

In June of this year, seven members of Jarheads Motorcycle Club were tragically killed in my district when they were hit by a truck that crossed over into the wrong lane on Route 2 in Randolph, New Hampshire.

The Massachusetts driver responsible for this accident should not have had an active driver's license and should not have been behind the wheel that day. Despite his criminal history, the driver still had a license because of a loophole where State DMVs often do not process out-of-State infractions.

The SAFE DRIVERS Act would help States implement electronic systems to ensure that dangerous drivers are kept off our roads. By incentivizing States to modernize their databases, we can keep our roads safe and prevent further tragedies.

CONGRATULATING STAFF SERGEANT DAKOTA BOWEN, NCO OF 2019

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Madam Speaker, congratulations to Staff Sergeant Dakota Bowen, who serves with Charlie Company, 3rd Battalion, 39th Infantry Regiment, at Fort Jackson, South Carolina. He is the Army's 2019 Noncommissioned Officer of the Year.

The NCO of the Year is the Army's top soldier, with competition annually on a variety of tasks testing their knowledge, skills, and abilities. Staff Sergeant Bowen emerged as the top NCO of the competition to win soldier of the year as this year's top NCO.

General Joseph Martin, the Army Vice Chief of Staff, calls NCOs the heart and soul of the Army. "When the Army desperately needs leadership, we turn to you, and you have never failed us," he said in a keynote speech at the awards ceremony.

As a 30-year Army veteran myself with three sons who have served in the Army, I know firsthand that this analysis is correct.

South Carolina is grateful for Staff Sergeant Dakota Bowen and his commitment to American families, promoting the truth that freedom is not free.

In conclusion, God bless our troops, and we will never forget September the 11th, or the anniversary today of the Beirut bombing, murdering 241 servicemembers, in the global war on terrorism.

HONORING THE LIFE OF FRANK "TOWKAR" APPICE

(Mr. ROSE of New York asked and was given permission to address the House for 1 minute.)

Mr. ROSE of New York. Madam Speaker, I rise today to honor the life of Frank "TowKar" Appice, a veteran of the U.S. Navy, avid motorcyclist, and active member of our community.

He passed away in 2017, but he is not forgotten. I am so proud that we recently named a street after him on Staten Island.

Frank was the founder and chairman of the board of Rolling Thunder, Chapter 2 New York, as well as an integral part of creating two chapters in Brooklyn.

Frank always wanted to use motorcycling to give back to our community, particularly our veterans. Every year, he oversaw the Disabled American Veterans support run for Chapter 2 New York, raising over \$75,000 for disabled veterans.

It is a fitting honor that his wife and children have formed a scholarship fund in his honor. This fund will continue Frank's passion for supporting veterans, ensuring that children of veterans or students who volunteer with veterans organizations can afford an education.

This scholarship ensures that we will always remember and learn from Frank and his legacy of service.

Frank, we will continue to honor you and your work.

God Bless Frank, and God bless the United States of America.

CONDEMNING UNFAIR IMPEACHMENT PROCEEDINGS

(Mr. COMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COMER. Madam Speaker, I rise today to strongly condemn the unfair, closed-door, hyperpartisan, impeachment inquiry process being conducted by House Democrats.

Nothing, not even the cold, hard facts, will stop the partisan politics of my colleagues on the left from nullifying the 2016 election.

One of Speaker PELOSI's committee chairs who she chose to lead this process promised years ago that she would find a way to impeach the President. This has been the plan from the beginning.

Certain minority rights have been denied to Republicans during this process, like equal subpoena power, a right that Republicans provided Democrats during the Clinton impeachment.

Chairman SCHIFF started this trend of dishonesty by promoting false allegations related to the President and Russia. Now, he has publicly mischaracterized his committee's handling of the whistleblower inquiry and deceived the American people about his relationship with the whistleblower.

Democrats still refuse to hold a full House vote on their impeachment inquiry, yet they continue this baseless impeachment inquiry of President Trump instead of tackling the issues most important to our citizens.

I urge the American people to take a hard look at the lack of transparency and accountability surrounding this unfounded impeachment inquiry.

