

varieties from around the world to its product line. Instead of focusing on large production runs of one type of coffee, Oceana produces small batches of shade-grown, Guatemalan, Ethiopian, and Costa Rican coffee for all types of coffee consumers. Their success has also led to expansion, with Amy and Scott adding a second location in Palm Beach County while increasing e-commerce sales and direct shipments to reach approximately 100 wholesale customers.

The Angelos are committed to their community and doing right by the people they do business with. Every quarter, Oceana makes a donation to a charitable organization voted on by its customers under an initiative they call Cup of Kindness. Oceana Coffee also gives back by offering internships to adults with autism by partnering with Jupiter, FL-based Els for Autism so that affected individuals can gain workforce experience. Additionally, the Angelos provide a platform to local artists, authors, and other small businesses in the area. Each month, the shop hosts a showcase to help these entrepreneurs gain exposure.

The Angelos care about the community of growers they work with, as they purchase their coffee beans from small, fair-trade farmers that they interact with directly and visit regularly. They have also made a commitment to reduce waste through the use of reusable straws and recyclable cutlery and containers.

Oceana Coffee Roasters has found its niche and expanded as a company, while keeping its commitment to quality and principles. The Angelos' love of quality coffee, commitment to their community, and painstaking review of the coffee making process has made the company a leader in its community and created a loyal customer base. Again, I would like to congratulate Scott, Amy, and all of the employees at Oceana Coffee Roasters for being named the Small Business of the Week. I wish you continued success in your future endeavors.●
