

IN HONOR OF KEN BROCK

Mr. YOHO. Mr. Speaker, I rise today to honor Ken Brock.

Mr. Brock calls Keystone Heights home and is an Army veteran.

In addition to serving his country with distinction and honor, he has done something else that is incredible. Mr. Brock has walked more than 2,650 miles across the United States to promote PTSD programs for the Wounded Warrior Project, with the aim of making it to Idaho by Independence Day.

His walk began on February 1 of this year and wasn't without challenges. He faced two weekends of deadly tornadoes, deadly floods, thunderstorms, a collision with a tractor trailer, and plenty of snow.

In the midst of the Ken's trek, he was called back to Florida for a mandatory VA benefit evaluation. Not to be deterred, Ken made his appointment and got right back on the road.

Nonetheless, he arrived at Coeur d'Alene, Idaho, 6 days ahead of the town's Fourth of July parade, with residents standing five deep along Sherman Avenue. Brock was featured in the parade doing what he does best: walking with his 100-pound supply cart and his service dog, Pam.

This Sunday he will receive a hero's welcome from the Keystone Heights community. I am proud to honor and celebrate Ken Brock's journey to honor our veterans.

IN REMEMBRANCE OF JACK GREER

The SPEAKER pro tempore (Mr. COSTA). The Chair recognizes the gentleman from Alabama (Mr. BYRNE) for 5 minutes.

Mr. BYRNE. Mr. Speaker, I rise today to remember Mr. Jack Greer.

Jack passed away last week after a long life of personal and business achievement and service to his family and to his community.

So many people in south Alabama knew Jack from shopping for groceries at Greer's grocery store, a business which has been operating in our area for over 100 years. But it was through his civic involvement that Jack truly left his mark. His civic contributions are too many to list.

It was his role as an environmental advocate that he perhaps was most proud of. He was a founding member of Mobile Baykeeper and remained engaged throughout his life in protecting the waters in and around Mobile Bay.

Jack was an active member of Dauphin Way United Methodist Church, and he proudly served his country as second lieutenant in the United States Army.

I knew Mr. Jack. I have known the Greer family my entire life. My deepest condolences to his wife of 70 years, Janice, and his many surviving children, grandchildren, and great-grandchildren. Please know that Mr. Jack lived a life you can all be proud of. He will be, and is, sorely missed.

RECOGNIZING THE ST. CLOUD POLICE DEPARTMENT

The SPEAKER pro tempore. The Chair recognizes the gentleman from Minnesota (Mr. EMMER) for 5 minutes.

Mr. EMMER. Mr. Speaker, I rise today to recognize the St. Cloud Police Department for receiving the United States Department of Justice's L. Anthony Sutin Civic Imagination Award. This award recognizes collaborative partnerships between law enforcement and their communities.

The St. Cloud Police Department received the award for its Community Outpost Project. The "Cop House," as is it is more commonly known, is a refurbished residential home in a neighborhood that previously experienced a high level of calls for local law enforcement.

The St. Cloud Police Department, together with numerous community partners, now provides not only a local gathering place, but safety and health programming for the neighborhood residents out of this home.

Congratulations to Chief Blair Anderson, Lieutenant Lori Ellering, the Greater St. Cloud Public Safety Foundation, and all of the officers of the St. Cloud Police Department for this well-deserved award.

Our community appreciates all of you and all that you do to protect and serve us.

PRIORITIZING TRANSPORTATION SAFETY

Mr. EMMER. Mr. Speaker, on Minnesota's U.S. Highway 12 between the cities of Independence and my hometown of Delano, in just the last 5 years, there have been 811 crashes in which 239 people have been injured and 24 people have lost their lives.

Several of those lost have been high school classmates of my own children. In fact, this past March, Marleena Dieterich, a senior honor student at Delano High School and the child of Thom and Deb, lost her life as she was trying to get home.

Recently, Deputy Administrator for the Federal Highway Administration Brandye Hendrickson visited Minnesota on behalf of Secretary Chao. Following a bus tour of the most dangerous stretches of U.S. Highway 12, we held a roundtable with community leaders and residents to discuss possible solutions and the need for action.

□ 1030

The accidents and fatalities on this road are avoidable. We continue to urge Secretary Chao to visit and see firsthand the danger this highway presents.

