

Mae also fought for Maryland priorities in the Senate's 2018 WRDA, including helping me double the amount of Federal funding spent on drinking water infrastructure, nationally and at the State level, and reauthorize the Water Infrastructure Finance and Innovation Act, WIFIA, a low-cost financing mechanism for large water infrastructure projects. Baltimore, MD, is one of 12 projects in nine States that will receive the first of the WIFIA grants in 2019. This will help the 1.8 million people served by the Baltimore Department of Public Works continue to have some of the cleanest, safest, and more reliable drinking water in the country.

Clean water is not a partisan issue, and Mae worked with her colleagues on both sides of the aisle and Capitol Hill to develop legislation that will benefit our aging water resources and infrastructure. The Senate passed the 2018 WRDA reauthorization by a vote of 99-1, a testament to the hard, bipartisan work of the majority and minority staff on EPW, personal staff like Mae, and the committee members. I was proud to be involved.

Mae conscientiously strives to reduce her personal carbon footprint. One way she does this is by commuting to and from work on her bike. She helped me to increase funding for the Transportation Alternatives Program, TAP, and ensure that cities and counties continue to have a voice in how Federal dollars are spent on these important programs in the Fixing America's Surface Transportation—FAST—Act.

As the British primatologist and anthropologist Jane Goodall has said, "You cannot get through a single day without having an impact on the world around you. What you do makes a difference and you have to decide what kind of a difference you want to make." I want to thank Mae Stevens for the difference she has decided to make—and will continue to make—and wish her the best of luck in her future endeavors. Of course, even though she is leaving the Hill, she will always be a member of Team Cardin.

REMEMBERING DICK BARCLAY

• Mr. BOOZMAN. Mr. President, today I wish to remember and pay tribute to Dick Barclay. Dick was a friend and civic leader from Rogers, AR, who passed away from complications due to Alzheimer's last week at the age of 81.

Born in Oberlin, KS, Dick attended Kansas State University before his honeymoon brought him to Arkansas. Dick and Jan eventually moved to Rogers where Dick, along with his brother Charles, opened a successful public accounting firm that served the area for decades. When I first moved to Rogers in the 1970s, naturally, Dick was one of the first people I met and someone I quickly grew to lean on and turn to for his consistently sound advice.

In addition to his successful career as a trusted accountant in northwest Arkansas, Dick put his belief in community service into practice throughout his entire life. He served in the Arkansas House of Representatives from 1976 until 1992. In 1996, he joined Governor Mike Huckabee's administration, where he put his financial expertise to use as executive director of budget, legislative affairs, and policy. He went on to become Arkansas's chief fiscal officer and directed the Arkansas Department of Finance and Administration in 1999.

Dick didn't believe that holding public office alone was where his call to service ended, though. He was active among many different groups and organizations that worked to improve life in Rogers and in greater northwest Arkansas. A few such roles included serving on the board of the Northwest Arkansas Community College Foundation, as president and board member of the Rogers Little Theater, chairman of the Rogers-Lowell Chamber of Commerce, commissioner of the Arkansas Economic Development Commission, member and president of the Northwest Arkansas Council, and chairman of the Arkansas State Chamber of Commerce. He also led the Benton County Republican Party for a time.

A man of strong faith, Dick was a board chair and elder at First Christian Church in Rogers. One of his sons went on to lead services at Fellowship Bible Church, and Dick, along with his wife, was proud to attend services there to show his support. He has already been remembered by others as being a devoted family man and a person of principle and integrity with the highest ethics. He was all these things and more, including a talented musician who played in a bluegrass band with friends and also performed with a barbershop quartet.

As a former colleague described him, Dick Barclay was a "quintessential public servant." He had a tremendous impact across northwest Arkansas. His example of leadership and dedication are truly worthy of emulation by anyone who wishes to do the important work required to better their own town, community, and entire state.

I greatly admired and respected Dick and will feel his loss keenly, as will so many others in Rogers and throughout Benton County and northwest Arkansas. My thoughts and prayers are with Jan and the entire Barclay family at this difficult time. Dick's legacy of service, his ever-present positivity, and the difference he made in countless lives will be remembered for years to come.●

TRIBUTE TO HOLLY GATLING

• Mr. GRAHAM. Mr. President, I ask my fellow colleagues to join me in celebrating Ms. Holly Gatling's dedicated service as the executive director of South Carolina Citizens for Life.

