

items, blankets and medical services, support services for unaccompanied children, and refugee services, which will relieve the horrific situation of over-crowding and help prevent additional deaths.

Equally important, this supplemental protects families and does not fund the Administration's failed mass detention policy.

Instead, the bill smartly provides funding for effective, humane alternatives to detention which has a proven track record of success; places strict limits on influx shelters; protects sponsors from DHS immigration enforcement based on information collected by HHS during the vetting process; and creates strong oversight by Congress.

Madam Speaker, the bill before addresses the roots causes of the crisis by reversing the Administration's senseless decision to block economic assistance that Congress has already appropriated for the Northern Triangle countries.

It is significant that this legislation clarifies the intent of prior year appropriations for Guatemala, Honduras, and El Salvador which specifically required these governments to take steps to curb migration, improve border security, including preventing human smuggling and trafficking, and trafficking of illicit drugs and other contraband; combat corruption; and support programs to reduce poverty and promote equitable growth, particularly in areas contributing to large number of migrants, among many other conditions.

The bill provides, however, that not less than 75 percent of any funds that cannot be provided to the central governments of such countries due to their failure to meet the certification requirements shall be reprogrammed through nongovernmental organizations or local entities in such countries and that the balance of such reprogramming must be to countries within Latin America and the Caribbean.

Madam Speaker, I am particularly pleased that the Manager's Amendment to this humanitarian emergency supplemental appropriations bill includes a provision that I worked very hard to have included and which requires the Secretary of Homeland Security to submit to the Congress a plan for ensuring access to appropriate translation services for all individuals encountered by U.S. Customs and Border Protection, U.S. Immigration and Customs Enforcement, and U.S. Citizenship and Immigration Services

It is simply unconscionable to subject refugee child from Honduras or El Salvador or Guatemala to legal proceedings conducted in a language foreign to him or her without the assistance of a translator conversant in that child's native tongue. Also to be able to translate for new desperate migrants from Africa and other nations.

Another reason to support this legislation is that it contains important oversight provisions to hold the administration accountable and to protect the rights and dignity of migrants, including:

No funding for a border wall or barriers, or for ICE detention beds;

Prohibits the use of funds for any purpose not specifically described;

Places strict conditions on influx shelters to house children by mandating compliance with requirements set forth in the Flores settlement;

Protects sponsors and potential sponsors from DHS immigration enforcement based on

information collected by HHS during the sponsor vetting process;

Ensures congressional oversight visits to facilities caring for unaccompanied children without a requirement for prior notice;

Requires monthly reporting on unaccompanied children separated from their families;

Requires additional reporting about the deaths of children in government custody; and

Ensures CBP facilities funded in the bill comply with the National Standards on Transport, Escort, Detention, and Search.

Madam Speaker, since December 2018, six minor children have died in custody after being apprehended by U.S. border agents since December.

We cannot wait any longer to resolve the humanitarian crisis on the southern border exacerbated by this Administration.

That is why I support H.R. 3401, and urge all members to join me in voting to pass this critically needed legislation.

The SPEAKER pro tempore. Pursuant to House Resolution 462, the previous question is ordered on the bill, as amended.

The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. Pursuant to clause 1(c) of Rule XIX, further consideration of H.R. 3401 is postponed.

Ms. WATERS changed her vote from “no” to “aye.”
So the amendment was agreed to.

The result of the vote was announced as above recorded.

Ms. KAPTUR. Madam Chair, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Ms. DEGETTE) having assumed the chair, Ms. SHALALA, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 3351) making appropriations for financial services and general government for the fiscal year ending September 30, 2020, and for other purposes, had come to no resolution thereon.

EMERGENCY SUPPLEMENTAL APPROPRIATIONS FOR HUMANITARIAN ASSISTANCE AND SECURITY AT THE SOUTHERN BORDER ACT, 2019

The SPEAKER pro tempore. Pursuant to clause 1(c) of rule XIX, further consideration of the bill (H.R. 3401) making emergency supplemental appropriations for the fiscal year ending September 30, 2019, and for other purposes, will now resume.

The Clerk will report the title of the bill.

The Clerk read the title of the bill.

MOTION TO RECOMMIT

Mr. RUTHERFORD. Madam Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. RUTHERFORD. I am in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Rutherford of Florida moves to recommit the bill H.R. 3401 to the Committee on Appropriations with instructions to report the same back to the House forthwith with the following amendment:

Page 4, line 11, after the first dollar amount, insert “increased by \$64,621,000”.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Florida is recognized for 5 minutes in support of his motion.

