THE JOURNAL

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the question on agreeing to the Speaker's approval of the Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.

AFFORDABLE DRUG COSTS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to praise my colleagues in this Chamber for the support of the Lower Drug Costs Now Act.

This bill will make it easier for elderly and disabled citizens to get the life-saving and life-preserving medications they need at prices they can afford.

It would finally give Medicare the power to negotiate directly with the drug companies to get these prices lower. Once they agree on a new price, this bill would make that price available to the American people with private insurance as well as those with Medicare. Then it would take some of the savings from these lowered prices and use it to find new cures for cancer and other diseases through NIH.

Mr. Speaker, I am proud of this bill and my party's continued commitment to people over profits.

HONORING OUR VETERANS

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, on Saturday, we marked the 30th anniversary of the fall of the Berlin Wall. This momentous day marks a turning point in history.

I am thankful for the leadership of President Ronald Reagan with Pope John Paul II and Prime Minister Margaret Thatcher for this triumph.

Veterans worked to put their vision of democracy into action with victory over communism by peace through strength. U.S. military veterans can cite that we have more countries today living in freedom and democracy than in the history of the world.

Yesterday, we observed Veterans Day, an opportunity to recognize freedom is not free. From tearing down the Berlin Wall 30 years ago to the recent operation in Syria to remove the murderous leader of ISIS, the continued resolve our servicemembers have to protect American families is steadfast. We will honor these sacrifices and veterans and military families, and they shall always be appreciated.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

CAREER COUNSELORS

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, in schools across my home State of Rhode Island and across the country, career counselors provide students with the guidance they need to navigate their academic and career pathways. It is therefore critical that these counselors have up-to-date information about all the options available to their students, including career and technical education, or CTE.
