

agencies and departments of the United States Government. Section 6743 further requires the plan to include an assessment of the “Hack the Pentagon” pilot program and subsequent bug bounty programs. Section 6743 also requires the plan to provide recommendations on the feasibility of initiating bug bounty programs across the United States Government.

Section 6744. Technical amendments related to the Department of Energy.

Section 6744 provides technical corrections to certain provisions regarding the Department of Energy’s Office of Intelligence and Counterintelligence.

Section 6745. Sense of Congress on notification of certain disclosures of classified information.

Section 6745 expresses the sense of Congress that, pursuant to the requirement for the IC to keep the congressional intelligence committees “fully and currently informed” in Section 502 of the National Security Act of 1947, IC agencies must submit prompt written notification after becoming aware that an individual in the executive branch has disclosed certain classified information outside established intelligence channels to foreign adversaries — North Korea, Iran, China, Russia, or Cuba.

Section 6746. Sense of Congress on consideration of espionage activities when considering whether or not to provide visas to foreign individuals to be accredited to a United Nations mission in the United States.

Section 6746 provides a Sense of Congress that, as to foreign individuals to be accredited to a United Nations mission, the Secretary of State should consider known and suspected intelligence and espionage activities, including activities constituting precursors to espionage, carried out by such individuals against the United States, or against foreign allies or partners of the United States. Section 6746 further provides that the Secretary of State should consider an individual’s status as a known or suspected intelligence officer for a foreign adversary.

Section 6747. Sense of Congress on WikiLeaks.

Section 6747 provides a Sense of Congress that WikiLeaks and its senior leadership resemble a non-state hostile intelligence service, often abetted by state actors, and should be treated as such.

(At the request of Mr. SCHUMER, the following statement was ordered to be printed in the RECORD.)

HONORING SERGEANT KORT M. PLANTENBERG, CHIEF WARRANT OFFICER 2 JAMES A. ROGERS, JR., AND CHIEF WARRANT OFFICER 2 CHARLES P. NORD

• Ms. KLOBUCHAR. Madam President, today I rise with a heavy heart to honor and pay tribute to three exemplary National Guard Members from my home State of Minnesota. On Thursday, December 5, SGT Kort M. Plantenberg, CW2 James A. Rogers, Jr., and CW2 Charles P. Nord lost their lives when their Black Hawk UH-60 helicopter went down southwest of St. Cloud, MN, during a routine maintenance flight.

They had just returned home from the Middle East in May after a 9-month deployment conducting medical evacuations. Once back in Minnesota, they had continued serving our Nation by

ensuring that our Forces would be prepared to respond the moment they were needed. After this tragic loss, Governor Walz, a Minnesota National Guardsman for nearly 25 years, remarked that “we will forever be in the debt of these warriors.” I couldn’t agree more.

Today, I would like to honor these brave men for giving what President Lincoln called, “the last full measure of devotion.” We are forever grateful for heroes like Sergeant Plantenberg, Chief Warrant Officer 2 Rogers, and Chief Warrant Officer 2 Nord.

Some who knew these extraordinary men described Sergeant Plantenberg as “one of the most professional individuals . . . [who] had unlimited potential.” Chief Warrant Officer 2 Rogers was said to be a “calming presence” who could always make those around him laugh. Chief Warrant Officer 2 Nord was described as “lighthearted—and kind-hearted.” Like many who serve this country, these men all had so many gifts, and our Nation is better today because of their service and sacrifice.

During this time of unimaginable grief, I would also like to offer my prayers and condolences to the families of these fallen heroes. I hope they take comfort in the fact that their lives weren’t lost in vain but in support of their common goal: to serve the Nation they loved.

They will be missed, but never forgotten, as their service has inspired us all. So now, it is up to us to preserve their memory and support all of our brave men and women who make such an immense sacrifice to keep our Nation strong. Our thoughts and prayers are with their families and loved ones and with the entire Minnesota National Guard community, at home and overseas. There is no limit to the respect they have earned, no cap to the honor they are due, and no time when we will not be in their debt.

Thank you.●

HONORING SERGEANT KORT M. PLANTENBERG, CHIEF WARRANT OFFICER 2 JAMES A. ROGERS, JR., AND CHIEF WARRANT OFFICER 2 CHARLES P. NORD

Ms. SMITH. Madam President, today I wish to recognize and celebrate the lives of James Rogers, Charles Nord, and Kort Plantenberg, all members of the Minnesota National Guard, who tragically lost their lives in a helicopter accident on Thursday, December 5. After returning home safely from deployment to the Middle East in May, this loss is especially heart wrenching. These men conducted medical evacuations in the Middle East, and their service to our troops and allies will not be forgotten. I am grateful for their service and sacrifice for Minnesota and our country.