Congress must do its part to provide long-term Federal transportation funding for needed infrastructure repairs and improvements. We must find innovative and long-term solutions to address these sorely needed improvements, like the need on U.S. Highway 12.

I thank Deputy Administrator Hendrickson and everyone who participated in our roundtable. Together, we

will continue fighting for improvements on U.S. Highway 12 until we see the changes that will prioritize the safety of our neighbors, our friends, and our fellow Minnesotans.

INSPIRING FUTURE FEMALE LEADERS

Mr. EMMER. Mr. Speaker, I rise today to recognize my staff and to highlight a program our office launched during my first term in Congress for high school women in Minnesota's Sixth Congressional District.

The program is called the Young Women's Leadership Program.

In addition to my staff, I want to personally thank the amazing women leaders who have participated in the program and who have agreed to be a resource and mentors for the young women who attend these programs as they get ready for life beyond high school.

Every summer, our Young Women's Leadership Program hosts three roundtable discussions featuring high-achieving professional women in our district.

To date, we have been honored by the first female brigadier general for both the Army and Air Force, the first Asian American female U.S. district attorney, a surgeon, a college professor, and numerous female entrepreneurs and business owners.

This program gives our participants insight into valuable leadership experiences and career advice during a pivotal time in their lives.

Our panelists have discussed how to negotiate your first salary, tips for networking successfully, managing a work-life balance, and countless other lessons.

We live in a time in our Nation's history where everyone is important and needed, especially strong women.

Again, I want to thank the incredible women leaders who have participated in our program to pay it forward for the next generation of women leaders, and I encourage my Republican and Democrat colleagues here in Congress to do the same in all of your districts.

A BETTER WAY TO AGE

Mr. EMMER. Mr. Speaker, we recently held a senior forum for residents of Minnesota's Sixth Congressional District. This forum was an opportunity to connect our seniors and their caregivers with resources to assist with health, lifestyle, and future planning needs.

I want to thank the Metropolitan Area Agency on Aging and the Central Minnesota Council on Aging for partnering with our office to make this event a success.

Recently, the House passed the Setting Every Community Up for Retirement Enhancement Act. This non-partisan law, more commonly known as the SECURE Act, will make it easier to establish retirement plans and removes age limits for IRA contributions.

The SECURE Act will allow our seniors more flexibility and improve their quality of life in retirement.

This is great, nonpartisan work by Congress. And, going forward, we must all be committed to doing what we can to ensure our seniors are able to plan for their financial futures, stay healthy, and maintain connections to their communities.

HONORING YARDLEY BOROUGH CHIEF OF POLICE JOSEPH KELLY

The SPEAKER pro tempore. The Chair recognizes the gentleman from Pennsylvania (Mr. FITZPATRICK) for 5 minutes.

Mr. FITZPATRICK. Mr. Speaker, I rise today to honor a dedicated public servant from Bucks County, Pennsylvania, Yardley Borough Chief of Police Joseph Kelly.

Chief Kelly was presented with the Excellent Police Service Award, a well-deserved distinction for a man who has dedicated his life to public service.

Before he served in Yardley, Chief Kelly was a 23-year veteran of the New Jersey Transit Police Department, serving as deputy chief and chief of operations. Before his service there, he was an EMT dispatcher for the Maplewood, New Jersey, Police Department.

Upon becoming Yardley Borough police chief, the area saw a 20 percent drop in traffic accidents compared to the year before, as well as a more successful enforcement of transit laws.

In addition, Chief Kelly has moved to make the department more approachable, especially for victims of domestic violence, pushing for a closer relationship with A Woman's Place and other organizations.

Mr. Speaker, I thank Chief Joseph Kelly for his continued service, and I would also like to thank all the members of the Yardley Borough Police Department for their tireless work in protecting our community.

HONORING THEODORE HAUPTMAN, FEASTERVILLE BUSINESS ASSOCIATION 2019 PERSON OF THE YEAR

Mr. FITZPATRICK. Mr. Speaker, I rise today to recognize and honor the distinguished achievements of the Feasterville Business Association 2019 Person of the Year, Theodore Hauptman.

