

<sup>4</sup> The Continuing Appropriations Act, 2019 (P.L. 116–5), as amended, extended several immigration programs through February 15, 2019, that would otherwise have expired at the end of fiscal year 2018. The estimated budgetary effects of those previously enacted extensions are charged to the Committee on Appropriations, and are included in the budgetary effects of P.L. 116–6 shown in the “Appropriation Legislation” portion of this report. In addition, division H of P.L. 116–6 further extended those same programs through the end of fiscal year 2019. Consistent with the language in title III of division H of P.L. 116–6, and at the direction of the House Committee on the Budget, the budgetary effects of extending those immigration programs for the remainder of the fiscal year are charged to the relevant authorizing committees, and are shown in the “Authorizing Legislation” portion of this report.

<sup>6</sup> In the House of Representatives, and pursuant to section 314(d) of the Congressional Budget Act of 1974, amounts designated as an emergency requirement shall not count for purposes of title III and title IV of the Congressional Budget Act of 1974, and are excluded from current level totals. The table below displays emergency-designated funding enacted during the 116th Congress which are excluded from current level totals. (Those amounts do not include \$1,680 million in budget authority and \$25 million in outlays stemming from P.L. 115-254, which was enacted during the 115th Congress).

<sup>4</sup> Section 30104 of the Bipartisan Budget Act of 2018 (P.L. 115–123) required—in the absence of a concurrent resolution on the budget for fiscal year 2019—that the Chair of the House Committee on the Budget publish the aggregate spending and revenue levels for fiscal year 2019; those aggregate levels were first published in the Congressional Record on May 10, 2018. P.L. 115–123 also allows the Chair of the House Committee on the Budget to revise the budgetary aggregates.

## PUBLICATION OF BUDGETARY MATERIAL

STATUS REPORT ON CURRENT SPENDING LEVELS  
OF ON-BUDGET SPENDING AND REVENUES FOR  
FY 2020

HOUSE OF REPRESENTATIVES,

COMMITTEE ON THE BUDGET,  
*Washington, DC, July 9, 2019.*

DEAR MADAM SPEAKER: To facilitate application of sections 302 and 311 of the Congressional Budget Act of 1974, I am transmitting an updated status report on the current levels of on-budget spending and revenues for fiscal year 2020. This status report is current through July 1, 2019. The term “current level” refers to the amounts of spending and revenues estimated for each fiscal year based on laws enacted or awaiting the President’s signature.

Table 1 compares the current levels of total budget authority, outlays, and revenues to the overall limits filed in the Congressional Record on May 3, 2019, as adjusted, for fiscal year 2020 and for the 10-year

period of fiscal years 2020 through 2029. These comparisons are needed to implement section 311(a) of the Congressional Budget Act of 1974, which establishes a rule enforceable with a point of order against measures that would breach the budget resolution's aggregate levels. The table does not show budget authority and outlays for years after fiscal year 2020 because appropriations for those years have not yet been completed.

Table 2 compares the current levels of budget authority and outlays for legislative action completed by each authorizing committee with the limits filed in the Congressional Record on May 3, 2019, for fiscal year 2020, and for the 10-year period of fiscal years 2020 through 2029. These comparisons are needed to enforce the point of order under section 302(f) of the Congressional Budget Act of 1974, which prohibits the consideration of measures that would breach the section 302(a) allocation of new budget authority for the committee that reported the measure. It is also needed to implement section 311(c), which provides an exception for

committees that comply with their allocations from the point of order under section 311(a).

Table 3 compares the current status of discretionary appropriations for fiscal year 2020 with the section 302(b) suballocations of discretionary budget authority and outlays among Appropriations subcommittees. The comparison is needed to enforce section 302(f) of the Congressional Budget Act of 1974 because the point of order under that section equally applies to measures that would breach the applicable section 302(b) sub-allocation.

In addition, a letter from the Congressional Budget Office is attached that summarizes and compares the budget impact of legislation enacted after the adoption of the budget resolution against the budget resolution aggregate in force.

If you have any questions, please contact Jennifer Wheelock or Raquel Spencer.

Sincerely,

JOHN YARMUTH,  
*Chairman.*
