

critical strategy to improve the educational attainment of those students: Now, therefore, be it

*Resolved*, That the Senate—

(1) congratulates Vision To Learn on helping 200,000 students;

(2) recognizes Vision To Learn as a national leader in providing school-based vision care and commends the strides the organization has made in that effort; and

(3) supports the mission of Vision To Learn to ensure that no child goes without the glasses needed for that child to succeed in school and in life.

**SENATE RESOLUTION 223—EXPRESSING SUPPORT FOR THE DESIGNATION OF MAY 17, 2019, AS “DIPG PEDIATRIC BRAIN CANCER AWARENESS DAY” TO RAISE AWARENESS OF AND ENCOURAGE RESEARCH ON DIFFUSE INTRINSIC PONTINE GLIOMA TUMORS AND PEDIATRIC CANCERS IN GENERAL**

Mr. RUBIO (for himself, Mr. REED, Mrs. HYDE-SMITH, and Mr. CASEY) submitted the following resolution; which was considered and agreed to:

**S. RES. 223**

Whereas diffuse intrinsic pontine glioma (referred to in this preamble as “DIPG”) tumors regularly affect 200 to 400 children in the United States each year;

Whereas brain tumors are the leading cause of cancer-related death among children;

Whereas, during childhood, DIPG tumors are—

(1) the second most common type of malignant brain tumor; and

(2) the leading cause of pediatric brain cancer deaths;

Whereas, with respect to a child who is diagnosed with a DIPG tumor and receives treatment for a DIPG tumor, the median amount of time that the child survives after diagnosis is only 9 months;

Whereas, with respect to an individual who is diagnosed with a DIPG tumor, the rate of survival 5 years after diagnosis is approximately 2 percent;

Whereas the average age at which a child is diagnosed with a DIPG tumor is between 5 and 9 years, resulting in a life expectancy approximately 70 years shorter than the average life expectancy in the United States; and

Whereas the prognosis for children diagnosed with DIPG tumors has not improved over the past 40 years: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports—

(A) designating May 17, 2019, as “DIPG Pediatric Brain Cancer Awareness Day”; and

(B) efforts—

(i) to better understand diffuse intrinsic pontine glioma tumors;

(ii) to develop effective treatments for diffuse intrinsic pontine glioma tumors; and

(iii) to provide comprehensive care for children with diffuse intrinsic pontine glioma tumors and their families; and

(2) encourages all individuals in the United States to become more informed about—

(A) diffuse intrinsic pontine glioma tumors;

(B) pediatric brain cancer in general; and

(C) challenges relating to research on pediatric cancers and ways to advance such research.

**SENATE RESOLUTION 224—SUPPORTING THE GOALS AND IDEALS OF NATIONAL NURSES WEEK, TO BE OBSERVED FROM MAY 6 THROUGH MAY 12, 2019**

Mr. WICKER (for himself and Mr. MERKLEY) submitted the following resolution; which was considered and agreed to:

**S. RES. 224**

Whereas, beginning in 1991, National Nurses Week is celebrated annually from May 6, also known as “National Recognition Day for Nurses”, through May 12, the birthday of Florence Nightingale, the founder of modern nursing;

Whereas National Nurses Week is a time of year to reflect on the important contributions that nurses make to provide safe, high-quality health care;

Whereas nurses are known to be patient advocates, acting to protect the lives of individuals under their care;

Whereas nurses represent the largest single component of the health care professions, with an estimated population of 4,000,000 registered nurses in the United States;

Whereas nurses are leading in the delivery of quality care in a transformed health care system that improves patient outcomes and safety;

Whereas the Future of Nursing report of the Institute of Medicine has called for the nursing profession to meet the call for leadership in a team-based delivery model;

Whereas, when nurse staffing levels increase, the risk of patient complications and lengthy hospital stays decreases, resulting in cost savings;

Whereas nurses are experienced researchers, and the work of nurses encompasses a wide scope of scientific inquiry, including clinical research, health systems and outcomes research, and nursing education research;

Whereas nurses provide care that is sensitive to the regional and community customs of individuals needing care;

