□ 1900

Messrs. STEUBE and CRIST changed their vote from “nay” to “yea.”

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PARLIAMENTARY INQUIRY

Mr. SCALISE. Madam Speaker, I have a parliamentary inquiry.

The SPEAKER pro tempore. The gentleman will state his parliamentary inquiry.

Mr. SCALISE. Madam Speaker, only three times in the history of our country has the House moved forward with an impeachment process. Currently, Madam Speaker, in all three of those cases, the House has taken an actual vote to start the process.

The SPEAKER pro tempore. The gentleman is not stating a proper parliamentary inquiry.

Mr. SCALISE. Madam Speaker, my parliamentary inquiry is this: Has the House been authorized to conduct an impeachment inquiry into President Trump?

The SPEAKER pro tempore. The gentleman is not stating a proper parliamentary inquiry.

Mr. SCALISE. Madam Speaker, we ought to know the answer to that question.

HOMELESS VETERAN FAMILIES ACT

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 95) to amend title 38, United States Code, to ensure that children of homeless veterans are included in the calculation of the amounts of certain per diem grants, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. TAKANO) that the House suspend the rules and pass the bill.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 408, nays 0, not voting 24, as follows:

MESOTHELIOMA AWARENESS MONTH

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Madam Speaker, I want to take a moment to discuss mesothelioma.

Mesothelioma is generally a cancer of the lungs. Most cases come from exposure to asbestos, a popular fireproofing material used in homes and buildings in the mid-20th century. It is a deadly disease. Ninety percent of patients die within 5 years.

My home State of New Jersey ranks fifth nationally in mesothelioma deaths.

Yet, it is one of the only cancers without a patient registry. A registry would allow researchers to study patients, look for common conditions, and create new cures to help them live longer lives.

Our bill, the Mary Jo Lawyer Spano Mesothelioma Patient Registry Act, would provide funding to do just that. We need to pass this bill so we can truly research this deadly disease and provide more hope for these patients.

CONGRATULATING DR. PATRICK E.T. GODBEY

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to recognize Dr. Pat Godbey, who was sworn in as the president of the American College of Pathologists on September 18.

The college's 36th president, Dr. Godbey has been active with the organization for the last 25 years, serving on numerous committees and councils. His election is an extraordinary honor, with the College of American Pathologists being the world's largest association of board-certified pathologists.

As president, Dr. Godbey will be tasked with continuing their commitment to creating accountable, high-quality, and cost-effective patient care.

I know that he is up to the task. He has already served a 2-year term as president and maintains an exceptional track record as director of the Southeast Georgia Health System in the First Congressional District of Georgia.

Congratulations on your election, Dr. Godbey. Keep up the good work.

HISPANIC HERITAGE MONTH

(Ms. MUCARSEL-POWELL asked and was given permission to address the House for 1 minute.)

Ms. MUCARSEL-POWELL. Madam Speaker, since St. Augustine, Florida, was founded as the first permanent settlement in 1565, the Hispanic and Latino communities have laid the foundations of the prosperous country we are all proud to call home.

Last Friday, October 11, I had the privilege to honor several south Florida leaders for their contributions.

Christina Campos is a Mexican-American mother of two who was raised in Homestead and now serves as Homestead Senior High School's community liaison.

Dr. Guilarte immigrated to the United States from Cuba when he was 10. He is a respected scientist and educator who became the dean of the FIU College of Public Health.

The Mexican-American Council's Homestead Mariachi Conservatory was recognized as Florida's premier mariachi music school for children.

Maria Nardi leads the Nation's third-largest accredited park system in the country, providing welcoming environments for all families in Florida.

On this final day of National Hispanic Heritage Month, let's remember that for many Americans across all parts of our country, Hispanic heritage is celebrated as something that we live every day.

RECOGNIZING FORSYTH COUNTRY DAY SCHOOL FOR NATIONAL ATHLETIC TRAINERS' ASSOCIATION SAFE SCHOOL SPORTS AWARD

(Ms. FOXX of North Carolina asked and was given permission to address the House for 1 minute.)

Ms. FOXX of North Carolina. Madam Speaker, I rise to recognize Forsyth Country Day School in Lewisville, North Carolina, on receiving the National Athletic Trainers' Association Safe Schools Sports Award. This honor is given to academic institutions that demonstrate excellence in prioritizing safe athletic programs that keep students injury-free.

Students' health and safety should always come first. However, often in our culture, health and safety take a back seat when students face high pressure to compete and perform. Such risks are counterproductive to the personal growth that schools like Forsyth Country Day School strive to foster through their athletic programs.

I applaud Forsyth Country Day School on its authentic dedication to students' development through athletics. I commend its administrators, faculty, and coaches for earning this prestigious award.

SUPPORT THE NATIONAL WORLD WAR II COMMEMORATIVE COIN ACT

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Madam Speaker, the dedication of the World War II Memorial in 2004 on our National Mall culminated a 17-year effort in Congress to construct the first national memorial dedicated to the 16 million Americans who served in the Armed Forces during World War II and the more than 400,000 who gave their lives. It honors the 20th century's greatest accomplishment, the victory of liberty over tyranny.

As the Representative who introduced the original legislation to construct the memorial, I rise tonight in support of the National World War II Commemorative Coin Act.

This bipartisan piece of legislation, which I am honored to introduce alongside my friend and colleague Representative PETER KING from New York, authorizes the U.S. Treasury to mint coins in commemoration of the National World War II Memorial in Washington, D.C.
