and ill-advised policy mandates that the Democratic Party would use to hijack America's election processes. H.R. 1 is a very long, complex bill that is a liberal wish list of "reforms" ranging from voter registration and elections to campaign finance, lobbying, and judicial ethics.

Free and fair elections are the bedrock of American government. They are fundamental to our way of life and confidence in our representative system. H.R. 1 cloaks itself in the guise of transparency and fairness but in reality is a partisan scheme to choke off dissent and squelch Republican candidates and conservative political voices. This bill is aptly "renamed" by Senate Majority Leader Mitch McConnell as the "Democrat Politician Protection Act." It is an unprecedented attempt to seize control of elections through federal government power.

This fundamentally flawed legislation establishes a new taxpayer-funded bailout of political campaigns, weaponizes the Federal Elections Commission by destroying the current bipartisan makeup, and creates a new, subjective category of "campaign-related" speech that is regulated by Washington bureaucrats who are empowered to enforce these regulations with penalties and censorship.

According to The Heritage Foundation, H.R. 1 would implement the following changes:

1. Makes it easier to commit fraud and promotes chaos at the polls through same-day registration, as election officials have no time to verify the accuracy of voter registration information and cannot anticipate the number of voters, ballots, and precinct workers that will be needed to ensure a safe and secure election process.

2. Degrades the accuracy of registration lists by automatically registering individuals from state databases, such as DMV and welfare offices, which provides an opportunity to register large numbers of ineligible voters, including aliens as well as multiple or duplicate registrations of the same individuals.

3. Constitutes a recipe for massive voter registration fraud by hackers and cyber criminals through online voter registration not tied to an existing state record, such as a driver's license.

4. Requires states to count ballots cast by voters outside of their assigned precinct, overriding the precinct system used by almost all states that allows election officials to monitor votes, staff polling places, provide enough ballots, and prevent election fraud.

5. Prevents election officials from checking the eligibility and qualifications of voters and from removing ineligible voters. This includes restrictions on using the U.S. Postal Service's national change-of-address system to verify the address of registered voters; participating in state programs that com-

pare voter registration lists to detect individuals registered in multiple states; or ever removing registrants due to a failure to vote.

6. Cripples the effectiveness of state voter ID laws by allowing individuals to vote without an ID and to merely sign a statement in which they claim they are who they say they are.

7. Expands regulation and government censorship of campaigns and political activity and speech, including online and policy-related speech. H.R. 1 imposes onerous legal and administrative compliance burdens and costs on candidates, citizens, civic groups, unions, corporations, and nonprofit organizations.

8. Requires states to unconstitutionally restore the ability of felons to vote the moment they are out of prison. Section 2 of the 14th Amendment gives states the constitutional authority to decide when felons who committed crimes against their fellow citizens may vote again. Congress cannot override a constitutional amendment with a statute.

9. Transfers the right to draw congressional districts from state legislatures to "independent" commissions whose members are unaccountable to voters. H.R. 1 makes it a violation of federal law to engage in "partisan" redistricting and mandates inclusion of alien population, both legal and illegal, in all redistricting. This is an anti-democratic, unconstitutional measure that takes away the ability of the citizens of a state to make their own decision about redistricting.

10. Violates separation of powers and directly interfere with the President's constitutional duties. H.R. 1 bans his political appointees, such as the Attorney General, from participating in, directing the defense of, or assisting in any matter (including lawsuits against a President's policies, programs, executive orders, or his enforcement of the law) in which the President is named as a party."

Although Democrats are promoting H.R. 1 as a bill that would "strengthen our democracy and return political power to the people", it is an anti-democratic bill that would wreak havoc on our election system by manipulating election rules in favor of Democrats. It is nothing but a progressive power grab and Heritage Action urges all House Members to vote against it.

Heritage Action opposes the For the People Act (H.R. 1) and will include it as a key vote on our legislative scorecard.

Mr. RODNEY DAVIS of Illinois. I am not going to oppose this amendment, and it has been great debating with the other side tonight. I look forward to a livelier debate tomorrow.

Mr. Chair, I yield back the balance of my time.

Ms. SLOTKIN. Mr. Chair, I appreciate the spirit of the gentleman from Illinois and look forward to working with everyone.

Mr. Chair, I yield back the balance of my time.

The CHAIR. The question is on the amendment offered by the gentleman from Michigan (Ms. SLOTKIN).

The amendment was agreed to.

Ms. LOFGREN. Mr. Chair, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Ms. HILL of California) having assumed the chair, Mr. CUELLAR, Chair of the Committee of the Whole House on the state

of the Union, reported that that Committee, having had under consideration the bill (H.R. 1) to expand Americans' access to the ballot box, reduce the influence of big money in politics, and strengthen ethics rules for public servants, and for other purposes, had come to no resolution thereon.

REQUEST TO CONSIDER H.R. 962, BORN-ALIVE ABORTION SUR- VIVORS PROTECTION ACT

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of H.R. 962, the Born-Alive Abortion Survivors Protection Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

Mr. RODNEY DAVIS of Illinois. Madam Speaker, for the sake of innocent lives, I urge the Speaker to immediately schedule this important bill.

The SPEAKER pro tempore. The gentleman is not recognized for debate.

NEVER FORGET THE HEROES ACT

The SPEAKER pro tempore. Under the Speaker's announced policy of January 3, 2019, the gentleman from New York (Mr. ZELDIN) is recognized for 60 minutes as the designee of the minority leader.