Whereas nurses are well-positioned to provide leadership to eliminate health care disparities that exist in the United States;

Whereas nurses are the cornerstone of the public health infrastructure, promoting healthy lifestyles and educating communities on disease prevention and health promotion;

Whereas nurses help inform, educate, and work closely with legislators to improve—

(1) the education, retention, recruitment, and practice of all nurses; and

(2) the health and safety of the patients for whom the nurses care;

Whereas there is a need—

(1) to strengthen nursing workforce development programs at all levels, including the number of doctorally prepared faculty members; and

(2) to provide education to the nurse research scientists who can develop new nursing care models to improve the health status of the diverse population of the United States;

Whereas nurses touch the lives of the people of the United States through every stage of life; and

Whereas nursing has been voted the most honest and ethical profession in the United States: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the goals and ideals of National Nurses Week, as founded by the American Nurses Association;

(2) recognizes the significant contributions of nurses to the health care system in the United States; and

(3) encourages the people of the United States to observe National Nurses Week with

appropriate recognition, ceremonies, activities, and programs to demonstrate the importance of nurses to the everyday lives of patients.

**SENATE RESOLUTION 225—SUPPORTING THE GOALS OF INTERNATIONAL MYALGIC ENCEPHALOMYELITIS/CHRONIC FATIGUE SYNDROME AWARENESS DAY**

Mr. MARKEY (for himself, Ms. COLLINS, Mr. CRAMER, Mr. BLUMENTHAL, Mr. COONS, Mr. HOEVEN, Mr. BOOKER, Mr. VAN HOLLEN, Mrs. FEINSTEIN, Mr. KING, Ms. STABENOW, Ms. SINEMA, Mr. CASEY, Ms. HARRIS, and Ms. WARREN) submitted the following resolution; which was considered and agreed to:

**S. RES. 225**

Whereas the National Academy of Medicine (referred to in this preamble as “NAM”), formerly known as the Institute of Medicine, has found Myalgic Encephalomyelitis/Chronic Fatigue Syndrome (referred to in this preamble as “ME/CFS”) to be “a serious, chronic, complex, and systemic disease that frequently and dramatically limits the activities of affected patients”;

Whereas between 836,000 and 2,500,000 individuals of all ages, races, and sexes in the United States are believed to be afflicted with ME/CFS, with millions more afflicted by ME/CFS worldwide, and the vast majority of individuals with ME/CFS are undiagnosed or misdiagnosed;

Whereas ME/CFS is approximately 4 times more prevalent in women than in men;

Whereas ME/CFS is a chronic disease with no known cure and leaves ¼ of individuals with ME/CFS housebound or bedbound for extended periods of time;

Whereas 50 to 75 percent of individuals with ME/CFS cannot work or attend school;

Whereas medical expenses and lost productivity related to ME/CFS cost the economy of the United States an estimated \$17,000,000,000 to \$24,000,000,000 annually;

Whereas the cause of ME/CFS is unknown, there is no diagnostic test for ME/CFS, and there is no treatment for ME/CFS that is approved by the Food and Drug Administration;

Whereas NAM has noted a “paucity of research” on ME/CFS and that “more research is essential”;

Whereas the Centers for Disease Control and Prevention has called ME/CFS “America’s Hidden Health Crisis”;

Whereas individuals with ME/CFS struggle to find doctors to care for them, and ME/CFS is included in less than ⅓ of medical school curricula;

Whereas, in recognition of the dearth of research on ME/CFS and the profound impact that the disease has on individuals with ME/CFS and their loved ones and caretakers, the National Institutes of Health (referred to in this preamble as the “NIH”) is “committed to unraveling the underlying biologic cause(s) of ME/CFS as swiftly as possible, and promoting research that will inform the development of effective strategies for treatment and prevention of this devastating condition”;

Whereas, in 2017, 11 Institutes at the NIH and the Office of the Director of the NIH contributed more than \$7,000,000 in grants to assist in establishing Collaborative Research Centers and a Data Management Coordinating Center to improve the coordination of ME/CFS research and help accelerate understanding of ME/CFS; and

