Rachelle also met her husband, Simon Hammerling during her time in Yap. The two were married in 2018 and had planned to take in a young girl they had found sleeping on their doorstep. Rachelle passed just before the two were about to celebrate their 1-year wedding anniversary and shortly before she and her family were due to move back to the United States for a new job in Wyoming. Her passing is a tremendous loss to her family, to the community she fought to serve, and to all who knew her.

We remember Rachelle with gratitude for her life, and we honor her for her sacrifice. Scripture tells us that the righteous will rest from their labor, for their deeds will follow them. As she now rests from her tireless and courageous work on behalf of the most vulnerable among us, we know Rachelle's deeds will follow her and continue to inspire others to pursue justice as fiercely as she did.

#### TRIBUTE TO CAROLYN EDWARDS

Mr. BARRASSO. Madam President, together with Senator CARPER, I rise today to recognize Carolyn Edwards for her distinguished career and significant accomplishments at the Federal Highway Administration, FHWA.

After 46 years of exceptional Federal service, Carolyn is retiring from FHWA on January 3, 2020. She is a dedicated public servant recognized as an unparalleled national expert on Federal Highway Programs and the highway trust fund. Through her technical assistance to Congress and her policy advice to departmental and agency officials, Carolyn has provided an invaluable contribution to the programs that support our Nation's roads and bridges. She has helped to shape not only these critical highway programs, but also, as colleague and mentor, she has shaped and guided a generation of highway policy experts. Her work will have a lasting legacy for many years to come.

Carolyn's entire 46-year Federal career has been with the U.S. Department of Transportation, USDOT—44 of these with FHWA. To put Carolyn's remarkable public service longevity in perspective, FHWA was formed in 1966, only 7 years prior to her arrival. She joined FHWA in 1973 as an economist. Over the ensuing four and a half decades, she has served in a range of high-level analytical and leadership positions, including positions in FHWA's Office of Highway Policy Information and Office of Legislative Affairs and Policy Communications. She also worked in the Office of the Secretary's Office of the Assistant Secretary for Budget and Programs with a portfolio that covered FHWA programs.

Carolyn is currently a member of FHWA's Legislative Analysis Team, where she serves as the authoritative expert on a wide range of highway-related topics, including Federal highway

legislation, the highway trust fund, and the operations of the Federal-aid highway program. Throughout her successful and impressive career, she has been a "go-to reference" on these topics for both agency and departmental leaders and staff.

Among her many exemplary accomplishments, Carolyn has been in the development and implementation of every Federal surface transportation bill since the Transportation Equity Act for the 21st Century—TEA-21—was enacted in 1998. Additionally, she has also been a recipient of several prestigious honors and awards. Carolyn has been recognized with a Secretary's Team Award, two Secretarial Awards for Partnering for Excellence, and multiple FHWA Superior Achievement Awards, FHWA's highest honor award.

Carolyn exemplifies the highest standards of public service and embodies FHWA's spirit of professionalism and customer service. Over the years, the Senate Committee on Environment and Public Works, along with other congressional committees, Members of Congress, and their staff have relied on Carolyn's legislative and highway policy expertise, quick turnaround technical assistance responses, and wealth of information. Carolyn's colleagues at USDOT and FHWA have depended on her tireless efforts, her endless wealth of knowledge and willingness to share and transfer it. They will miss her indomitable spirit and her purple sweaters, purple pens, and love for everything purple to brighten their days.

Carolyn has helped shape highway policy discussions and implement new programs. Her contributions will continue to make a difference on USDOT, FHWA, and the surface transportation community. Her retirement from the Federal Government is a celebration of her dedication to the American people.

It is a great honor to recognize this exceptional public servant. Senator CARPER joins me in extending our appreciation and well wishes to Carolyn on her retirement.

## RECOGNIZING GRANNY CANTRELL'S RESTAURANT

• Mr. RUBIO. Madam President, as the chairman of the Senate Committee on Small Business and Entrepreneurship, each week I am privileged to honor an American small business for its dedication to dignified work and its surrounding community. This week, it is my honor to recognize Granny Cantrell's Restaurant of Panama City, FL, for its achievements.

Founded in 2002 by Doug Crosby and his family, Granny Cantrell's is well known for its delicious southern comfort food and catering. Based on recipes from friends, neighbors, family, and local churches, Granny Cantrell's food consists of familiar items such as fried chicken, pot roast, and macaroni and cheese. Since opening more than 17 years ago, Granny Cantrell's has experienced success and continued growth. Their menu has expanded beyond comfort food to offer a variety of daily specials and health-conscious options. Today, they are an important part of the Panama City community, attracting and retaining customers who enjoy their food at the restaurant, as well as at catered events.

Granny Cantrell's dedication to the greater Panama City community is unmatched. In the days following the landfall of Hurricane Michael in 2018, Granny Cantrell's worked tirelessly with local authorities to ensure that the city's employees were fed. Additionally, with the help of likeminded community partners, Granny Cantrell's restaurant was able to provide and hand-deliver more than 500 prepacked Thanksgiving meals and 400 cupcakes to those in need after the hurricane. In recent years, Doug and the Granny Cantrell's team have also opened the restaurant's doors as a drop-off location for Coats for Kids, a Bay County program that collects and distributes gently used coats to prepare local children for the winter.

Their dedication to the Florida community, their fantastic homemade dishes, and exemplary customer service has certainly not gone unnoticed. For 9 years running, Granny Cantrell's has been awarded Panama City News Herald's Best of the Bay Award, highlighting its customers' loyalty and integral place in the local economy. Furthermore, Granny Cantrell's has been awarded the Reader's Choice Award by Panama City Living for several years in a row to commemorate their outstanding food and customer service.

Small businesses play an important role in supporting and uplifting their communities. Granny Cantrell's is a prime example of the bonds that small businesses can create when such an integral role is bolstered. I am proud to recognize this Florida business for its reflection of America's unique entrepreneurial spirit and its dedication to the common good of its community. Congratulations to the entire Granny Cantrell's team. I look forward to watching your continued success.●
