

and more readily accessible for all our youth. It teaches teamwork, and it is good for physical conditioning. You learn about following the rules and taking orders from the coach. It is great for growing up and learning how to be a more responsible adult.

So it is a great team that put this together.

I appreciate all the Members who played. We also appreciate the staff members as well as some of the professionals who came out to help bring in more people.

We worked together as a team to bring the World Cup to North America here in the future. We are proud of that.

Madam Speaker, I thank Mr. LARSEN for being a great teammate.

Mr. LARSEN of Washington. Madam Speaker, I yield to the gentlewoman from Florida (Ms. CASTOR), who is also on our team and the other co-chair.

Ms. CASTOR of Florida. Madam Speaker, after a number of years of consecutive blue team victories, I am here to congratulate the red team and my good friends Congressman LAHOOD and Congressman BACON, the co-chairs of the Congressional Soccer Caucus.

Truly, the real winners are the kids across America, who we are able to raise charity funds for, to help make sure that they can all experience a beautiful game, the beautiful game of soccer.

The U.S. Soccer Foundation funds fields and equipment all across the country, particularly in the underserved areas.

Madam Speaker, I invite everyone to join the soccer caucus and help stand up for your kids back home.

I do have to say, on the eve of the Women's World Cup, with the defending World Cup champions, the U.S. Women's National Team, there is a little bit of girl power not only here in the House, but we intend to repeat the win of the Women's World Cup.

Let's cheer them on and cheer on what they have done in standing up for pay equity and equal treatment as role models for girls and young women all across this country.

#### PERSONAL EXPLANATION

Mr. KING of Iowa. Madam Speaker, I regretfully missed the vote series on June 10th, 2019, due to previously planned travel that prevented me from being in Washington. Had I been present, I would have voted "yea" on rollcall No. 242, "yea" on rollcall No. 243, and "yea" on rollcall No. 244.

REQUESTING SECRETARY OF THE INTERIOR TO AUTHORIZE UNIQUE AND ONE-TIME DISPLAYS ON THE NATIONAL MALL AND WASHINGTON MONUMENT BEGINNING JULY 16, 2019 AND ENDING JULY 20, 2019

Mr. SOTO. Madam Speaker, I ask unanimous consent that the Committee on Natural Resources be discharged from further consideration of the joint resolution (H.J. Res. 60) requesting the Secretary of the Interior

to authorize unique and one-time arrangements for displays on the National Mall and the Washington Monument during the period beginning on July 16, 2019 and ending on July 20, 2019, and ask for its immediate consideration in the House.

The Clerk read the title of the joint resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

The text of the joint resolution is as follows:

H.J. RES. 60

Whereas Congress enacted the Act of August 12, 1946 (60 Stat. 997; ch. 955, 1), to establish a National Air Museum, later known as the Smithsonian's National Air and Space Museum (NASM), to commemorate and memorialize the American story of human flight in the atmosphere and in outer space;

Whereas Congress enacted the Act of July 29, 1958 (commonly known as the National Aeronautics and Space Act) (72 Stat. 426-438; 42 U.S.C. 2451 et seq.), to declare a policy of peaceful space activities designed for the benefit of humankind and to establish the National Aeronautics and Space Administration (NASA);

Whereas in July of 1960, NASA announced the creation of the Apollo Program, the Nation's first orchestrated initiative to ferry humankind out of Earth's orbit and to the Moon;

Whereas on July 20, 1969, the Apollo 11 Mission succeeded in landing the spacecraft Eagle on the surface of the Moon, piloted by two American astronauts, the first humans to ever make landfall on another celestial body;

Whereas on July 20 and 21, 1969, those brave Americans became the first humans to set foot on the surface of the Moon, forever changing Earth's relationship with the heavens;

Whereas this momentous event was watched in wonder by hundreds of millions of people back on Earth, including the hundreds of thousands of NASA civilian and military staff and partners who made the Apollo Program possible;

Whereas the Apollo Program continued through December of 1972 and spurred the greatest development of human scientific and technological understanding of any decade to that point, leading to advances in rocketry, spaceflight, avionics, telecommunications, and computers, on which the American public still relies today;

Whereas the National Air and Space Museum opened on the American Bicentennial in July 1976 as a birthday gift to the country in celebration of the Nation's highest achievements, under the leadership and vision of Museum Director, NASA astronaut, and Apollo 11 Command Module Pilot Michael Collins;

Whereas NASA continues to pursue space exploration on behalf of the American people to increase humankind's understanding of the heavens; and

Whereas the National Air and Space Museum continues to memorialize the history of American discovery and invention, and seeks to educate and inspire new generations of innovators and explorers to ensure that our future achievements in space are fully empowered by the achievements of the past: Now, therefore, be it

Mr. ENGEL. Madam Speaker, I move to suspend the rules and agree to the resolution (H. Res. 372) expressing concern for the United States-Turkey alliance.

The Clerk read the title of the resolution.

The text of the resolution is as follows:

H. RES. 372

Whereas the United States and Turkey have been treaty allies since 1952, when Turkey became a member of the North Atlantic Treaty Organization (NATO);

Whereas the United States and Turkey are treaty bound to safeguard the principles of democracy, individual liberty, and the rule of law, as well as to unite their efforts for collective defense and the preservation of peace and security;

Whereas Turkey is in a unique geostrategic position on NATO's southeastern flank, at the confluence of Europe, Russia, the Middle East, and the Caucasus;

Whereas Turkey is a critical NATO ally and important military partner for the United States, contributing to key NATO and United States missions and providing support for United States military operations and logistics needs;

Whereas Turkey permits United States military access to Turkish territorial waters, airspace, and base and port facilities, and hosts over 2,000 members of the United States Armed Forces, air defense equipment, and other equipment necessary to conduct global operations and power projection;

Whereas Turkey is a key player in the long-term strategic competition Western allies face with revisionist powers such as Russia and China;

Whereas despite the fact that Turkey shares key regional interests with the United States, its cooperation with Russia and Iran, its military occupation of northern Cyprus, its rollback of democratic norms and institutions, including attacks on the free press, and its continued unjust detention of United States citizens and locally employed United States Embassy staff is deeply problematic for the United States-Turkey relationship;

Whereas the United States recognizes that Turkey perceives growing regional security
