The Secretary shall prioritize State-licensed and hard-sided dormitories.

SEC. 402. The Office of Refugee Resettlement shall ensure that its grantees and, to the greatest extent practicable, potential sponsors of unaccompanied alien children are aware of current law regarding the use of information collected as part of the sponsor suitability determination process.

SEC. 403. (a) None of the funds provided by this or any prior appropriations Act may be used to reverse changes in procedures made by operational directives issued to providers by the Office of Refugee Resettlement on December 18, 2018, March 23, 2019, and June 10, 2019 regarding the Memorandum of Agreement on Information Sharing executed April 13, 2018.

(b) Notwithstanding subsection (a), the Secretary may make changes to such operational directives upon making a determination that such changes are necessary to prevent unaccompanied alien children from being placed in danger, and the Secretary shall provide a written justification to Congress and the Inspector General of the Department of Health and Human Services in advance of implementing such changes.

(c) Within 15 days of the Secretary’s communication of the justification, the Inspector General of the Department of Health and Human

Services shall provide an assessment, in writing, to the Secretary and to Committees on Appropriations of the House of Representatives and the Senate of whether such changes to operational directives are necessary to prevent unaccompanied children from being placed in danger.

SEC. 404. None of the funds made available in this Act under the heading “Department of Health and Human Services—Administration for Children and Families—Refugee and Entrant Assistance” may be obligated to a grantee or contractor to house unaccompanied alien children (as such term is defined in section 462(g)(2) of the Homeland Security Act of 2002 (6 U.S.C. 279(g)(2))) in any facility that is not State-licensed for the care of unaccompanied alien children, except in the case that the Secretary determines that housing unaccompanied alien children in such a facility is necessary on a temporary basis due to an influx of such children or an emergency, provided that—

(1) the terms of the grant or contract for the operations of any such facility that remains in operation for more than six consecutive months shall require compliance with—

(A) the same requirements as licensed placements, as listed in Exhibit 1 of the Flores Settlement Agreement that the Secretary determines are applicable to non-State licensed facilities; and

(B) staffing ratios of one (1) on-duty Youth Care Worker for every eight (8) children or youth during waking hours, one (1) on-duty Youth Care Worker for every sixteen (16) children or youth during sleeping hours, and clinician ratios to children (including mental health providers) as required in grantee cooperative agreements;

(2) the Secretary may grant a 60-day waiver for a contractor’s or grantee’s non-compliance with paragraph (1) if the Secretary certifies and provides a report to Congress on the contractor’s or grantee’s good-faith efforts and progress towards compliance;

(3) not more than four consecutive waivers under paragraph (2) may be granted to a contractor or grantee with respect to a specific facility;

(4) ORR shall ensure full adherence to the monitoring requirements set forth in section 5.5 of its Policies and Procedures Guide as of May 15, 2019;

(5) for any such unlicensed facility in operation for more than three consecutive months, ORR shall conduct a minimum of one comprehensive monitoring visit during the first three months of operation, with quarterly monitoring visits thereafter; and

(6) not later than 60 days after the date of enactment of this Act, ORR shall brief the Committees on Appropriations of the House of Representatives and the Senate outlining the requirements of ORR for influx facilities including any requirement listed in paragraph (1)(A) that the Secretary has determined are not applicable to non-State licensed facilities.

SEC. 405. In addition to the existing Congressional notification for formal site assessments of potential influx facilities, the Secretary shall notify the Committees on Appropriations of the House of Representatives and the Senate at least 15 days before operationalizing an unlicensed facility, and shall (1) specify whether the facility is hard-sided or soft-sided, and (2) provide analysis that indicates that, in the absence of the influx facility, the likely outcome is that unaccompanied alien children will remain in the custody of the Department of Homeland Security for longer than 72 hours or that unaccompanied alien children will be otherwise placed in danger. Within 60 days of bringing such a facility online, and monthly thereafter, the Secretary shall provide to the Committees on Appropriations of the House of Representatives and the Senate a report detailing the total number of children in care at the facility, the average length of stay and average length of care of

children at the facility, and, for any child that has been at the facility for more than 60 days, their length of stay and reason for delay in release.