CW2 James Rogers, often remembered for his curious nature, served 10 years in the Minnesota National

Guard, having enlisted before his high school graduation. CW2 Charles Nord enlisted in 2007, and he leaves behind his wife, young daughter, and a child on the way. SGT James Plantenberg enlisted in 2016, was a member of the Guard’s biathlon team, and was preparing to start flight school. We are all indebted to these men for their service, and I wish their families peace during this time of tragic loss.

ADDITIONAL STATEMENTS

REMEMBERING THE HANSEN FAMILY

• Mr. RISCH. Madam President, I rise today on a more somber note to pay tribute to members of the Hansen family who recently lost their lives in a tragic accident.

For Jim Hansen, family is what mattered most in life. This past Thanksgiving, he was with his sons, grandsons, and great-grandson, participating in an annual hunting activity that had become a family tradition.

On November 30, 2019, they were returning from this cherished family time, when a tragic plane accident took the lives of nine members of the Hansen family: Jim Hansen, Sr., Jim Hansen, Jr., Kirk Hansen, Stockton Hansen, Logan Hansen, Kyle Naylor, Tyson Dennert, Jake Hansen, and Houston Hansen.

My wife Vicki and I offer our deepest condolences and our hearts go out to the remaining family members during this overwhelmingly difficult time. Their loss will not only be felt throughout their community in eastern Idaho, but also by countless others throughout the world who have been touched by their religious and philanthropic service.

The miraculous survival of Josh Hansen, Matt Hansen, and Thomas Long is a tender mercy to their remaining loved ones and will hopefully bring a measure of healing for their families.

Jim Hansen, Sr., spent his entire life building a legacy steeped in a strong sense of commitment to family, a touchstone to guide future generations. Being born into a family known for hard work and business acumen, as well as caring for people in need, Jim, Jr., and Kirk harnessed their entrepreneurial spirit to expand the family business into other successful ventures that had a significant impact on their home community of Idaho Falls. The success of their values and vision was manifest in the growth of their business endeavors and their global impact.

Kirk and Jim were passionate about bringing hope to others, and that hope took shape in several forms. With the guidance and insight of their remarkable wives, Kirk and Jim helped found Kyani Caring Hands. For nearly a decade, this organization dedicated a significant portion of its time, energy, and financial resources to respond to disasters and support poverty-stricken

communities throughout the world, with a special focus on improving children's nutrition and education.

The tragic plane accident that claimed the lives of these Idaho sons will forever cement the ideals and values that motivated these men to do good where good was needed.

Idaho said farewell to several great men who were not only pillars of the community, but also beloved by employees everywhere. Jim Hansen, Sr., and his two sons, Kirk and Jim, Jr., were known throughout the world as men who were passionate about helping others and touching lives wherever they went. The Hansen men and children who lost their lives in this tragic plane accident will be deeply missed, but their legacy will not be forgotten.●

RECOGNIZING VALLEY QUEEN CHEESE FACTORY

● Mr. ROUNDS. Madam President, today, it is my pleasure to name Valley Queen Cheese Factory of Milbank, SD as the Senate Small Business of the Week. Valley Queen Cheese is a prime example of the important role small businesses play in their local economies and communities.

In 1929, Alfred Nef and Alfred Gonzenbach decided Milbank, SD was the perfect home for their business and founded Valley Queen Cheese. Four generations later, Valley Queen remains a family-run operation and is still owned by the Nef and Gonzenbach families. Today, it operates less than half a mile from the original location. It is a recognized leader in the South Dakota business community and the greater dairy industry. Since 2017, Doug Wilke has served as CEO of Valley Queen. With guidance from the board of directors, he currently oversees the largest cheese plant in South Dakota and the largest employer in Milbank.

More than 90 percent of all milk Valley Queen uses comes from South Dakota cows, and they make a conscious effort to continue South Dakota's leadership in this important industry. Thanks to a recent expansion, Valley Queen now has the capacity to produce 200 million pounds of cheese from 2 billion pounds of milk each year. Their cheese can be found in most local grocery stores, as it is sold to some of the best-known food brands in the world. To meet the growing demand, Valley Queen recently invested in a business expansion project that increased the factory's output by twenty-five percent.

Valley Queen is an active leader in the Milbank community, where it has grown to employ 300 people. In 2017, the Valley Queen Charitable Foundation was established to advance positive change by supporting local organizations and initiatives. In its first 3 years as a nonprofit, the foundation has contributed more than \$900,000 to local charities that have a community, educational, or humanitarian focus. Since

1990, Valley Queen has awarded high school and college students over \$300,000 in scholarships. In addition to the business's own philanthropy, Valley Queen makes an annual contribution to the Milbank Community Foundation, which seeks to improve the quality of life of residents in the community.

