Congressional Record

PROCEEDINGS AND DEBATES OF THE 116th CONGRESS, FIRST SESSION

Vol. 165

WASHINGTON, WEDNESDAY, JUNE 5, 2019

No. 94

House of Representatives

The House met at 9 a.m. and was called to order by the Speaker.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

Gracious God, we give You thanks for giving us another day. The Members of this people's House will be leaving for an extended weekend. Many will be traveling to Normandy on the 75th anniversary of D-Day, a day when thousands of American soldiers joined forces with our allies to begin the liberation of Europe.

As the world remembers that offensive in that great war, may we here at home be truly grateful for the sacrifices of so many whose efforts helped to guarantee the conflict-free North Atlantic world we have all lived with through these 70-odd years since that fateful day.

May we never forget the danger of hypernationalism that can lead to a reduced respect for those who are the "other," and a world where nations when acting only in their own self-interest, can fail to see Your presence in their neighborhoods.

May all that is done this day, and in the days to come, be for Your greater honor and glory.

Amen.

THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House her approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentlewoman from Massachusetts (Ms. CLARK) come forward and lead the House in the Pledge of Allegiance.

Ms. CLARK of Massachusetts led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair will entertain up to five requests for 1-minute speeches on each side of the aisle.

HONORING ALL SERVICEMEMBERS FOR THEIR SACRIFICES

(Mr. TAKANO asked and was given permission to address the House for 1 minute.)

Mr. TAKANO. Madam Speaker, I rise today in gratitude for the bravery and sacrifices made by American and Allied Armed Forces on D-Day, June 6, 1944.

This week marks the 75th anniversary of that longest day, a moment in history when servicemembers from across the globe stormed the shores of Normandy, France, to defend liberty and fight against the tyranny of Nazi Germany.

And as we pause to honor and express our gratitude to the tens of thousands of American soldiers, sailors, and airmen who bore the battle that day and for many days after until victory was achieved, we are reminded again that the cost of freedom can be very high.

As chairman of the House Committee on Veterans' Affairs, it is my duty to ensure the promises we made to veterans and their survivors are kept.

To those veterans that remain with us still to those D-Day veterans who perished on that longest day and to those who lived to tell the stories of that day, I say to you that the Committee on Veterans' Affairs is committed to honoring your legacies by improving VA healthcare, providing accountability for the fair and timely delivery of benefits, and to ensure that we honor your memories.

Today I ask that all Americans reflect on the sacrifices made by the greatest generation in Europe 75 years ago and to join me in thanking those of this generation who have stepped up and every intervening generation who have answered the call to serve.

RECOGNIZING FORT STEWART-HUNTER ARMY AIRFIELD

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Fort Stewart-Hunter Army Airfield for winning the 2019 Commander in Chief's Annual Award for Installation Excellence.

Conferred by the Department of Defense, installations compete based on a number of categories, including unit morale, installation management, safety, health, community relations, and environmental stewardship. Fort Stewart-Hunter Army Airfield has won the award a staggering seven times, most recently in 2015.

I want to thank everyone at Fort Stewart-Hunter Army Airfield, but especially Garrison Commander Colonel Jason Wolter, whose hard work enabled the installation to reach such a consistent height of quality.

This award is the culmination of his statement: "There's no place other than Fort Stewart or Hunter Army Airfield our soldiers would rather call home."

I am proud to have them in the First Congressional District of Georgia and proud of the work they are doing serving our country.

BRINGING SANCTUARY AND SAFETY BACK TO AMERICAN COMMUNITIES

(Ms. CLARK of Massachusetts asked and was given permission to address the House for 1 minute.)

H4317

Ms. CLARK of Massachusetts. Mr. Speaker, as we commemorate D-Day and express our heartfelt gratitude to veterans across our great Nation, it is also an appropriate time to think of civilians and security threats at home.

June is Gun Violence Awareness Month and a time to reflect on the lives we have lost to gun violence and reinvigorate our fight to end senseless suffering.

