EXECUTIVE REPORT OF COMMITTEE—TREATY

The following executive report of committee was submitted:

By Mr. RISCH, from the Committee on Foreign Relations:

Treaty Doc. 116-1: Protocol to the North Atlantic Treaty of 1949 on the Accession of the Republic of North Macedonia with seven declarations and one condition (Ex. Rept. 116-5)

The text of the committee-recommended resolution of advice and consent to ratification is as follows:

Resolved, (two-thirds of the Senators present concurring therein),

Section 1. Senate Advice and Consent Subject to Declarations and Conditions.

The Senate advises and consents to the ratification of the Protocol to the North Atlantic Treaty of 1949 on the Accession of North Macedonia, which was opened for signature at Brussels on February 6, 2019, and signed that day on behalf of the United States of America (the "Protocol") (Treaty Doc. 116-1), subject to the declarations of section 2 and the conditions of section 3.

Sec. 2. Declarations.

The advice and consent of the Senate under section 1 is subject to the following declarations:

(1) REAFFIRMATION—THAT UNITED STATES MEMBERSHIP IN NATO REMAINS A VITAL NATIONAL SECURITY INTEREST OF THE UNITED STATES. The Senate declares that—

(A) for 70 years the North Atlantic Treaty Organization (NATO) has served as the pre-eminent organization to defend the countries in the North Atlantic area against all external threats;

(B) through common action, the established democracies of North America and Eu-

rope that were joined in NATO persevered and prevailed in the task of ensuring the survival of democratic government in Europe and North America throughout the Cold War;

(C) NATO enhances the security of the United States by embedding European states in a process of cooperative security planning and by ensuring an ongoing and direct leadership role for the United States in European security affairs;

(D) the responsibility and financial burden of defending the democracies of Europe and North America can be more equitably shared through an alliance in which specific obligations and force goals are met by its members;

(E) the security and prosperity of the United States is enhanced by NATO's collective defense against aggression that may threaten the security of NATO members; and

(F) United States membership in NATO remains a vital national security interest of the United States.

(2) STRATEGIC RATIONALE FOR NATO ENLARGEMENT.—The Senate declares that—

(A) the United States and its NATO allies face continued threats to their stability and territorial integrity;

(B) an attack against North Macedonia, or its destabilization arising from external subversion, would threaten the stability of Europe and jeopardize United States national security interests;

(C) North Macedonia, having established a democratic government and having demonstrated a willingness to meet the requirements of membership, including those necessary to contribute to the defense of all NATO members, is in a position to further the principles of the North Atlantic Treaty and to contribute to the security of the North Atlantic area; and

(D) extending NATO membership to North Macedonia will strengthen NATO, enhance stability in Southeast Europe, and advance the interests of the United States and its NATO allies.

(3) SUPPORT FOR NATO'S OPEN DOOR POLICY.—The policy of the United States is to support NATO's Open Door Policy that allows any European country to express its desire to join NATO and demonstrate its ability to meet the obligations of NATO membership.

(4) FUTURE CONSIDERATION OF CANDIDATES FOR MEMBERSHIP IN NATO.—

(A) SENATE FINDING.—The Senate finds that the United States will not support the accession to the North Atlantic Treaty of, or the invitation to begin accession talks with, any European state (other than North Macedonia), unless—

(i) the President consults with the Senate consistent with Article II, section 2, clause 2 of the Constitution of the United States (relating to the advice and consent of the Senate to the making of treaties); and

(ii) the prospective NATO member can fulfill all of the obligations and responsibilities of membership, and the inclusion of such state in NATO would serve the overall political and strategic interests of NATO and the United States.

(B) REQUIREMENT FOR CONSENSUS AND RATIFICATION.—The Senate declares that no action or agreement other than a consensus decision by the full membership of NATO, approved by the national procedures of each NATO member, including, in the case of the United States, the requirements of Article II, section 2, clause 2 of the Constitution of the United States (relating to the advice and consent of the Senate to the making of treaties), will constitute a commitment to collective defense and consultations pursuant to Articles 4 and 5 of the North Atlantic Treaty.