Holly earned a bachelor's degree in journalism from the University of South Carolina in 1972. While at the University of South Carolina, she served as a copy editor for "The State" newspaper. She went on to work for several newspapers across South Carolina, including as a feature writer from 1976 to 1990 for "The State."

As a stalwart champion for the unborn, Holly has effectively lobbied the South Carolina General Assembly in support of pro-life laws. Some of these laws included Woman's Right to Know, Partial Birth Abortion Ban, and Safe Haven for Abandoned Newborns. She was also instrumental in ushering Pain Capable Unborn Child Protection to Governor Nikki Haley's desk for signature in 2016.

I am proud to have worked closely with her on many pro-life issues, including the Pain Capable legislation in the U.S. Senate. I know that one day we too will pass this important legislation into law.

I am extremely proud of her work for the unborn and know she has made a difference in the lives of thousands of South Carolinians. She is a model for public servants, and I am honored to congratulate my friend Holly Gatling on her 25 years of service to others in South Carolina, across the United States of America, and around the world.●

TRIBUTE TO ROBERT KRAFT

• Mr. MARKEY. Mr. President, today I recognize Robert Kraft of Massachusetts, the 2019 Genesis prize laureate. Recognized as the “Jewish Nobel” prize, organizers grant the award each year to an extraordinary person recognized for their outstanding professional achievement and making a significant contribution to improving the world and inspiring young Jews through their dedication to social justice and philanthropy. I believe the Genesis prize committee made an excellent choice in selecting Mr. Kraft.

While known to most as the owner of the New England Patriots, Mr. Kraft, along with his late wife Myra, has for decades spoke out and donated generously to organizations combating prejudices, including anti-Semitism. Most recently, Mr. Kraft announced that all proceeds of the match between his Major League Soccer team, the New England Revolution, and the Chelsea Football Club will benefit initiatives to combat the disturbing trend of rising anti-Semitism and hate crimes in the United States and around the world. Upon receiving the Genesis prize, Mr. Kraft announced he would donate the \$1 million monetary award to efforts to combat anti-Semitism.

Mr. Kraft is a true “patriot” in all senses of the word. The Commonwealth, country, and global community owe much gratitude to Mr. Kraft. I congratulate my dear friend Robert Kraft on his lifelong efforts to further the Jewish value of *tikkun olam*, to heal the world.●

RECOGNIZING OCEANA COFFEE ROASTERS

• Mr. RUBIO. Mr. President, I wish to recognize the first Small Business of the Week of the 116th Congress. Each week this Congress, I will honor a small business that exemplifies the hard work and perseverance of the American entrepreneur. The great State of Florida is home to businesses of all types, from family-run farms in Ocala to aerospace machinists in Cape Canaveral. Today, it is my distinct pleasure to honor a small business with a strong commitment to the quality of its products and a desire to give back to its community. As chairman of the Senate Committee on Small Business and Entrepreneurship, it is my pleasure to recognize Oceana Coffee Roasters as this year’s first Small Business of the Week.

Amy and Scott Angelo founded Oceana Coffee Roasters in 2009 with only a \$35 coffee roaster, converted from a popcorn machine, and the goal of bringing freshly roasted coffee to their area. Located in Tequesta, FL, Amy and Scott founded the company after they were unable to find a local coffee roaster that produced fresh, small-batch coffee. Seeing an opportunity, the Angelos began by roasting just a quarter-cup of coffee at a time, experimenting with different types of beans and roasting techniques.

From a popcorn popper in their kitchen, to roasting 50,000 pounds of beans a year, the Angelos have remained focused on the details of producing high-quality, small-batch, whole bean and ground coffee. In order to meet their high standards, Scott and Amy learned all they could about how coffee beans are grown, where the best beans originate, and how to bring out the best flavor in each type of bean. They also researched the fair trade coffee process, how coffee is harvested and transported, and the logistics of importing beans to their Florida small business. Through their diligent study and a trial and error process, the Angelos harnessed their entrepreneurial spirit to understand their customers’ desires and make a product they are proud of. In 2016, the Palm Beach North Chamber of Commerce recognized Oceana Coffee as the Small Business of the Year and SCORE of Palm Beach County recognized them for entrepreneurial excellence. Also in 2016, they were the overall winner for the Golden Bean North America Award, which is the world’s largest coffee roaster competition.

As the business has grown, the company has periodically added new coffee