Just this past week, 52 people were shot in Chicago, resulting in 10 deaths, and 12 lives were taken in Virginia Beach. The shooting in Virginia Beach was the 150th mass shooting in 2019. Just think about that and the lives lost. Americans like Ryan Keith Cox, a hero who helped his coworkers to safety, Mary Louise Gayle, a devoted mother and grandmother known for her holiday gingerbread houses, Richard Nettleton, a veteran and a die-hard Red Sox fan, Katherine, Christopher, Bert, Laquita, Bobby, Missy, Joshua, Alexander, and Tara.

We are not powerless. 100 days ago House Democrats passed two gun safety reform bills supported by over 90 percent of Americans. These bills can save lives. We can bring sanctuary and safety back to our communities.

We ask our Senate colleagues to do their job and bring these life-saving measures up for a vote.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. DESAULNIER). Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or votes objected to under clause 6 of rule XX.

The House will resume proceedings on postponed questions at a later time.

COASTAL AND OCEAN ACIDIFICATION STRESSORS AND THREATS RESEARCH ACT OF 2019

Ms. JOHNSON of Texas. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1237) to amend the Federal Ocean Acidification Research and Monitoring Act of 2009 to establish an Ocean Acidification Advisory Board, to expand and improve the research on Ocean Acidification and Coastal Acidification, to establish and maintain a data archive system for Ocean Acidification data and Coastal Acidification data, and for other purposes, as amended.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 1237

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Coastal and Ocean Acidification Stressors and Threats Research Act of 2019” or the “COAST Research Act of 2019”.

SEC. 2. PURPOSES.

(a) *IN GENERAL.*—Section 12402(a) of the Federal Ocean Acidification Research and Monitoring Act of 2009 (33 U.S.C. 3701(a)) is amended—

(1) in paragraph (1)—

(A) in the matter preceding subparagraph (A), by striking “development and coordination” and inserting “coordination and implementation”;

(B) in subparagraph (A), by striking “acidification on marine organisms” and inserting “acidification and coastal acidification on marine organisms”;

(C) in subparagraph (B), by striking “establish” and all that follows through the semicolon and inserting “maintain and advise an interagency research, monitoring, and public outreach program on ocean acidification and coastal acidification”;

(2) in paragraph (2), by striking “establishment” and inserting “maintenance”;

(3) in paragraph (3), by inserting “and coastal acidification” after “ocean acidification”;

(4) in paragraph (4), by inserting “and coastal acidification that take into account other environmental and anthropogenic stressors” after “ocean acidification”.

(b) *TECHNICAL AND CONFORMING AMENDMENT.*—Section 12402 of the Federal Ocean Acidification Research and Monitoring Act of 2009 (33 U.S.C. 3701(a)) is amended by striking “(a) PURPOSES.—”

SEC. 3. DEFINITIONS.

Section 12403 of the Federal Ocean Acidification Research and Monitoring Act of 2009 (33 U.S.C. 3702) is amended—

(1) in paragraph (1), by striking “of the Earth’s oceans” and all that follows before the period at the end and inserting “and changes in the water chemistry of the Earth’s oceans, coastal estuaries, and waterways caused by carbon dioxide from the atmosphere and the breakdown of organic matter”;

(2) in paragraph (3), by striking “Joint Subcommittee on Ocean Science and Technology of the National Science and Technology Council” and inserting “National Science and Technology Council Subcommittee on Ocean Science and Technology”;

(3) by redesignating paragraphs (1), (2), and (3) as paragraphs (2), (3), and (4), respectively;

(4) by inserting before paragraph (2), as so redesignated, the following new paragraph:

“(1) *COASTAL ACIDIFICATION.*—The term ‘coastal acidification’ means the combined decrease in pH and changes in the water chemistry of coastal oceans, estuaries, and other bodies of water from chemical inputs (including carbon dioxide from the atmosphere), freshwater inputs, and excess nutrient run-off from land and coastal atmospheric pollution that result in processes that release carbon dioxide, acidic nitrogen, and sulfur compounds as byproducts which end up in coastal waters.”;

(5) by adding at the end the following new paragraph:

“(5) *STATE.*—The term ‘State’ means each State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, the Virgin Islands of the United States, and any other territory or possession of the United States.”.