HONORING GEORGE RAMIREZ FOR HIS CONTRIBUTIONS TO BROWNSVILLE, TEXAS

(Mr. VELA asked and was given permission to address the House for 1 minute.)

Mr. VELA. Madam Speaker, I rise today to honor Mr. George Ramirez for his extraordinary contribution to the culture and arts in Brownsville, Texas.

Mr. Ramirez was the longtime president of the Brownsville Society for the Performing Arts and founder of the Brownsville Latin Jazz Festival. He has been invaluable in bringing quality cultural entertainment to my community. Under Mr. Ramirez' leadership, the Brownsville Society for the Performing Arts has produced hundreds of shows, concerts, and cultural programs.

He dedicated his life to making the arts accessible to the people of the Rio Grande Valley.

In June 2017, Mr. Ramirez established his own low-powered radio station, which enabled him to bring music to everyone.

Mr. Ramirez helped create a number of cultural events, including the Brownsville Guitar Ensemble Festival and Competition, the Brownsville International Flamenco Festival, and the Ancient Cultures Festival.

He also spearheaded the efforts to bring Handel's "Messiah" concerts to Brownsville, Mozart's "Requiem in D Minor," Bach's "Mass in B Minor," and the annual children's "Hansel and Gretel" opera production.

A group of students in the University of Texas opera program had never seen an opera, so he coordinated and funded a trip to take them to the Houston Grand Opera. He was very active in helping students gain exposure to the arts, offering several music scholarships.

Mr. Ramirez' latest accomplishment was playing a vital role in the opening of the Brownsville Performing Arts Academy, a place that will carry on the tradition of Mr. Ramirez' work.

STOP POLITICAL GAMES AND GET BACK TO WORK

(Mr. GUEST asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GUEST. Madam Speaker, the impeachment of a President is a serious process that will have lasting effects on our Republic. It requires a transparent and trustworthy Congress to conduct a proper investigation because of the attempts to undo the will of the American people.

As a former prosecutor, I know that holding hearings behind closed doors is not transparent. Withholding information from the American people does not promote trust. Misconstruing the facts to the American public is not proper.

These actions alone point to an illegitimate process that will continue to

divide our Nation for the sake of partisan politics.

I ask, is the political gamesmanship worth letting our infrastructure continue to crumble? Is it worth ignoring the opioid crisis in our country? Is it worth undermining our democracy to attack a duly elected President?

We have real problems in this country that the American people elected us to solve, and we cannot ignore these problems while we focus on this improper and partisan political process.

Madam Speaker, I encourage my colleagues across the aisle to stop the political games so that we can get back to work on the issues that are important to the American people.

PRESCRIPTION DRUG PRICES

(Mr. SCHRADER asked and was given permission to address the House for 1 minute.)

Mr. SCHRADER. Madam Speaker, I rise today in support of H.R. 3, the Lower Drug Costs Now Act of 2019.

It is high time that our struggling seniors are given the right to negotiate drug costs just like we have in commercial plans, the Veterans Administration, the Department of Defense, and Medicaid.

Seniors should not be subject to artificially high copays and out-of-pocket expenses because of an out-of-date law that prohibits Medicare from negotiating prices with pharmaceutical companies. Price negotiation is a free market principle that our country embraces in almost every other aspect of life. Why should our seniors not have the same right?

H.R. 3 also limits Medicare part D out-of-pocket expenses to \$2,000 a year. This aligns closely with how the private market works and a Senate companion bill.

Making sure seniors can afford their medicines keeps them out of the expensive hospital system and saves patients and taxpayers, alike, lots of money.

Finally, there is an effort in the bill to limit the inflationary impact on drug costs that have been on the market for a long time and improve price transparency so we can actually shed some light on what is going on.

This is long overdue. It is time for bipartisan and bicameral action on one of the most pressing issues of our day for seniors and all Americans.

FIND AGREEMENT ON USMCA

(Mrs. AXNE asked and was given permission to address the House for 1 minute.)

Mrs. AXNE. Madam Speaker, I rise today to urge my colleagues to continue to work with U.S. Trade Representative Robert Lighthizer to find agreement on the USMCA soon.

