

and preeminent national expert on climate change, who is retiring from Wesleyan University.

Professor Yohe has had an impressive and distinguished career. After receiving his PhD in economics from Yale University, he devoted his career to climate impact and mitigation research. He worked as a senior member of the Intergovernmental Panel on Climate Change, receiving a share of the 2007 Nobel Prize, served as vice chair of the National Climate Assessment Development and Advisory Committee under President Obama, and has testified before the Senate on multiple occasions to explain the risks and impacts of climate change. Professor Yohe continues to serve as a member of the New York City Panel on Climate Change and has been a member of the faculty at Wesleyan University for more than 40 years. On a more personal note, he has been a great resource to my office, and I hope he will continue to contribute to public policy after his official retirement.

I would like to congratulate Professor Yohe on his retirement from Wesleyan University and take this moment to thank him for his contributions to the scientific community.●

#### PETITIONS AND MEMORIALS

The following petition or memorial was laid before the Senate and was referred or ordered to lie on the table as indicated:

**POM-22.** A concurrent resolution adopted by the Legislature of the State of South Dakota urging the United States Congress to amend the Social Security Act to allow states to provide Medicaid services to those persons presumed innocent in jail awaiting trial; to the Committee on Finance.

#### Senate Concurrent Resolution No. 8

Whereas, a basic principle of the United States judicial system is that citizens charged with a crime are innocent until proven guilty; and

Whereas, the United States and South Dakota have determined it is right and appropriate to care for our most vulnerable citizens through the Medicaid program, and county jails are populated by many persons who have serious medical conditions and mental illnesses or who are the parents of small children who qualify for Medicaid benefits; and

Whereas, the jail population in the United States is growing faster than the prison population, and approximately two-thirds of the jail population consists of those pending disposition who remain innocent until proven guilty and who are currently not being treated equally to those awaiting trial who obtained bail and were released awaiting adjudication; and

Whereas, providing Medicaid services to persons in jail pending disposition will increase the likelihood that the provision of services is continuous once the person reenters the community; and

Whereas, section 1905(a)(A) of the Social Security Act prevents South Dakota from providing Medicaid services to persons in jail

pending disposition who would otherwise be covered under the Medicaid policies of South Dakota: Now, therefore, be it

*Resolved*, By the Senate of the Ninety-Fourth Legislature of the State of South Dakota, the House of Representatives concurring therein, that the Legislature requests the United States Congress to amend the Social Security Act to allow states to provide Medicaid services to those persons presumed innocent in jail awaiting trial; and be it further

*Resolved*, That the secretary of the senate transmit copies of this resolution to the Speaker and Clerk of the United States House of Representatives, the President and Secretary of the United States Senate, the United States Secretary of Health and Human Services, and to the South Dakota congressional delegation.
