□ 1410

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

REQUEST TO CONSIDER H.R. 962, BORN-ALIVE ABORTION SURVIVORS PROTECTION ACT

Mr. BARR. Mr. Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of H.R. 962, the Born-Alive Abortion Survivors Protection Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore (Mr. DANNY K. DAVIS of Illinois). Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

Mr. BARR. Mr. Speaker, if this unanimous consent request cannot be entertained, I urge the Speaker and the majority leader to immediately schedule the born-alive bill so we can stand up and protect the sanctity of human life; and I would ask all others to join in this request.

The SPEAKER pro tempore. The gentleman is not recognized for debate.

GUN VIOLENCE AND THE STEM SHOOTING

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. “Mommy, there are gunshots at my school.”

Mr. Speaker, no parent should ever hear those words, but that is the call a parent got yesterday when two students entered STEM School Highlands Ranch in Colorado and opened fire.

Within minutes, first responders subdued the shooters, and I am thankful for that, but quick is not fast enough.

One teenager died, and eight people were wounded.

As a parent and a Congressman, my heart aches for the families and loved ones of the child who died and those who were injured.

Mr. Speaker, yesterday's shooting is one of 41 incidents of gunfire on school grounds this year alone. Eight people have died and 20 have been injured. We have lost far too many children to gun violence in our schools and in our streets.

I am proud of the progress the House has made to reduce gun violence, but the Senate GOP's inaction is outrageous. They need to do what is right: dump the NRA and pass some of this legislation we have sent to them to reduce gun violence.

Enough is enough.

COVERAGE FOR PREEXISTING CONDITIONS

(Mr. SPANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SPANO. Mr. Speaker, I rise today to bring transparency and attention to a bill coming for a vote before this House tomorrow.

H.R. 986, the so-called Protecting Americans With Preexisting Conditions Act, is undoubtedly one of the most deceptive bills to come before this Congress.

The bill does not once mention protecting those with preexisting conditions. The only place those words appear is in the title.

The bill merely prevents States from opting out of two provisions of ObamaCare, and neither of those provisions protect those with preexisting conditions.

Some wrongly believe that the American people won't read beyond the title of a bill. They are wrong. They will. Americans care.

There is enough real division in this country. House Democratic leadership shouldn't willfully manufacture discord through deception.

Furthermore, as someone with a pre-existing medical condition, I find it loathsome that anyone would use our health for their political games. These are real Americans with real illnesses, and they deserve actions, not games.

TWENTY-FIFTH ANNIVERSARY OF LA ASOCIACION DE CRONISTAS DE ARTE

(Mr. ESPAILLAT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ESPAILLAT. Mr. Speaker, I rise today to recognize La Asociacion de Cronistas de Arte, or AcroArte, and congratulate them on their 25th silver anniversary.

AcroArte was founded in 1993 by Dominican journalists who specialize in arts and entertainment and has celebrated the best and brightest in music, theater, film, and more.

Together, they established the Soberano Prize, which was first called the Casandra, which showcases and rewards the best of arts and culture in the Dominican Republic.

This prestigious recognition has helped artists gain a foothold among the Dominican diaspora, sharing the Dominican identity, culture, and values around the world.

As more generations of Dominican Americans share their talents with this world, I look forward to AcroArte lifting them up.

It is a privilege to welcome AcroArte here to the U.S. Capitol, and I congratulate them on their 25 years of success.

RECOGNIZING COMMAND SERGEANT MAJOR CAROL WARREN-CLARK

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Command Sergeant Major Carol Warren-Clark on her retirement after serving over 30 years in our United States Armed Forces.

She has dedicated her time in the military to healthcare, administering it in nearly every capacity imaginable to keep our soldiers healthy.

In Afghanistan, she was responsible for medical evacuation plans. At Walter Reed National Military Medical Center, CMS Warren-Clark directed all inpatient services.

She also led a medical team for the 57th Presidential inauguration.

Her latest position has been as command sergeant major for the Winn Army Community Hospital located in the First Congressional District of Georgia, where her ability to increase efficiency and readiness has shined. By decreasing administrative costs 5 percent at the hospital and boosting soldier deployment readiness 5 percent, she has made significant contributions to every soldier and our military as a whole.

Mr. Speaker, I thank Command Sergeant Major Warren-Clark for her commitment and her service to our Nation.

Enjoy your retirement, and congratulations.