GENERAL LEAVE

Mr. ZELDIN. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous materials on the topic of my Special Order.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. ZELDIN. Madam Speaker, I rise today alongside Mr. ROSE, Mrs. MALONEY, Mr. NADLER, Mr. KING of New York, and others, to urge the immediate passage of the Never Forget the Heroes Act, introduced by Representatives CAROLYN MALONEY, NADLER, and KING, which would fully fund and extend the 9/11 Victim Compensation Fund authorization through 2090.

Representatives MALONEY, NADLER, and PETER KING have been stalwart advocates of this effort fighting on behalf of 9/11 victims and their families since the beginning, and it is thanks to their leadership that we passed the Zadroga Act, creating the 9/11 Victim Compensation Fund and why we are still here fighting today.

I can't thank enough and praise enough the leadership of Representatives MALONEY, NADLER, and KING on this very important issue on behalf of the victims of September 11.

James Zadroga was one of those fearless leaders who rose up on 9/11. He was also the first NYPD officer whose death in 2006 was connected to toxic exposure at the World Trade Center site. The James Zadroga 9/11 Health and Compensation Act was later signed into law in 2011 to help our 9/11 first responders.

Madam Speaker, 5 years later, the Zadroga Act was permanently reauthorized and included \$4.6 billion for the 9/11 Victim Compensation Fund

over 5 years, which was established to provide compensation for the victims of 9/11 and their families, and it continues to provide compensation for those suffering from 9/11-related illnesses decades later and their loved ones.

First responders who worked on the pile day and night aiding in the search, rescue, and cleanup efforts were breathing toxic debris and ash that are now known to have caused over 50 different types of cancer. However, last month, the 9/11 Victim Compensation Fund issued an alarming report, which stated its funding was insufficient to compensate all claims, and the fund would have to make severe cuts to awards across the board.

This is unacceptable. And regardless of party affiliation, regardless of which district or State you come from, it is imperative that this legislation is passed and sent to the President immediately to become law so we can ensure these victims receive the compensation they deserve.

This isn't a one-off issue. This isn't just a New York issue. This isn't a Democratic or Republican Party platform or political football. This is a responsibility we all shoulder as Americans, first and foremost. It is the spirit of our Nation, and it is who we are as a people.

It is important to remember that 9/11 first responders live not only in New York, but in 433 out of 435 congressional districts across this country.

These were the very men and women who, in the face of evil, were willing to put it all on the line to help save their fellow Americans, who ran into the towers as everyone else ran out. It is unconscionable that time and again they have been forced to plead their case as to why they are worthy of our support.

People who came down when the Zadroga Act was first getting authorized—sick—weren't there to fight in 2015 when it was permanently reauthorized because they had passed away due to their injuries.

People who were here in 2015 when that fight was made for the Zadroga Act to be permanently reauthorized are not here today to fight for the Victim Compensation Fund because they passed away and succumbed to their injuries.

We should not make them take dozens of trips down here to Washington, D.C., begging for support. Let them stay where they are and take care of their health. That is most important.

It is so important that we immediately passed the Never Forget the Heroes Act, which will ensure these heroes receive the support they have more than earned.

This past September 11, 17 years since the attacks, we came together, as we always do, to remember those who were taken from us that day. But this year marked an especially harrowing occasion. By the end of 2018, more people had died from 9/11-related illnesses than were killed on September 11.

Tonight, we are going to hear from the authors of the Never Forget the Heroes Act, Representatives CAROLYN MALONEY, PETER KING, and JERRY NADLER, and so many others from both sides of the aisle, on why this legislation is important for the victims of 9/11, for their communities, and for our Nation.

In addition to those who are joining us this evening, there are also so many activists and outside organizations fighting on behalf of 9/11 victims and working to ensure they receive full compensation: Jon Stewart, who has traveled to Washington countless times to fight for them and was just here last week; John Feal, from my district, and the FealGood Foundation; and so many more, including the great advocates from organized labor, especially law enforcement and first responders in New York and nationwide.

From everyday men and women in my district to us on the floor of the House of Representatives, it is up to each and every one of us to never forget the men and women whom we lost that day, those whom we have lost since, those suffering from 9/11-related illnesses, and their families.

Madam Speaker, I yield to the gentlewoman from New York (Mrs. CAROLYN B. MALONEY), a fellow New Yorker who has been a stalwart champion of this legislation going all the way back to the passage of the Zadroga Act.

I know our 9/11 first responders, their families, those suffering from 9/11-related illnesses, and all those affected by this dark moment in our Nation's history are so grateful to Mrs. MALONEY for her tireless work on behalf of them.

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I thank the gentleman from New York (Mr. ZELDIN), my friend and colleague, for initiating this Special Order and for bringing us together to speak out in support for the bipartisan Never Forget the Heroes Act, which we must pass in this Congress.

On September 11, 2011, we lost 2,997 people. But the death tolls from 9/11 may be far higher. It seems like every week I hear about the passing of another first responder and survivor. Soon the deaths from 9/11-related illnesses may outnumber those lost on that horrific day.

Thousands more are living with the effects of 9/11, with chronic diseases, with cancer, with a whole host of other 9/11-related illnesses.

Over 10,000 responders and survivors have been certified as having 9/11-related cancers. These are the men and women who rushed in and spent months combing through the wreckage. They are the residents and the workers who were told by the Federal Government, they were told that the air they were breathing was safe when, in fact, it was filled with toxic pollutants.

They are firefighters, police officers, Federal and local law enforcement,
