So the joint resolution was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

2019 CONGRESSIONAL FOOTBALL GAME

(Mr. PANETTA asked and was given permission to address the House for 1 minute.)

Mr. PANETTA. Mr. Speaker, I rise today with my Democratic and Republican colleagues to present to you, to present to this body, a trophy that recognizes something that hasn't been done in over a decade.

Now, I am not talking about the 2009 Raise the Wage Act. I am not talking about the 2009 Hate Crimes Act. I am not even talking about the creation of the Office of Congressional Ethics in 2009.

What I am talking about is that these Congressmen in front of you actually beat the Capitol Police in football on Tuesday night for the first time in a decade.

Now, at the game, Mr. Speaker, fortunately, there were no serious injuries. At practice, there was, but not at the game.

We had a lot of sore muscles, but most importantly, we did raise a heck of a lot of money for local charities and the Capitol Police Memorial Fund.

So, Mr. Speaker, I present this trophy to you, this rather large trophy to

you, I present it to this body as a reward for that victory, but also a small reminder of what Democrats and Republicans can do when we work together.

Mr. Speaker, I yield to the gentleman from Illinois (Mr. RODNEY DAVIS).

Mr. RODNEY DAVIS of Illinois. Mr. Speaker, I want to say thank you to everybody standing up here. They came to practices in the mornings, they braved serious injuries.

Mr. Speaker, a special shout-out goes to our colleague, RICK CRAWFORD, who is not here, who broke a fibula trying to play for this game. We missed him.

Mr. Speaker, another shout-out goes to Bob Dole and Jeff Denham, former Members who have played, but certainly our pros that helped coach us, John Booty and Ken Harvey. All of them deserve thanks.

Mr. Speaker, I ask all Members, whenever they see these great Capitol Police officers, thank them for what they do each and every day for us and for the millions of visitors that come to this institution. But remind them that the charities are the winners, and make sure they know that the Members are the victors.

JOINT TASK FORCE TO COMBAT OPIOID TRAFFICKING ACT OF 2019

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 3722) to amend the Homeland Security Act of 2002 to authorize a Joint Task Force to enhance integration of the Department of Homeland Security's border security operations to detect, interdict, disrupt, and prevent narcotics, such as fentanyl and other synthetic opioids, from entering the United States, and for other purposes, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. CORREA) that the House suspend the rules and pass the bill.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 403, nays 1, not voting 29, as follows:

Whereas on May 12, 2009, the House approved H. Res. 424, authorizing and directing the Committee on the Judiciary to inquire whether the House should impeach Samuel B. Kent, a judge of the United States District Court for the Southern District of Texas;

Whereas on January 13, 2009, the House approved H. Res. 15, authorizing and directing the Committee on the Judiciary to inquire whether the House should impeach G. Thomas Porteous, a judge of the United States District Court for the Eastern District of Louisiana;

Whereas on October 8, 1998, the House approved H. Res. 581, authorizing and directing the Committee on the Judiciary to investigate whether sufficient grounds exist for the impeachment of William Jefferson Clinton, President of the United States;

Whereas the Committee Report to accompany H. Res. 581 stated: "Because the issue of impeachment is of such overwhelming importance, the Committee decided that it must receive authorization from the full House before proceeding on any further course of action";

Whereas that report further stated: "Because impeachment is delegated solely to the House of Representatives by the Constitution, the full House of Representatives should be involved in critical decision making regarding various stages of impeachment";

Whereas the Speaker's extraordinary decision to move forward with an impeachment inquiry without any debate or vote on such a resolution by the full House undermines the voting privileges afforded to each Member and the constituents they represent; and

Whereas this unprecedented and politically motivated decision by Speaker Pelosi represents an abuse of power and brings discredit to the House of Representatives: Now, therefore, be it

Resolved, That the House of Representatives disapproves of the actions of the Speaker of the House, Mrs. Pelosi of California, to initiate an impeachment inquiry against the duly elected President of the United States, Donald J. Trump.

The SPEAKER pro tempore. The resolution presents a question of the privileges of the House.

MOTION TO TABLE

Mr. HOYER. Madam Speaker, I have a motion at the desk.

The SPEAKER pro tempore. The Clerk will report the motion.

The Clerk read as follows:

Mr. Hoyer moves that the resolution be laid on the table.

The SPEAKER pro tempore. The question is on the motion to table.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

RECORDED VOTE

Mr. McCARTHY. Madam Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, this 5-minute vote on the motion to table will be followed by a 5-minute vote on agreeing to the Speaker's approval of the Journal, if ordered.

The vote was taken by electronic device, and there were—ayes 222, noes 184, not voting 27, as follows:
