

is destructive to our constitutional Republic.

The voice of we the people elects the Representatives, and when they do so, they have a right to the full-throated representation, and that has been denied so far this year because of the arbitrary and capricious and false conclusion that has been drawn by KEVIN MCCARTHY. And so that situation needs took rectified.

Anyone who has read this 6-page fact-check document, not one person has found a hole in it. Not one rational person has found a hole in it.

Those that did read it and considered it said: You make some good points; yes, it makes sense. Well, we maybe have to find a time to fix this, but it is not very convenient right now.

My point is, Madam Speaker, that if you find that somebody has been locked up in jail and the DNA tests prove that they are not guilty, you don't wait until they have a good job. You open up the doors and you give them back their freedom. And in this case, you give back to the people of Iowa the full-throated representation of their senior Member, the dean of the Iowa House of Representatives.

And one of the things my constituents like about me is they always get the straight, unvarnished truth whether they like it or not. And they will come up and they will say: I don't agree with you on everything, but I know that you are telling me the truth; I know you are working hard; and I know that you are objective in this, and we need somebody that we don't have to wonder what they are saying.

I don't ever dance around with words. I tell people what I think and what I know; and I give them the good news when it is there, and I am eager to do so, and I give them the bad news when it is time because they deserve the straightest of answers.

We are straight talkers in the Midwest. We are descended from people that came across the prairie to live free or die out there in the plains, and

we built a pretty good place. It is the best place in the world to live and raise a family.

We have people that are coming back. When they are young, sometimes they will go off and look at the rest of the country or the world, but they come back, especially when it is time for the kids to go to school, and they contribute back to the community, generation on top of generation on top of generation.

That is some of the things that I have worked to establish.

In the time I have been here in Congress, we have taken Iowa into number one, the Fourth Congressional District into number one in the production of renewable fuels and energy. By the time you add together the ethanol, biodiesel, wind and, now, solar, we produce more BTUS of energy than any other congressional district that is a renewable outside of this.

We have gotten transportation routes that have been set up, four-lane Highway 20 is done. We rank in the top first or second or third in corn and soybeans and in pork and in egg production, right at or near the top in all of that. It is a wholesome place.

When I look outside from my place, I see no neighbors, but I never had a bad one. And we have got a crop that looks great this year.

When I see all those little kids boiling up to the front of our church to put their dollar in the basket, those kids are going to grow up in those communities, too, and we are going to have generation after generation that replicates and improves upon the success that we have had.

But we can't do that if we are going to live in a country where there is an arbitrary censorship taking place and no opportunity for me to even defend myself.

Innocent until proven guilty? Well, that is true for a whole bunch of these people that I named, but STEVE KING, instead, is guilty by accusation, guilty by false allegation, even now that I have proven to the House of Represent-

atives that, beyond any reasonable question, this was a misquote. It was something that was ginned up, and it created a political lynch mob.

It is time to cut the rope and get me back in full force of where my constituents deserve, to give them the fullest representation that is there.

I will face any accuser any time, and I will deliver all the facts; and if anybody can find a hole in this 6-page fact-check document or any other statement that I have made, I would be very happy to look anybody in the eye to answer those questions.

Madam Speaker, I appreciate your attention to this matter here this evening, and I yield back the balance of my time.