Whereas, in 2019, May 12 is recognized as International ME/CFS Awareness Day: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the goals of International Myalgic Encephalomyelitis/Chronic Fatigue Syndrome Awareness Day;

(2) recognizes and affirms the commitment of the United States to—

(A) supporting research and medical education for Myalgic Encephalomyelitis/Chronic Fatigue Syndrome; and

(B) promoting awareness among health professionals and the public about Myalgic Encephalomyelitis/Chronic Fatigue Syndrome; and

(3) recognizes the continued importance of—

(A) health care professionals and medical researchers who care for individuals with Myalgic Encephalomyelitis/Chronic Fatigue Syndrome; and

(B) those who work to discover the cause of, and develop and improve diagnosis of, treatments for, and a cure for, Myalgic Encephalomyelitis/Chronic Fatigue Syndrome.

**SENATE RESOLUTION 226—RECOGNIZING NATIONAL FOSTER CARE MONTH AS AN OPPORTUNITY TO RAISE AWARENESS ABOUT THE CHALLENGES OF CHILDREN IN THE FOSTER CARE SYSTEM, AND ENCOURAGING CONGRESS TO IMPLEMENT POLICY TO IMPROVE THE LIVES OF CHILDREN IN THE FOSTER CARE SYSTEM**

Mr. GRASSLEY (for himself, Ms. STABENOW, Mr. JONES, Mr. TILLIS, Mr. CASSIDY, Mr. KING, Mr. SULLIVAN, Mr. BLUNT, Mr. LANKFORD, Mr. CRAPO, Mr. KAINE, Mrs. CAPITO, Mr. SCOTT of South Carolina, Mr. BLUMENTHAL, Mr. ROBERTS, Mr. PETERS, Mr. WYDEN, Mr. BROWN, Mr. CASEY, Ms. ROSEN, Ms. KLOBUCHAR, Ms. HASSAN, Mr. BARASSO, Mr. ENZI, and Mr. YOUNG) submitted the following resolution; which was considered and agreed to:

S. RES. 226

Whereas National Foster Care Month was established more than 20 years ago to—

(1) bring foster care issues to the forefront;

(2) highlight the importance of permanency for every child; and

(3) recognize the essential role that foster parents, social workers, and advocates have in the lives of children in foster care throughout the United States;

Whereas all children deserve a safe, loving, and permanent home;

Whereas the primary goal of the foster care system is to ensure the safety and well-being of children while working to provide a safe, loving, and permanent home for each child;

Whereas there are approximately 443,000 children living in foster care;

Whereas there were approximately 269,690 youth that entered the foster care system in 2017, while over 69,000 youth were eligible and awaiting adoption at the end of 2017;

Whereas the number of children living in foster care and entering foster care has increased dramatically in recent years;

Whereas over 96,000 children entered foster care in 2017 due to parental drug abuse;

Whereas children of color are more likely to stay in the foster care system for longer periods of time and are less likely to be reunited with their biological families;

Whereas foster parents are the front-line caregivers for children who cannot safely re-

main with their biological parents and provide physical care, emotional support, education and advocacy, and are the largest single source of families providing permanent homes for children leaving foster care to adoption;

Whereas children in foster care who are placed with relatives, compared to children placed with nonrelatives, have more stability, including fewer changes in placements, have more positive perceptions of their placements, are more likely to be placed with their siblings, and demonstrate fewer behavioral problems;

Whereas some relative caregivers receive less financial assistance and support services than do foster caregivers;

Whereas an increased emphasis on prevention and reunification services is necessary to reduce the number of children that are forced to remain in the foster care system;

Whereas almost 20,000 youth “aged out” of foster care in 2017 without a legal permanent connection to an adult or family;

Whereas children who age out of foster care lack the security and support of a biological or adoptive family and frequently struggle to secure affordable housing, obtain health insurance, pursue higher education, and acquire adequate employment;

Whereas foster care is intended to be a temporary placement, but children remain in the foster care system for an average of 20 months;