SEC. 406. (a) The Secretary shall ensure that, when feasible, no unaccompanied alien child is at an unlicensed facility if the child—

- (1) is not expected to be placed with a sponsor within 30 days;
- (2) is under the age of 13;
- (3) does not speak English or Spanish as his or her preferred language;
- (4) has known special needs, behavioral health issues, or medical issues that would be better served at an alternative facility;
- (5) is a pregnant or parenting teen; or
- (6) would have a diminution of legal services as a result of the transfer to such an unlicensed facility.

(b) ORR shall notify a child's attorney of record in advance of any transfer, where applicable.

SEC. 407. None of the funds made available in this Act may be used to prevent a United States Senator or Member of the House of Representatives from entering, for the purpose of conducting oversight, any facility in the United States used for the purpose of maintaining custody of, or otherwise housing, unaccompanied alien children (as defined in section 462(g)(2) of the Homeland Security Act of 2002 (6 U.S.C. 279(g)(2))), provided that such Senator or Member has coordinated the oversight visit with the Office of Refugee Resettlement not less than two business days in advance to ensure that such visit would not interfere with the operations (including child welfare and child safety operations) of such facility.

SEC. 408. Not later than 14 days after the date of enactment of this Act, and monthly thereafter, the Secretary shall submit to the Committees on Appropriations of the House of Representatives and the Senate, and make publicly available online, a report with respect to children who were separated from their parents or legal guardians by the Department of Homeland Security (DHS) (regardless of whether or not such separation was pursuant to an option selected by the children, parents, or guardians), subsequently classified as unaccompanied alien children, and transferred to the care and custody of ORR during the previous month. Each report shall contain the following information:

- (1) the number and ages of children so separated subsequent to apprehension at or between ports of entry, to be reported by sector where separation occurred; and
- (2) the documented cause of separation, as reported by DHS when each child was referred.

SEC. 409. weekly referrals and discharge rate assumed in the spend plan: Provided, That such plan shall be updated to reflect changes and expenditures and submitted to the Committees on Appropriations of the House of Representatives and the Senate every 60 days until all funds are expended or expired.

from Texas (Ms. GRANGER) each will control 30 minutes.

The Chair recognizes the gentlewoman from New York.

□ 1645

GENERAL LEAVE

Mrs. LOWEY. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks on the motion currently under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from New York?

There was no objection.

Mrs. LOWEY. Mr. Speaker, I yield 1 minute to the gentlewoman from California (Ms. PELOSI), the Speaker of the House.

Ms. PELOSI. Mr. Speaker, I thank the distinguished chairwoman for yielding and admire her for her distinguished and hard work to bring a solution to the floor. This is not the one that we had hoped for, but it is one that we will be voting on today.

Mr. Speaker, I thank NITA LOWEY, Congresswoman LUCILLE ROYBAL-ALLARD, Congresswoman ROSA DE LAURO, and all of the appropriators for their relentless good faith work on a strong bill that we had hoped would completely protect vulnerable children, keep America safe, and honor our values.

Today, sadly, and almost with a broken heart, those values are being undermined by failed policies which have intensified a situation of heartbreak and horror on the border, all of which challenges the conscience of America.

I will be brief in just saying, right now, children need their families. Right now, little children are enduring trauma and terror; many are living in squalor at the border station, patrol station; some are sleeping on the cold ground without warm blankets or hot meals.

Kids as young as 7 and 8 years old are watching over infants because no one else is there to care for them. As one little girl caring for two infants said: I need comfort, too. I am bigger than they are, but I am a child, too.

Mr. Speaker, we could have done so much better—so much better—than what we are faced with today. It is my belief, my colleagues, that our country is at a moment of truth in acting upon our values as we develop policies.

I am proud of the work that our appropriators in the House have done in passing a bill that received overwhelming Democratic support on Tuesday. It was even bipartisan.

The current situation on the border is shameful and does not reflect America's values. We don't need anyone—especially the United States Senate—to tell us what the needs are on the border and that we have to act expeditiously.

Our Members are very well versed and excellent representatives of the regions they represent and that are affected, but we want to find a path to

improve the conditions under which we are addressing and ministering to the needs of children and families there.

We are gravely disappointed in the actions taken by the Senate in opposing the regular order of the Congress of the United States. We will continue to fight for our values and priorities in our legislation and beyond.