Mr. RUTHERFORD. Madam Speaker, my motion is very simple. I propose to add \$64 million to the operations and support account for Immigration and Customs Enforcement for basic pay and overtime, bringing the total for pay up to the President’s request.

Immigration and Customs Enforcement is a law enforcement organization with a legislative mandate to uphold the laws of this country. Officers at the border are tasked with transporting families from the intake facilities and moving kids out of DHS custody and into HHS children’s care sites.

Further, Immigration and Customs Enforcement is working to combat human trafficking at our border. Over the past 2 months, enforcement officers

uncovered 735 fraudulent documented fake families.

These traffickers are exploiting our laws and forcing our children to make this dangerous journey north in hopes that they will be released into our country.

ICE plays a vital role in stopping trafficking and punishing those who traffic in innocent children. I suggest if the majority truly cares about these children, vote “yes” on this amendment to give ICE the resources and the pay to stop human traffickers.

Madam Speaker, I have been to the border and I have seen the hard work that these officers do. Officers are working overtime to process the record number of migrants trying to enter through our southern border. However, Madam Speaker, this bill does not fairly compensate ICE officers for their additional hard work going after human traffickers, and I ask Members to vote “yes” for the children, for the children, for the children.

As a lifetime law enforcement officer, not paying these officers for their work is unacceptable. We would never treat our local law enforcement officers like this back home. These hard-working men and women should not be punished by the partisan politics in Washington.

Madam Speaker, we are asking those on the ground to do a job, and this Congress has a responsibility to compensate them. I urge my colleagues to support this motion and vote “yes” to pay our Federal law enforcement officers for the work they do each and every day keeping this country safe.

Madam Speaker, I yield back the balance of my time.

Ms. ESCOBAR. Madam Speaker, I rise in opposition to this motion to recommit.

The SPEAKER pro tempore. The gentleman from Texas is recognized for 5 minutes.

Ms. ESCOBAR. Madam Speaker, I oppose this motion to recommit because, as written, this motion to recommit would mean that Congress would have absolutely no say over how this money would be used, and we know full well that, without restraint, this administration uses funding for cruelty and chaos.

Madam Speaker, I invite my colleagues to focus on the issues at hand: children, sleeping on concrete floors; children, some as young as 8 years old, caring for infants; a toddler, 22 months old, soiled and without a diaper; an outbreak of lice and the flu. This is not a description of a developing nation. This is happening today, on our watch, in the United States of America, to children. It is happening in El Paso, Texas, on the border, our new Ellis Island.

There is no doubt, Madam Speaker, that the increasing number of families have presented a challenge at our front door. There is no doubt that the most vulnerable among us, especially those children in U.S. custody, are suffering

in misery. But there is also no doubt that draconian hard-line policies, focused on detention only, have turned this challenge into a crisis.

We must do something, and we must do something now. And today, we can. Today, we can vote on a border supplemental that allows processing facilities to buy things like food, water, and blankets. It boosts funding for legal assistance for migrants. It funds the necessary work of stabilizing Central America in an effort to address the root cause of migration. It gives Congress the tools for more oversight over facilities like those in Clint, Texas, which have shocked the Nation. It helps ease the burden on overwhelmed Border Patrol agents and Customs officers, who will be one step closer to getting back to the job that they were trained to do. It reimburses communities and nonprofits that have shouldered the burden for too long. And it provides badly needed funding to HHS: money to get those children out of those facilities and into more humane care.

I can assure you, gentlemen, this is not a laughing matter for this side of the House.

And thanks to appropriators who know how concerned we are about these hard-line policies that turn a challenge into a crisis. They have placed guardrails in this bill, unlike this motion to recommit, in order to prohibit funding from going to any activity not prescribed by Congress, like conducting immigration raids that terrorize our communities.

Will this appropriations bill solve every problem or address every concern? Of course, it won’t.

Do we have much work to do? Of course, we do. And many of us have pieces of legislation and reform that we would love for you to join us in working on.

But today, this vote is not about solving every single problem, nor can it be.

Vote “no” on this motion to recommit and vote “yes” on the supplemental.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mr. RUTHERFORD. Madam Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, this 5-minute vote on the motion to recommit will be followed by 5-minute votes on:

Passage of the bill; and Agreeing to the Speaker’s approval of the Journal, if ordered.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—ayes 205, noes 218, not voting 9, as follows:
