MOMENT OF SILENCE HONORING THE LIVES AND MEMORY OF THREE BRAVE MINNESOTA NATIONAL GUARDSMEN

(Mr. EMMER asked and was given permission to address the House for 1 minute.)

Mr. EMMER. Madam Speaker, on December 5, Minnesotans learned of the disappearance of a Minnesota National Guard UH-60 Black Hawk helicopter carrying three National Guardsmen during a maintenance test flight.

Unfortunately, this fateful flight, which originated from St. Cloud, Minnesota, saw the lives of Chief Warrant Officer 2 James A. Rogers, Jr., Chief Warrant Officer 2 Charles P. Nord, and Sergeant Kort M. Plantenberg all tragically lost that day.

Today my colleagues and I join together to honor the memories of these brave Minnesotans and to send our deepest sympathies to their families and loved ones.

Whether deployed overseas or training here at home, members of our Armed Forces routinely put their lives at risk to ensure the safety and security of our Nation.

We pray these families are able to find some peace and comfort during this tragic time and that they know that their fellow Minnesotans and their Nation mourn with them.

We are eternally grateful for their loved ones' sacrifice and service to our great State of Minnesota and to the Nation. Their memories and legacies will never be forgotten.

In honor of James A. Rogers, Jr., Charles P. Nord, and Kort M. Plantenberg, I ask that all Members and guests in the gallery rise for a moment of silence to honor these heroes.

HONORING QUILLA TALMADGE

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Madam Speaker, I rise today to honor East Orange City Councilwoman Quilla Talmadge. Councilwoman Talmadge has served the citizens of East Orange with distinction for 30 years.

Her political career started as president of her third ward neighborhood. It continued with her active leadership as a member of her local Parent Teacher Association, local NAACP, and the National Council of Negro Women, among many others.

She has won numerous awards for her community and church involvement.

Recently, the New Jersey State League of Municipalities inducted her into the Elected Officials Hall of Fame.

Councilwoman Talmadge is retiring from the city council this year, but she has left a legacy that will be remembered for many years to come.

Madam Speaker, I ask my colleagues to join me and the residents of East Orange in commending her service to her community.

PEARL HARBOR REMEMBRANCE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, this past weekend, we remembered and reflected on the 78th anniversary of the devastating naval base attack in Pearl Harbor, Hawaii. This act of war against our Nation prompted our entry into World War II.

The surprise attack by the Japanese on the morning of December 7, 1941, left 2,403 people dead. Among them were members of the U.S. Navy, Army, Marines, as well as civilians.

It was one of the deadliest attacks in U.S. history. President Franklin Delano Roosevelt described it as a "date which will live in infamy."

Madam Speaker, let us honor the lives of those brave Americans who perished on that day 78 years ago.

As President Roosevelt said: "No matter how long it may take us to overcome this premeditated invasion, the American people in their righteous might will win through to absolute victory."

And we did.

May God bless all of our Pearl Harbor victims and survivors.

12 DAYS OF SALT

(Ms. SHERRILL asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. SHERRILL. Madam Speaker, on this fourth day of SALT, my constituents have said to me that the SALT cap has impacted their ability to engage in charitable giving.

Capping SALT deductions will substantially reduce the number of itemizers and, therefore, will reduce the number of households that will benefit from the tax incentive for charitable giving.

The Tax Policy Center estimates that only 8 percent of all households will take the charitable gift deduction in 2018, compared to 21 percent in 2017.

While people give generously to charities for many reasons, studies clearly show a positive relationship between the existence of a tax incentive and the amount donated.

The reductions in giving that will result from this bill will be devastating to charities and to the people, communities, and causes that depend on them.

New Jersey's charities and nonprofit organizations provide critical services to our community that range from providing support services to individuals suffering from addiction to providing shelter for battered women and their children and providing disaster relief.

Additionally, New Jersey charities employ almost 10 percent of the State's private workforce.

The programs, services, and economic benefits provided by nonprofits are critical factors in making New Jersey an attractive place to live, work, or start a business. The SALT cap puts all of this at risk.