Our strongest ally in getting a better policy than that which was passed by the Republican Senate is public opinion. And people and institutions of good faith in our country, our faith-based institutions who minister to the needs of our immigrants, know that this is not the best way to go. So as we go forward, we will continue to fight for our values with public opinion and faith-based organizations on our side.

The American people are constantly asking the question: Why aren't we doing a better job to respect the dignity and worth of our children? The dignity and worth of our children. The dignity and worth of our children.

That might amuse you, but it is not amusing to the children who are affected.

The children come first. At the end of the day, we have to make sure that the resources needed to protect the children are available. Therefore, we will not engage in the same disrespectful behavior that the Senate did in ignoring the House priorities.

In order to get resources to the children fastest, we will reluctantly put the Senate bill on the floor. As the Senate bill passes—when it does, if it does—it will not be the end of this debate. It will be the battle cry. It will be the battle cry as to how we go forward to protect children in a way that truly honors their dignity and worth, their spark of divinity that they are all children of God.

Mr. Speaker, I thank the gentlewoman from Texas (Ms. ESCOBAR), our colleague, for the beautiful moment of silence that she held earlier.

Mr. Speaker, I thank my colleagues for their leadership to protect values, honor our values, keep America safe. As always, with every vote, it is a vote of conscience.

The situation at the border is a challenge to the conscience of America. It should be a challenge to the conscience of each and every one of us. As always, you must vote your conscience.

Mrs. LOWEY. Mr. Speaker, the humanitarian situation at our southern border is disgraceful. The Trump administration has exacerbated a crisis that has led to intolerable conditions for children and families in the government's care.

We have been advised that agencies that provide critical services for children, including the Office of Refugee Resettlement and Customs and Border Protection, will imminently run out of funds.

Earlier this week, the House passed a comprehensive bill to fund these agencies and provide important reforms to ensure that children in our govern-

ment's care are safe, healthy, and comfortable.

Sadly, the White House, which has done so much to create this crisis, refused to work with us to protect the children; and the Senate majority leader, who I am told is selling T-shirts that describe him as the Grim Reaper, refuses to respect the House as a co-equal body of Congress and negotiate the differences in our legislation.

Left in the lurch by this cruelty and callousness are the babies and children in government care. The House refuses to be a party to this cruelty. That is why we are reluctantly bringing the Senate legislation to the floor today.

We could have done better for our children and our families, but, unfortunately, the White House and the Senate would not allow that. So we will fight another day, and we will never stop fighting to protect the children who are our future.

Mr. Speaker, I reserve the balance of my time.

Ms. GRANGER. Mr. Speaker, I yield myself such time as I may consume.

I rise in very strong support of H.R. 3401, as amended by the Senate.

Hundreds of thousands of people have arrived at our border this year. More than 100,000 have crossed each of the last 3 months, with 144,000 in May alone. Some of these people are coming through points of entry, but the overwhelming majority are walking through the desert or swimming the Rio Grande.

Men and women across agencies and departments have been working together night and day trying to respond to the overwhelming surge, and they desperately need resources to cover the growing costs. This is a real crisis, and this bill provides funds for all those who are representing us and working without adequate pay.

As I said just yesterday, we are out of time. Some of our agencies are spending money they don't have because they have must-pay bills for contracts for food, for shelter, for transportation, and for medical care.

People are waiting in terrible conditions in the desert, and summer in Texas is here. Children are sleeping on the ground and need to be moved to shelters or homes. We need doctors and pediatricians and caregivers.

This bill gives the agencies the funds to care for these children, to reduce the overcrowding at border facilities, to repay the States, and to add immigration judge teams.

The Senate has already passed this bill on an overwhelmingly bipartisan basis. Now we should do the same and send this bill to the President for his signature.

Mr. Speaker, I urge a strong "yes" vote on this bill, and I yield back the balance of my time.

Mrs. LOWEY. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to House Resolution 466, the previous question is ordered.

The question is on the motion to concur.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

RECORDED VOTE

Ms. GRANGER. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, this 15-minute vote on the motion to concur will be followed by a 5-minute vote on agreeing to the Speaker's approval of the Journal.

The vote was taken by electronic device, and there were—ayes 305, noes 102, not voting 25, as follows:
