A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. RYAN. Mr. Speaker, due to a conflict on Thursday, April 4, 2019, I was not present to cast my vote on the Republican Motion to Re-commit on H.R. 1585 and Final Passage of H.R. 1585, the Violence Against Women Re-authorization Act of 2019.

As a cosponsor of H.R. 1585, I wholeheartedly support reauthorization of the Violence Against Women Act (VAWA). Had I been present my vote would have been NAY on Roll Call 155 and YEA on Roll Call 156.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

Mr. WALTZ. Madam Speaker, I urge the Speaker to immediately schedule this important bill.

APPOINTMENT OF MEMBER TO BOARD OF REGENTS OF THE SMITHSONIAN INSTITUTION

The SPEAKER pro tempore. The Chair announces the Speaker's appointment, pursuant to sections 5580 and 5581 of the revised statutes (20 U.S.C. 42–43), and the order of the House of January 3, 2019, of the following Member on the part of the House to the Board of Regents of the Smithsonian Institution:

Mr. SHIMKUS, Illinois

LEGISLATIVE PROGRAM

(Mr. SCALISE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCALISE. Madam Speaker, I will be happy to yield to the gentleman from Maryland (Mr. HOYER), my friend, the majority leader of the House for the purpose of inquiring about the week to come.

Mr. HOYER. Madam Speaker, I thank my friend, Mr. SCALISE, for yielding. I also thank him for not mentioning the LSU-Maryland game one more time.

Mr. SCALISE. Only because we are no longer in the mix as well.

Mr. HOYER. We are both lamenting that fact.

On Monday, Madam Speaker, the House will meet at 12 p.m. for morning-hour debate and 2 p.m. for legislative business, with votes postponed until 6:30 p.m. On Tuesday, the House will meet at 10 a.m. for morning-hour debate and 12 p.m. for legislative business. On Wednesday, the House will meet at 9 a.m. for legislative business.

On Thursday and Friday, no votes are expected in the House.

We will consider several bills under suspension of the rules. The complete list of suspension bills will be announced by close of business tomorrow.

Madam Speaker, the House will also consider H.R. 1644, Save the Internet Act of 2019. This bill will reverse the administration's repeal of critical net neutrality protections, which will empower the FCC to prohibit unjust, unreasonable, and discriminatory practices and ensure consumers can make informed decisions when shopping for internet plans. This bill also enacts authorities to support expanding broadband to rural communities and struggling Americans.

In addition, Madam Speaker, it is possible the House will take action to set the budget levels for discretionary spending for the next 2 fiscal years.

Mr. SCALISE. Madam Speaker, I look forward to a robust debate on the unaptly titled bill, "Save the Internet." I think a lot of people shiver at the thought of the Federal Government saving us from the internet.

The title II regulation that would be imposed would allow the internet to be regulated like a utility. This is not the phone company of the 1970s. This is probably one of the greatest innovations that America has produced for the world, allowing us to be a world leader, dominant leader, in a growing technology field. Primarily because the government hasn't figured out how to regulate it, it has been able to grow so robustly.

I would hope that we have that full debate and people are very aware of the negative connotations and, ultimately, the damaging effects of a Federal regulation of the internet that could slow down that dramatic innovation that we have seen with the Federal Government not regulating it. It will be a robust debate.

Hopefully, we debate a number of other issues. I know we had a robust debate on the floor just a little while ago on the BDS movement. It is a growing concern for all of us who feel passionately about Israel's right to exist as a Jewish State.

I know the leader has been a leader in this Congress and a leader throughout this country in an incredibly bipartisan way standing up for that unique relationship, but we have seen threats from other countries. You have seen heavy debate in Europe.

You have seen debate in areas in Palestinian circles that want to undermine Israel's right to exist as a Jewish State by trying to boycott products made in Israel, to crush Israel's economy. That is why it is so important that we stand up against this BDS movement.

While we weren't successful in the motion to commit, there is legislation that is incredibly bipartisan.

S. 1, a bill that has come over from the Senate, unfortunately, hasn't been referred to committee, nor, also, H.R.

336, similar legislation that would allow us to help support our friends around the world who want to stand up against the BDS movement and stand with our good friend Israel.

Madam Speaker, I would like to ask the gentleman, is there any plan to allow either or both of those bills to come to the floor so we can send a strong message to our friends around the world and to enemies of Israel, as well, that we are not going to support this BDS movement.

I yield to the gentleman.

Mr. HOYER. Madam Speaker, as the gentleman knows, we share views, as he has expressed, and we are awaiting committee action. When the committee acts, we will make a determination of how to go forward.

Mr. SCALISE. Madam Speaker, if I could further inquire, S. 1 has not been referred to committee. Is there a plan to refer the bill to committee and, ultimately, to allow it to move through the process, as it has been incredibly bipartisan but also incredibly timely, that we as the United States Congress stand with our friend Israel and stand against what is a growing movement that should be of concern to all of us?

I yield to the gentleman.

Mr. HOYER. Madam Speaker, as I said, I agree with the gentleman's objective and position with respect to BDS. The committee has legislation before it and is considering it.

As you know, Mr. SCHNEIDER and Mr. NADLER, I think, are the cosponsors of that legislation. I expect the committee to consider it, and then, at that point in time, we will make a decision how to move forward.

□ 1245

Mr. SCALISE. That is correct. And I know those pieces of legislation are just resolutions, not actual policy.

And, ultimately, if we are going to make the stand, it has to be legislation with teeth, with actual authorizing language and with the ability for us to give true support to our friends—not just words, but actions as well.

So, hopefully, we can move both, and I would just continue to urge.

And the gentleman from Maryland's support for Israel is unquestioned and has been admired by people on both sides. I would just urge that we, as a House, move those bills, one or both of the actual substantive bills, to the floor as quickly as possible, as they have already moved through the Senate.

S. 1 had 77 votes in support—so, strongly bipartisan—coming out of the Senate, but still no referral in the House. Hopefully, we can get that expedited.

And with that, on the idea of legislating by resolution, I know that has been a growing trend in this Congress of this majority to move, instead of substantive bills to deal with things like lowering healthcare costs or helping create more jobs.

There have been a lot of bills that are just press releases, resolutions that