THE POWERS OF WAR ARE EN- TRUSTED TO THE UNITED STATE CONGRESS

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, as the Judiciary Committee sits at this time to uphold the rule of law, I want to make sure that the American people understand the role of the United States Congress, that is, to represent the people, to engage in oversight and truth.

As a student of the Mideast, a visitor of the Mideast on behalf of this country on any number of occasions, and, of course, throughout the Iraq war, and, of course, also visiting that area of the world during the Afghan war, I know what our soldiers go through. Boots on the ground.

I can never live their life, but I am very concerned about the presence of the U.S. military by way of a naval ship that is in the Mideast at this time. No explanation has been given to the American people.

The Secretary of State makes a surprise visit to Iraq.

I simply want to say that the powers of war are entrusted to the United States House of Representatives, the United States Congress.

It is inappropriate for there to be saber rattling by this administration with Iran with no explanation as to why we send young men and women into harm's way. We should not use one approach to start a war to overcome an approach dealing with the investigation of the rule of law. I oppose any such saber rattling.

We need to understand what is going on in the Mideast. We have to protect the men and women of the United States military, though, they fight for us.

HONORING STAFF SERGEANT JOSHUA BRAICA

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, sadly, I rise today to honor a fallen U.S. marine from my district in northern California.

Staff Sergeant Joshua Braica from Auburn, California, tragically died on Sunday, April 14, when his vehicle rolled over during a training accident at Camp Pendleton in California.

We, like many in Placer County in northern California, are mourning the loss of one of our own, one of our best and brightest.

Joshua had been in the Marine Corps for more than 8 years, deploying twice and serving as a critical skills operator with the 1st Raider Battalion.

By all accounts, Joshua was an all-American guy who was greatly admired by his friends, neighbors, and his fellow Marines.

At such a young age, he is a decorated and highly trained soldier, with many awards and many medals to his name.

He is the oldest of five siblings and is survived by his wife and his son.

I am praying for all of them, and I hope that all Members will join me in doing so as well at this difficult time.

One thing is for sure: Joshua has certainly made his community and his country proud.

God bless Joshua and his family again at this time of need and tragedy.

HAPPY BIRTHDAY NORMA CÁRDENAS

(Mr. CÁRDENAS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CÁRDENAS. Mr. Speaker, I want to start off by thanking two individuals who came to this country for a better life: Luis Sanchez and Elvira Sanchez.

They were married, and they had their first daughter, Norma, and some years later, I was fortunate to fall in love with her.

Now, some years later, we have been married, raised four beautiful children. They look like their mother. We now have two grandchildren.

Tomorrow is the day that I get to celebrate that the love of my life was born. No, I am not going to say how many years ago. Tomorrow is her birthday, and here I am in Washington.

I have been doing this job, this career, for 22 years, and I must say, sometimes I am lucky enough to be there to celebrate anniversaries and birthdays and sometimes I am not, but I just wanted to take this opportunity to say happy birthday to the love of my life and my number one constituent. And, yes, my grandchildren live in my district, so they are my constituents, too.

It is a tough call, but, Norma, you are my number one constituent. Happy birthday.

MENTAL HEALTH AWARENESS MONTH

The SPEAKER pro tempore. Under the Speaker's announced policy of January 3, 2019, the gentlewoman from California (Mrs. NAPOLITANO) is recognized for 60 minutes as the designee of the majority leader.

GENERAL LEAVE

Mrs. NAPOLITANO. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous material on the subject of my Special Order.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from California?

There was no objection.

Mrs. NAPOLITANO. Mr. Speaker, I bring to the floor a topic very near and dear to my heart, and I rise today to recognize the entire month of May as Mental Health Awareness Month.

I cochair the Congressional Mental Health Caucus along with my Republican colleague, Mr. JOHN KATKO from New York, and we work to educate Members of Congress and their staff on the work still needed to expand mental health access and protections, and also to reduce the ever-present stigma.

The topic of mental health in Congress has and is building momentum, and it is spurring action to increase delivery of mental health services, something I have worked to do for over 2 decades.

This year alone, our House Mental Health Caucus has grown from 47 Members of Congress to 92. However, mental health still affects millions of Americans of all ages, genders, races, and remains woefully underfunded and misunderstood.

Suicide currently plagues our veteran community. Roughly 20 veterans per day take their own lives, according to the VA.

A 2005 to 2016 Department of Veterans Affairs' Suicide Data Report found that the veteran suicide rate is 1.5 times greater than the nonveteran population, with over 6,000 veterans dying by suicide each year.

In the Hispanic community, my own community, approximately one in ten individuals with mental illness use