Mr. Hauptman serves both in his immediate community in Holland, Pennsylvania, as well as the greater community of Bucks County.

He has logged 25 active years with the Feasterville Business Association, serving as its president, corresponding secretary, and as a member of its executive board. He currently serves as legal counsel for the organization.

Mr. Speaker, the mission statement of the Feasterville Business Association is to foster and encourage growth, progress, and the betterment of the community.

Mr. Hauptman has shown his belief in and dedication to this mission as he serves his community with distinction in his practice of law; his position on the Northampton Township Zoning Hearing Board; and his positions as di-

rector, counsel, and president of the Northampton Community and Economic Development group.

Mr. Hauptman is a black belt in taekwondo and serves as a certified coach and referee for the World Taekwondo Federation.

He and his wife are also the proud parents of three children: Jonathan, Adam, and Allyson, the latter of whom is currently serving our country on Active Duty as a captain in the United States Army.

Mr. Speaker, I would like to once again thank Mr. Hauptman for his service to Bucks County and our constituents, and we congratulate him on his achievement.

REMEMBERING KRISTEN MARIE RIDGE

Mr. FITZPATRICK. Mr. Speaker, it is with a heavy heart that I rise today to recognize the remarkable life of 26-year-old Kristen Marie Ridge, who, on July 5, was taken from us too soon.

Kristen was a veterinary technician at the Animals' Hospital of Levittown. She deeply cared about the safety and well-being of all animals.

Her thoughtfulness continues after her death with her urging friends and family to donate towards animal welfare in lieu of flowers.

Mr. Speaker, Kristen's selflessness is precisely why we recognize her today on the floor of the U.S. House of Representatives.

She is an example of someone with a compassionate heart having a desire to help people and animals in our community.

We send our love to her parents, Susan and Robert Ridge; her sister, Katherine Ridge Mayer; and her grandparents, Rob and Lil Boyson.

May they find peace knowing that Kristen left an indelible mark on our community and she is now enjoying her eternal reward for a life she spent caring for all of God's creatures.

CONGRATULATING ANTHONY CICERO IV AND DAKOTA SNYDER

The SPEAKER pro tempore. The Chair recognizes the gentleman from Pennsylvania (Mr. SMUCKER) for 5 minutes.

Mr. SMUCKER. Mr. Speaker, I rise today to congratulate Anthony Cicero IV and Dakota Snyder of Elizabethtown High School in Lancaster County for their remarkable achievement on winning the Student Angler Federation High School Fishing World Championship last month.

Their partnership led them to victory over 389 high school teams from around the Nation.

Mr. Speaker, these two young gentlemen are no strangers to the water. At their young age, they have been tournament fishing for years and practicing all year round.

Dakota said: "As long as there is no ice, I am out there fishing."

It is a trait that runs in the family, as Anthony and Dakota's fathers fished together as a team as well.

Mr. Speaker, we are blessed with beautiful and great natural resources in York and Lancaster Counties, which will be celebrated and protected through the passage of my legislation to create the Susquehanna National Heritage Area.

I am very thankful that these two young men enjoy spending time in nature while using their talents. I wish them both continued success and congratulate them on their championship victory.

HONORING COMMUNITY LEADERS MAKING AN IMPACT COMBATING THE OPIOID EPIDEMIC

Mr. SMUCKER. Mr. Speaker, I rise today to honor and give thanks to community leaders who are making an impact on the communities I represent in combating the opioid epidemic.

York and Lancaster County are leading the Nation in their community-wide, collaborative approach to help neighbors who are struggling with addiction.

York County District Attorney David Sunday and coroner Pam Gay are leaders in our community. They have brought together community organizations in York County, creating an organization that is now known as the York Opioid Collaborative, assisting in coordination of services and raising awareness about the opioid crisis in our communities and across the Nation.

Similarly, in Lancaster County, Alice Yoder, the director of community health with Penn Medicine, and Lancaster County Commissioner Josh Parsons have led an organization called Joining Forces, another community-wide effort, this one in Lancaster County.

Mr. Speaker, while Congress continues to address this critical issue, we are fortunate in Pennsylvania's 11th District to have public servants leading on the effort to address this horrific epidemic. I thank them and many others across our community who are working together to make a difference.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until noon today.

□ 1200
