ENFORCEMENT REPORT OF POINTS OF ORDER RAISED SINCE THE FY 2019 ENFORCEMENT FILING

Vote	Date	Measure	Violation	Motion to Waive	Result
127	June 18, 2018	H.R. 5515—John S. McCain National Defense Authorization Act for Fiscal Year 2019.	4106(a)–Senate–Pay-As-You-Go Violation ¹ .	Sen. McConnell (R–KY) ²	81–14, waived
192	August 23, 2018	S. Amdt #3695 to H.R. 6157, the Defense, Labor, HHS, and Education Appropriations Act ³ .	314(a) CHIMP with Net-Costs ...	Sen. Leahy (D–VT)	68–24, waived

¹ Senator Sanders raised a section 4106(a) of H. Con. Res. 71 (115th Congress) point of order against the bill because the bill would increase the on-budget deficit.² By unanimous consent the Senate proceeded to a roll call vote to waive the point of order.³ This surgical point of order would have struck lines 7–8 of page 270 in Division B (Title III) of the substitute amendment, which was related to the Pell Grant program. This provision was a Change in Mandatory Program (CHIMP) estimated to increase spending by \$390 million over 10 years.

TRIBUTE TO MAE STEVENS

Mr. CARDIN. Mr. President, I would like to take this opportunity to thank Mae Stevens, a member of my legislative staff, for her service on my behalf to the people of Maryland and the Nation. Mae Stevens has served as my environmental policy adviser since 2015. In this role, she has advanced my priorities as the ranking member of the Transportation and Infrastructure Subcommittee on the Senate Environment and Public Works Committee. She has dedicated much of her time as a member of my staff to formulating and advancing sound policies at the intersection of drinking water, wastewater, stormwater, source water protection, equity, and affordability. I very much appreciate all that we achieved during her tenure in my office. Mae has spent more than 7 years on Capitol Hill and,

9 years prior to that, at various non-profit environmental organizations.

Mae enrolled at Columbia University's School of International and Public Affairs to earn a master of public administration from Columbia's Earth Institute. After Mae received her MPA, she worked as a policy adviser in the clean energy program at Third Way. From there, she joined the office of Representative Russ Carnahan, who represented Missouri's Third Congressional District. Later, she worked for Representative MATT CARTWRIGHT of Pennsylvania, who represented the 17th Congressional District at the time.

Mae learned about hard work from her parents. Her father Raymond “Art” Stevens owned an ice cream parlor in Royal Oak, MI, and her mother Jaky Van Dox dressed mannequins in clothing stores in the metro Detroit area. They spent every extra penny they had on ice skating lessons for their daugh-

ter, teaching her the grit, dedication, and perseverance she uses every day in my office. I know they are extremely proud of the good work she has done in my office and will continue to do in private sector.

Mae believes that people in every community across America—urban, rural, and suburban—have a right to expect that the water coming from their tap is safe to drink and that Congress will do everything within its power to ensure that happens. Mae helped me to ensure that, for the third Water Resources Development Act—WRDA—in a row, Congress included updates to our Nation's drinking water, wastewater, and stormwater infrastructure to meet our water infrastructure backlog demands, while addressing the needs of our communities and our environment.

Mae also fought for Maryland priorities in the Senate's 2018 WRDA, including helping me double the amount of Federal funding spent on drinking water infrastructure, nationally and at the State level, and reauthorize the Water Infrastructure Finance and Innovation Act, WIFIA, a low-cost financing mechanism for large water infrastructure projects. Baltimore, MD, is one of 12 projects in nine States that will receive the first of the WIFIA grants in 2019. This will help the 1.8 million people served by the Baltimore Department of Public Works continue to have some of the cleanest, safest, and more reliable drinking water in the country.

Clean water is not a partisan issue, and Mae worked with her colleagues on both sides of the aisle and Capitol Hill to develop legislation that will benefit our aging water resources and infrastructure. The Senate passed the 2018 WRDA reauthorization by a vote of 99-1, a testament to the hard, bipartisan work of the majority and minority staff on EPW, personal staff like Mae, and the committee members. I was proud to be involved.

Mae conscientiously strives to reduce her personal carbon footprint. One way she does this is by commuting to and from work on her bike. She helped me to increase funding for the Transportation Alternatives Program, TAP, and ensure that cities and counties continue to have a voice in how Federal dollars are spent on these important programs in the Fixing America's Surface Transportation—FAST—Act.

As the British primatologist and anthropologist Jane Goodall has said, “You cannot get through a single day without having an impact on the world around you. What you do makes a difference and you have to decide what kind of a difference you want to make.” I want to thank Mae Stevens for the difference she has decided to make—and will continue to make—and wish her the best of luck in her future endeavors. Of course, even though she is leaving the Hill, she will always be a member of Team Cardin.