Valley Queen has been recognized for their continuous improvement and exceptional process control through several awards. Earlier this year, Valley Queen won two awards and received near-perfect marks at the U.S. Championship Cheese Contest for their reduced fat cheddar and Monterey Jack jalapeno cheeses. Valley Queen's sustained efforts toward improved research and development does not go unnoticed by the industry.

Valley Queen is an excellent example of how small businesses fit the shared values and ideals of their community and give back in a multitude of ways. I am proud to highlight Valley Queen and its team for their integral social and economic contributions to South Dakota. Although many years removed from being a startup company, Valley Queen remains committed to the legacy of its founders. Furthermore, Milbank, South Dakota continues to serve as the perfect home for this thriving business. Congratulations again to the entire team at Valley Queen Cheese Factory for being named Senate Small Business of the Week.●

TRIBUTE TO FRANK FRAZIER

● Mr. TILLIS. Madam President, I rise today to pay tribute to Mr. Frank Frazier of Oxford, NC, for his 35 years of dedicated public service to the city of Henderson and surrounding communities. Mr. Frazier was hired as an engineering technician for the city of Henderson in 1985 and has since dedicated his career to public service. He has held a number of roles within local government including, but not limited to, director of engineering, assistant city manager and city manager.

As city manager, Mr. Frazier has managed over 200 employees responsible for all city operations including the Fire and Police Departments, engineering, human resources, finance, recreation, and water resources, among many others. Mr. Frazier has led several significant projects that have benefited the city, county, and region as a whole, including upgrades to the Henderson Water Reclamation Facility and an upgrade to the Kerr Lake Regional Water Plant. Not only did Mr. Frazier successfully execute many accomplishments for the community, he did so through balanced budgets without tax increases and simultaneously providing substantial pay raises to city employees.

Mr. Frazier is well respected and acknowledged for his consistent dedication to improving the quality of life for Henderson and the greater region. I would like to thank Mr. Frazier for his

35 years of honorable service, as well as acknowledge his wife Sherrie and their two sons, Mitchell and Chad, who have supported his service. I wish Mr. Frazier all the best in his future endeavors as he retires from the city of Henderson.●

MESSAGES FROM THE HOUSE

At 11:39 a.m., a message from the House of Representatives, delivered by Mr. Novotny, one of its reading clerks, announced that the House has passed the following bills, without amendment:

S. 50. An act to authorize the Secretary of the Interior to assess sanitation and safety conditions at Bureau of Indian Affairs facilities that were constructed to provide affected Columbia River Treaty tribes access to traditional fishing grounds and expend funds on construction of facilities and structures to improve those conditions, and for other purposes.

S. 216. An act to provide for equitable compensation to the Spokane Tribe of Indians of the Spokane Reservation for the use of tribal land for the production of hydropower by the Grand Coulee Dam, and for other purposes.

The message also announced that the House has passed the following bills, in which it requests the concurrence of the Senate:

H.R. 453. An act to take certain Federal lands in Tennessee into trust for the benefit of the Eastern Band of Cherokee Indians, and for other purposes.

H.R. 2647. An act to adopt a certain California flammability standard as a Federal flammability standard to protect against the risk of upholstered furniture flammability, and for other purposes.

H.R. 3172. An act to provide that inclined sleepers for infants and crib bumpers shall be considered banned hazardous products under section 8 of the Consumer Product Safety Act, and for other purposes.

H.R. 3362. An act to amend title 49, United States Code, to require small hub airports to construct areas for nursing mothers, and for other purposes.

H.R. 4227. An act to prohibit the submission to the Federal Communications Commission of broadband internet access service coverage information or data for the purposes of compiling an inaccurate broadband coverage map.

H.R. 4229. An act to require the Federal Communications Commission to issue rules relating to the collection of data with respect to the availability of broadband services, and for other purposes.

H.R. 4779. An act to extend the Undertaking Spam, Spyware, And Fraud Enforcement With Enforcers beyond Borders Act of 2006, and for other purposes.

H.R. 4920. An act to amend title 38, United States Code, to provide for an exception to certain small business contracting requirements applicable to the Department of Veterans Affairs procurement of certain goods and services covered under the Ability One program, and for other purposes.

H.R. 4998. An act to prohibit certain Federal subsidies from being used to purchase communications equipment or services posing national security risks, to provide for the establishment of a reimbursement program for the replacement of communications equipment or services posing such risks, and for other purposes.

The message further announced that the House agreed to the amendment of