Whereas 35 percent of children in foster care experience more than 2 placements while in care, which often leads to disruption of routines and the need to change schools and move away from siblings, extended families, and familiar surroundings;

Whereas youth in foster care are much more likely to face educational instability with 34 percent of foster youth experiencing 5 or more school changes by the age of 18;

Whereas children entering foster care often confront the widespread misperception that children in foster care are disruptive, unruly, and dangerous, even though placement in foster care is based on the actions of a parent or guardian, not the child;

Whereas 30 percent of children in foster care are taking at least 1 anti-psychotic medication, and 34 percent of these children are not receiving adequate treatment planning or medication monitoring;

Whereas, due to heavy caseloads and limited resources, the average turnover rate for a child welfare worker is 30 percent;

Whereas States, localities, and communities should be encouraged to invest resources in preventative and reunification services and postpermanency programs to ensure that more children in foster care are provided with safe, loving, and permanent placements;

Whereas, in 2018, Congress passed the Family First Prevention Services Act, which provided new investments in prevention and family reunification services to help more families stay together and ensure more children are in safe, loving, and permanent homes;

Whereas Federal legislation over the past 3 decades, including the Adoption Assistance and Child Welfare Act of 1980 (Public Law 96-272), the Adoption and Safe Families Act of 1997 (Public Law 105-89), the Fostering Connections to Success and Increasing Adoptions Act of 2008 (Public Law 110-351), the Child and Family Services Improvement and Innovation Act (Public Law 112-34), and the Preventing Sex Trafficking and Strengthening Families Act (Public Law 113-183) provided new investments and services to improve the outcomes of children in the foster care system;

Whereas May 2019 is an appropriate month to designate as National Foster Care Month

to provide an opportunity to acknowledge the accomplishments of the child-welfare workforce, foster parents, advocacy community, and mentors for their dedication, accomplishments, and positive impact they have on the lives of children; and

Whereas much remains to be done to ensure that all children have a safe, loving, nurturing, and permanent family, regardless of age or special needs: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the designation of National Foster Care Month;

(2) recognizes National Foster Care Month as an opportunity to raise awareness about the challenges that children face in the foster care system;

(3) encourages Congress to implement policy to improve the lives of children in the foster care system;

(4) acknowledges the unique needs of children in the foster care system;

(5) recognizes foster youth throughout the United States for their ongoing tenacity, courage, and resilience while facing life challenges;

(6) acknowledges the exceptional alumni of the foster care system who serve as advocates and role models for youth who remain in care;

(7) honors the commitment and dedication of the individuals who work tirelessly to provide assistance and services to children in the foster care system;

(8) supports the designation of May 31, 2019, as National Foster Parent Appreciation Day;

(9) recognizes National Foster Parent Appreciation Day as an opportunity to recognize the efforts of foster parents to provide safe and loving care for children in need and raise awareness about the increasing need for foster parents to serve in their communities; and

(10) reaffirms the need to continue working to improve the outcomes of all children in the foster care system through parts B and E of title IV of the Social Security Act (42 U.S.C. 601 et seq.) and other programs designed to—

(A) support vulnerable families;

(B) invest in prevention and reunification services;

(C) promote adoption in cases where reunification is not in the best interests of the child;

(D) adequately serve those children brought into the foster care system; and

(E) facilitate the successful transition into adulthood for children that “age out” of the foster care system.

**AMENDMENTS SUBMITTED AND PROPOSED**

SA 250. Mr. McCONNELL (for Mr. SHELBY (for himself and Mr. LEAHY)) proposed an amendment to the bill H.R. 2157, making supplemental appropriations for the fiscal year ending September 30, 2019, and for other purposes.

**AMENDMENTS SUBMITTED AND PROPOSED**

SA 250. Mr. McCONNELL (for Mr. SHELBY (for himself and Mr. LEAHY)) proposed an amendment to the bill H.R. 2157, making supplemental appropriations for the fiscal year ending September 30, 2019, and for other purposes.

Strike all after the enacting clause and insert the following:

The following sums in this Act are appropriated, out of any money in the Treasury
