

TRIBUTE TO ROBERT KRAFT

• Mr. MARKEY. Mr. President, today I recognize Robert Kraft of Massachusetts, the 2019 Genesis prize laureate. Recognized as the “Jewish Nobel” prize, organizers grant the award each year to an extraordinary person recognized for their outstanding professional achievement and making a significant contribution to improving the world and inspiring young Jews through their dedication to social justice and philanthropy. I believe the Genesis prize committee made an excellent choice in selecting Mr. Kraft.

While known to most as the owner of the New England Patriots, Mr. Kraft, along with his late wife Myra, has for decades spoke out and donated generously to organizations combating prejudices, including anti-Semitism. Most recently, Mr. Kraft announced that all proceeds of the match between his Major League Soccer team, the New England Revolution, and the Chelsea Football Club will benefit initiatives to combat the disturbing trend of rising anti-Semitism and hate crimes in the United States and around the world. Upon receiving the Genesis prize, Mr. Kraft announced he would donate the \$1 million monetary award to efforts to combat anti-Semitism.

Mr. Kraft is a true “patriot” in all senses of the word. The Commonwealth, country, and global community owe much gratitude to Mr. Kraft. I congratulate my dear friend Robert Kraft on his lifelong efforts to further the Jewish value of *tikkun olam*, to heal the world.●

RECOGNIZING OCEANA COFFEE ROASTERS

• Mr. RUBIO. Mr. President, I wish to recognize the first Small Business of the Week of the 116th Congress. Each week this Congress, I will honor a small business that exemplifies the hard work and perseverance of the American entrepreneur. The great State of Florida is home to businesses of all types, from family-run farms in Ocala to aerospace machinists in Cape Canaveral. Today, it is my distinct pleasure to honor a small business with a strong commitment to the quality of its products and a desire to give back to its community. As chairman of the Senate Committee on Small Business and Entrepreneurship, it is my pleasure to recognize Oceana Coffee Roasters as this year's first Small Business of the Week.

Amy and Scott Angelo founded Oceana Coffee Roasters in 2009 with only a \$35 coffee roaster, converted from a popcorn machine, and the goal of bringing freshly roasted coffee to their area. Located in Tequesta, FL, Amy and Scott founded the company after they were unable to find a local coffee roaster that produced fresh, small-batch coffee. Seeing an opportunity, the Angelos began by roasting just a quarter-cup of coffee at a time, experimenting with different types of beans and roasting techniques.

From a popcorn popper in their kitchen, to roasting 50,000 pounds of beans a year, the Angelos have remained focused on the details of producing high-quality, small-batch, whole bean and ground coffee. In order to meet their high standards, Scott and Amy learned all they could about how coffee beans are grown, where the best beans originate, and how to bring out the best flavor in each type of bean. They also researched the fair trade coffee process, how coffee is harvested and transported, and the logistics of importing beans to their Florida small business. Through their diligent study and a trial and error process, the Angelos harnessed their entrepreneurial spirit to understand their customers' desires and make a product they are proud of. In 2016, the Palm Beach North Chamber of Commerce recognized Oceana Coffee as the Small Business of the Year and SCORE of Palm Beach County recognized them for entrepreneurial excellence. Also in 2016, they were the overall winner for the Golden Bean North America Award, which is the world's largest coffee roaster competition.

As the business has grown, the company has periodically added new coffee

varieties from around the world to its product line. Instead of focusing on large production runs of one type of coffee, Oceana produces small batches of shade-grown, Guatemalan, Ethiopian, and Costa Rican coffee for all types of coffee consumers. Their success has also led to expansion, with Amy and Scott adding a second location in Palm Beach County while increasing e-commerce sales and direct shipments to reach approximately 100 wholesale customers.

The Angelos are committed to their community and doing right by the people they do business with. Every quarter, Oceana makes a donation to a charitable organization voted on by its customers under an initiative they call Cup of Kindness. Oceana Coffee also gives back by offering internships to adults with autism by partnering with Jupiter, FL-based Els for Autism so that affected individuals can gain workforce experience. Additionally, the Angelos provide a platform to local artists, authors, and other small businesses in the area. Each month, the shop hosts a showcase to help these entrepreneurs gain exposure.

The Angelos care about the community of growers they work with, as they purchase their coffee beans from small, fair-trade farmers that they interact with directly and visit regularly. They have also made a commitment to reduce waste through the use of reusable straws and recyclable cutlery and containers.

Oceana Coffee Roasters has found its niche and expanded as a company, while keeping its commitment to quality and principles. The Angelos' love of quality coffee, commitment to their community, and painstaking review of the coffee making process has made the company a leader in its community and created a loyal customer base. Again, I would like to congratulate Scott, Amy, and all of the employees at Oceana Coffee Roasters for being named the Small Business of the Week. I wish you continued success in your future endeavors.●
