

Congress of Chinese officials responsible for the mass incarceration, political indoctrination, or reeducation efforts and to impose Global Magnitsky Act sanctions for all those on the list. It also includes needed export restrictions on technology critical to the Chinese government's ability to suppress human rights and individual privacy.

With passage of this legislation, it should be clear that Congress stands in solidarity with the Uyghur people and other suppressed minorities affected by the mass internment and surveillance system in the Xinjiang region, and we will continue to do all we can to support the full exercise of their human rights in Xinjiang and in China.
