MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Mr. Brian Pate, one of his secretaries.

REQUEST TO CONSIDER H.R. 962, BORN-ALIVE ABORTION SURVIVORS PROTECTION ACT

Mr. HARRIS. Mr. Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of H.R. 962, the Born-Alive Abortion Survivors Protection Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

Mr. HARRIS. Mr. Speaker, I urge the Speaker to immediately schedule this important bill to save the lives of these babies who are born alive after an abortion attempt. This bill is exceedingly important and should be brought to the floor.

The SPEAKER pro tempore. The gentleman is not recognized for debate.

ADJOURNMENT FROM WEDNESDAY, APRIL 10, 2019, TO FRIDAY, APRIL 12, 2019

Ms. GARCIA of Texas. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 2:30 p.m. on Friday, April 12, 2019.

The SPEAKER pro tempore (Mr. ESPAILLAT). Is there objection to the request of the gentlewoman from Texas?

There was no objection.

THE TRUMP ADMINISTRATION'S ATTACKS ON THE AFFORDABLE CARE ACT

(Ms. GARCIA of Texas asked and was given permission to address the House for 1 minute.)

Ms. GARCIA of Texas. Mr. Speaker, I rise today to condemn the Trump administration's new attacks on the Affordable Care Act.

Over 4.5 million non-elderly Texans have preexisting conditions that could keep them from getting insurance if the administration gets its wishes in Federal court. This is truly outrageous.

No family should have to choose between lifesaving care and going bankrupt. And we cannot forget how important this is for Latinos, there are many in my district, who already have the highest uninsured rate of any group in the United States.

Regardless of the language you speak, or the color of your skin, healthcare is a right, and we will defend it for everyone.

The well-being of our families and their health is the top priority of House Democrats, and I can assure you, Mr. Speaker, we will do everything in our power to make sure this administration does not strip away the access to healthcare for our loved ones.

Yes, we can, and we will.

100 DAYS OF DISARRAY

(Mr. MITCHELL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MITCHELL. Mr. Speaker, Friday is the 100th day of Democrat control of the House; 100 days of disarray.

In the first 3 months, 97 bills have passed the House. In the first quarter of last session, 132 bills had passed.

There are 97 bills that have passed the House, which is far more than have cleared committees; that number is only 68. So much for regular order; so much for hearings; so much for amendments.

They have passed far fewer bipartisan bills, it is no surprise, yet they continue to take up and pass resolutions that are literally useless. We have spent 20 percent of our time on non-meaningful, nonbinding resolutions.

Instead of working on the items we promised the American people, like fixing our infrastructure, healthcare, and workforce issues, let me recap some of the things that have been accomplished here:

The House failed to speak out strongly against anti-Semitism.

Democrats have failed to produce a budget and said they won't. They can't even agree on budget caps.

They have ignored the humanitarian crisis at the border that continues to grow.

And they refuse to bring to the floor the Born-Alive Abortion Survivors Protection Act, which has 198 supporters.

RESTORING NET NEUTRALITY

(Ms. LEE of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LEE of California. Mr. Speaker, I rise in strong support of H.R. 1664, the Save the Internet Act, which just passed the House this morning. This important bill would restore net neutrality by reinstating FCC regulations that were repealed under the Trump administration.

Now, let me be clear. Net neutrality protects America's access to open, free,

and fair internet. It also prevents internet companies from blocking websites or slowing down their load time simply because they disagree with what the website says.

Your ZIP Code, income, or geography should not determine the quality of access to the internet that every American should have. That is why this legislation is so important. It empowers the FCC to stop abusive corporate practices online, promotes competition and innovation, and supports broadband access and adoption for low-income communities.

Mr. Speaker, we need net neutrality because consumers, not service providers, should control what you can access online. So it is time to give power back to the people once and for all.

I am pleased that the House passed H.R. 1664 today, and I hope that the Senate will take up this bill immediately.

RECOGNIZING AMERICANS WHO GIVE BACK TO THEIR COMMUNITIES

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today, during National Volunteer Week, to acknowledge the many Americans who generously give their time and talents to help improve the lives of others.

Since the founding of the United States, Americans have always been committed to serving others and working for the common good. During National Volunteer Week, we celebrate that spirit and generosity that inspires Americans to make our communities safer, healthier, and stronger.

Mr. Speaker, right here in the House, I am proud to be working with Congressman JIM PANETTA creating a caucus to empower and promote the goals of national service organizations. Soon, we will launch the National Service Organization Caucus, which will support the many organizations that are dedicated to giving back to their communities. I encourage my colleagues to join this important caucus.

The gift of time is priceless. Every day Americans are helping students, caring for seniors, working to support our veterans, aiding those impacted by natural disasters, and so much more. There is always an opportunity to volunteer, and I am grateful that so many Americans make it a part of their daily lives.

CONGRESS IS TACKLING MANY OF AMERICA'S CENTRAL CHALLENGES

(Ms. DEAN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. DEAN. Mr. Speaker, over the last 100 days, this Congress has tackled many of America's central challenges.

That starts, of course, with cleaning up our election system itself, and our vote on H.R. 1 is a giant step in the right direction.

We have also tackled America's gun violence epidemic by requiring universal background checks and closing the Charleston loophole.

We have passed H.R. 7, to ensure that equal work means equal pay; and we have passed the Violence Against Women Reauthorization Act, expanding protections for young victims, survivors, those in shelters, and LGBTQ people as well. On all of these, we await the Senate's vote.

Now we are advancing more of the public's priorities: H.R. 4, to restore and protect America's voting rights; H.R. 5, to protect LGBTQ Americans' rights; and H.R. 6, to defend Dreamers and TPS recipients.

In addition, we are holding hearings on climate change, infrastructure, and lowering prescription drug costs.

Finally, we are fulfilling our obligation of oversight, defending our constitutional and democratic norms.

Since January, we have worked to stand up for our fellow citizens and build a more decent, humane, and caring society.

PROTECTING UNITED STATES BUSINESSES ABROAD

(Mr. CURTIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CURTIS. Mr. Speaker, I rise today to introduce the Protecting United States Businesses Abroad Act. This legislation will provide critical protection against corruption by authorizing the President, through the advice of Congress or the State Department, to revoke the visas of those engaging in corruption targeting Americans doing business in emerging markets around the world. This includes, soliciting bribes, extorting payments or assets, manipulating law enforcement, and more.

Many businesses, and especially small businesses, do not have the resources to combat this type of corruption overseas. This bill will provide a critical tool for small businesses to invest safely, benefiting our economy and developing markets around the world.

I would like to give special thanks to Ranking Member McCaul of the House Foreign Affairs Committee, the Salt Lake Chamber of Commerce, and Rendeavour, a company that has been directly impacted by this type of corruption overseas.

HONORING THOSE WHO LOST THEIR LIVES IN THE RECENT AFGHANISTAN ATTACK

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)
