

Baker was the Senate majority leader, a Republican.

So what happened then and what needs to happen now is for the American public to make sure that they are contacting their Representative, their Senator, the President and saying this can be done.

I am confident that NANCY PELOSI and Donald Trump could do what Tip O'Neill and Ronald Reagan did in 1983, except this time it would be enhanced and indexed and help so many people.

Here are the facts:

Almost 63 million people are receiving Social Security benefits, of which 55 percent are women and 45 percent are men;

For almost two-thirds of those beneficiaries, Social Security provides a majority of their income—a majority of their income for two-thirds of American people—and for almost one-third, it provides 90 percent or more of their income;

The average annual Social Security benefit for a woman is \$14,000—nobody is getting wealthy on these programs that they have paid for—compared with \$18,000 for men;

Without these very modest benefits, nearly half of women 65 years or older living without a spouse would live in poverty;

Nearly 20 percent of Hispanic women 65 years and older live under this current program in poverty, and without Social Security increases, this would rise to 50 percent for Hispanic women over 65 years old;

Today, nearly 18 percent of African Americans live in poverty on Social Security.

So the Nation's preeminent insurance program, as sound and as solid as it is and will be, the latest Social Security Trustees report says that in just 15 years, if we do nothing—which, shamelessly, has been the role that Congress has played, it has done nothing—if we do nothing, there will be a 21 percent across-the-board cut in order for people to continue to receive their checks.

We can do this, America. This is within our grasp. You have a President who is like-minded, a Speaker of the House who would be very enthusiastic about making sure that we are taking care of all Americans with this universal insurance plan that provides retirement funding, dependent and spousal coverage in time of death.

Three of the members on the Ways and Means Committee and two on the Subcommittee on Social Security were raised by a single parent, having lost a father prematurely.

It is incredible to me that we don't just come together and recognize, as a nation—noting that the President has recognized this; clearly, the Speaker has; and I am sure that even MITCH MCCONNELL would recognize this as well—that we need to come together.

What Americans dislike most about Congress is they don't see us solving problems. They see us straining on the fringes, both making our points but

not coming together to solve a problem that works to their benefit.

That is why we are elected: to govern and to govern on behalf of the people who sent us here. We think that this is a good step in the right direction.

Mr. Speaker, I thank my colleague for joining me here this evening. I hope that those who have heard us here this evening will call their elected Representative and their United States Senators to talk to them about coming together to solve the problem for Social Security and pass Social Security 2100.

Mr. Speaker, I yield back the balance of my time.

#### ADJOURNMENT

Mr. LARSON of Connecticut. Mr. Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 8 o'clock and 16 minutes p.m.), under its previous order, the House adjourned until tomorrow, Tuesday, April 30, 2019, at 10 a.m. for morning-hour debate.

#### BUDGETARY EFFECTS OF PAYGO LEGISLATION

Pursuant to the Statutory Pay-As-You-Go Act of 2010 (PAYGO), Mr. YARMUTH hereby submits, prior to the vote on passage, for printing in the CONGRESSIONAL RECORD, that H.R. 1222, the Target Practice and Marksmanship Training Support Act, would have no significant effect on direct spending or revenues, and therefore, the budgetary effects of such bill are estimated as zero.