REMEMBERING DICK BARCLAY

• Mr. BOOZMAN. Mr. President, today I wish to remember and pay tribute to Dick Barclay. Dick was a friend and civic leader from Rogers, AR, who passed away from complications due to Alzheimer's last week at the age of 81.

Born in Oberlin, KS, Dick attended Kansas State University before his honeymoon brought him to Arkansas. Dick and Jan eventually moved to Rogers where Dick, along with his brother Charles, opened a successful public accounting firm that served the area for decades. When I first moved to Rogers in the 1970s, naturally, Dick was one of the first people I met and someone I quickly grew to lean on and turn to for his consistently sound advice.

In addition to his successful career as a trusted accountant in northwest Arkansas, Dick put his belief in community service into practice throughout his entire life. He served in the Arkansas House of Representatives from 1976 until 1992. In 1996, he joined Governor Mike Huckabee's administration, where he put his financial expertise to use as executive director of budget, legislative affairs, and policy. He went on to become Arkansas's chief fiscal officer and directed the Arkansas Department of Finance and Administration in 1999.

Dick didn't believe that holding public office alone was where his call to service ended, though. He was active among many different groups and organizations that worked to improve life in Rogers and in greater northwest Arkansas. A few such roles included serving on the board of the Northwest Arkansas Community College Foundation, as president and board member of the Rogers Little Theater, chairman of the Rogers-Lowell Chamber of Commerce, commissioner of the Arkansas Economic Development Commission, member and president of the Northwest Arkansas Council, and chairman of the Arkansas State Chamber of Commerce. He also led the Benton County Republican Party for a time.

A man of strong faith, Dick was a board chair and elder at First Christian Church in Rogers. One of his sons went on to lead services at Fellowship Bible Church, and Dick, along with his wife, was proud to attend services there to show his support. He has already been remembered by others as being a devoted family man and a person of principle and integrity with the highest ethics. He was all these things and more, including a talented musician who played in a bluegrass band with friends and also performed with a barbershop quartet.

As a former colleague described him, Dick Barclay was a “quintessential public servant.” He had a tremendous impact across northwest Arkansas. His example of leadership and dedication are truly worthy of emulation by anyone who wishes to do the important work required to better their own town, community, and entire state.

I greatly admired and respected Dick and will feel his loss keenly, as will so many others in Rogers and throughout Benton County and northwest Arkansas. My thoughts and prayers are with Jan and the entire Barclay family at this difficult time. Dick's legacy of service, his ever-present positivity, and the difference he made in countless lives will be remembered for years to come.●

TRIBUTE TO MARSHALL WILLIAMS

• Mr. DAINES. Mr. President, this week I have the honor of recognizing Marshall Williams of Powder River County for his impact on the community of Broadus.

Marshall has spent the last 39 years educating students in the small south-

east Montana community and ensuring their future success. Mr. Williams recently received the 2018 Montana Career and Technical Education Lifetime Achievement Award. The Association for Career and Technical Education is a nationwide organization who recognize career and technical educators for their professionalism and leadership in their field. They are one of the largest national education association dedicated to the advancement of education. This prestigious award is for dedicated educators who have spent an extended period of time in their respective fields.

Mr. Williams has selflessly given to each of his students, dedicating his time and efforts to ensure their success. Marshall is currently a teacher at Broadus High School, where he teaches ag education and shop. Mr. Williams is constantly looking for ways to improve student's education, as he works closely with teachers, administrators, and even local businesses as a means of open communication on how to progress their communities' education system.

I congratulate Marshall on being a selfless educator to the Broadus community. I look forward to seeing his success continue to grow as each of his students goes on to achieve their own success.●

TRIBUTE TO HOLLY GATLING

• Mr. GRAHAM. Mr. President, I ask my fellow colleagues to join me in celebrating Ms. Holly Gatling's dedicated service as the executive director of South Carolina Citizens for Life.

Holly earned a bachelor's degree in journalism from the University of South Carolina in 1972. While at the University of South Carolina, she served as a copy editor for “The State” newspaper. She went on to work for several newspapers across South Carolina, including as a feature writer from 1976 to 1990 for “The State.”

As a stalwart champion for the unborn, Holly has effectively lobbied the South Carolina General Assembly in support of pro-life laws. Some of these laws included Woman's Right to Know, Partial Birth Abortion Ban, and Safe Haven for Abandoned Newborns. She was also instrumental in ushering Pain Capable Unborn Child Protection to Governor Nikki Haley's desk for signature in 2016.

I am proud to have worked closely with her on many pro-life issues, including the Pain Capable legislation in the U.S. Senate. I know that one day we too will pass this important legislation into law.

I am extremely proud of her work for the unborn and know she has made a difference in the lives of thousands of South Carolinians. She is a model for public servants, and I am honored to congratulate my friend Holly Gatling on her 25 years of service to others in South Carolina, across the United States of America, and around the world.●