SEC. 4. INTERAGENCY WORKING GROUP.

Section 12404 of the Federal Ocean Acidification Research and Monitoring Act of 2009 (33 U.S.C. 3703) is amended—

(1) in the heading, by striking “SUBCOMMITTEE” and inserting “WORKING GROUP”;

(2) in subsection (a)—

(A) in paragraph (1), by striking “Joint Subcommittee on Ocean Science and Technology of the National Science and Technology Council shall coordinate Federal activities on ocean acidification and” and insert “Subcommittee shall”;

(B) in paragraph (2), by striking “Wildlife Service,” and inserting “Wildlife Service, the Bureau of Ocean Energy Management, the Environmental Protection Agency, the Department of Agriculture, the Department of State, the Department of Energy, the Department of the Navy, the National Park Service, the Bureau of Indian Affairs, the National Institute of Standards and Technology, the Smithsonian Institution,”; and

(C) in paragraph (3), in the heading, by striking “CHAIRMAN” and inserting “CHAIR”;

(3) in subsection (b)—

(A) in paragraph (1), by inserting “, including the efforts of the National Oceanic and Atmospheric Administration to facilitate such implementation” after “of the plan”;

(B) in paragraph (2)—

(i) in subparagraph (A), by inserting “and coastal acidification” after “ocean acidification”;

(ii) in subparagraph (B), by inserting “and coastal acidification” after “ocean acidification”;

(C) in paragraph (4), by striking “; and” and inserting a semicolon;

(D) in paragraph (5)—

(i) by striking “developed” and inserting “and coastal acidification developed”;

(ii) by striking the period at the end and inserting “and coastal acidification; and”;

(E) by adding at the end the following new paragraph:

“(6) ensure that each of the Federal agencies represented on the interagency working group—

“(A) participates in the Ocean Acidification Information Exchange established under paragraph (5); and

“(B) delivers data and information to support the data archive system established under section 12406(d).”;

(4) in subsection (c), in paragraph (2)—

(A) by inserting “, and to the Office of Management and Budget,” after “House of Representatives”;

(B) in subparagraph (B), by striking “the interagency research” and inserting “interagency strategic research”;

(5) by redesignating subsection (c) as subsection (d); and

(6) by inserting after subsection (b) the following:

“(c) *ADVISORY BOARD.*—

“(1) *ESTABLISHMENT.*—The Chair of the Subcommittee shall establish an Ocean Acidification Advisory Board.

“(2) *DUTIES.*—The Advisory Board shall—

“(A) not later than 180 days before the Subcommittee submits the most recent report under subsection (d)(2)—

“(i) review such report;

“(ii) submit an analysis of such report to the Subcommittee for consideration in the final report submitted under subsection (d)(2); and

“(iii) concurrently with the Subcommittee’s final submission of the report under subsection (d)(2), the Advisory Board shall submit a copy of the analysis provided to the Subcommittee to the Committee on Commerce, Science, and Transportation of the Senate, the Committee on Science, Space, and Technology of the House of Representatives, and the Committee on Natural Resources of the House of Representatives;

“(B) not later than 180 days before the Subcommittee submits the most recent strategic research plan under subsection (d)(3) to Congress—

“(i) review such plan;

“(ii) submit an analysis of such plan and the implementation thereof to the Subcommittee for consideration in the final strategic research plan submitted under subsection (d)(3); and

“(iii) concurrently with the Subcommittee’s final submission of the strategic research plan under subsection (d)(3), the Advisory Board shall submit a copy of the analysis provided to the Subcommittee to the Committee on Commerce, Science, and Transportation of the Senate, the Committee on Science, Space, and Technology of the House of Representatives, and the