I visit each of the 16 counties in my district every month, and whether it is touring manufacturers, visiting with

farmers, or stopping into small businesses, everywhere I go the message is loud and clear: Uncertainty is hurting our bottom line.

Agriculture is the backbone of Iowa's economy. One out of every \$5 is produced from Iowa agriculture in our State. Supporting farmers is neither a partisan nor a political issue; it is simply the right thing to do.

Between devastating weather events, ongoing trade wars, and the EPA's unprecedented abuse of biofuel waivers, our farmers have been put through enough. They are asking for our help. As elected Representatives, we owe them the right answer. We must answer their call and get this deal done right and without unnecessary delay.

Madam Speaker, I thank my colleagues for the work they have done, and I urge them to expedite negotiations and finalize this agreement soon to make sure that we can make lives whole for the people suffering in the State of Iowa and across this country.

MINOR LEAGUE BASEBALL

(Mrs. TRAHAN asked and was given permission to address the House for 1 minute.)

Mrs. TRAHAN. Madam Speaker, I rise today on behalf of millions of Americans to call "foul" on Major League Baseball.

This week, Major League Baseball is discussing a proposal to cut the number of minor league franchises by 25 percent. The Lowell Spinners, a Red Sox affiliate, is among the 42 teams being forced out.

This plan is a betrayal of the fans and players as well as stadium vendors and employees around the Nation. It is an affront to the people of Lowell who swung for the fences in building LeLacheur Park, one of the Nation's best minor league parks.

As the World Series gets underway, remember that the minor league system produces the talent we see on the baseball diamond. MLB's plan is way off base and will hurt so many communities across the country that rely on minor league teams' presence.

Let's call it a balk and get back to rooting for the home team.

THE NEW NORMAL: BLACKOUTS

(Mr. HARDER of California asked and was given permission to address the House for 1 minute.)

Mr. HARDER of California. Madam Speaker, I rise in frustration for my constituents in California's Central Valley. Folks across my community are reeling from blackouts caused by greed, corruption, and mismanagement at our State's largest utility, PG&E.

I am not the only one who is fed up. More than 1,000 people in my district had their power cut by PG&E, some for days.

Now the company is saying more blackouts could be coming this week and that it could be the new normal for

the next decade. I refuse to accept that.

Regular people can't choose to not pay their bills, and PG&E shouldn't be able to abuse that fact by refusing to invest in their grid. These blackouts are happening because rich executives decided to give themselves millions of dollars in bonuses instead of investing in their crumbling infrastructure.

Hundreds of thousands of people lost power because of these executives' greed. PG&E even proposed handing out another \$16 million in additional bonuses this year. It took a judge to stop their plan. Meanwhile, their shut-offs are estimated to cost our families more than \$2 billion.

MEDICARE LOW-INCOME LEGISLATION

(Mr. DELGADO asked and was given permission to address the House for 1 minute.)

Mr. DELGADO. Madam Speaker, I rise today on behalf of seniors in upstate New York.

This August, I joined a forum with AARP in New Paltz on the need to address the skyrocketing cost of prescription drugs in our communities. I heard harrowing stories from seniors, many of whom are on fixed income, who have seen the medication they rely on triple in price.

The system is working against our seniors. Right now, qualified covered retirement accounts are included in determining income and eligibility under the Medicare part D low-income subsidy program, and this means seniors must choose between saving for retirement and lifesaving medication.

Saving for retirement shouldn't jeopardize how low-income subsidies for Medicare part D beneficiaries are distributed. That is why I joined my colleagues in introducing H.R. 4655, the Enhancing Retirement Security for Medicare Beneficiaries Act of 2019, to remove retirement accounts from that determination and lower out-of-pocket costs for our seniors.

Madam Speaker, I urge my colleagues to support H.R. 4655.

ELECTION REFORM

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Madam Speaker, this Saturday, October 26, early voting begins in New York State for the first time, expanding the window for voters to select their government representatives.

This country has long upheld its protection of free and fair elections, keeping the power and decisionmaking where it should be: with, and only with, the American people.

Foreign interference in our elections is real, and its existence is threatening the legitimacy of our elections, national security, and the democracy this Nation was founded on.
