He was the loving and devoted father to Romana (Cliff), whom they named after the city of Rome where he and Linda first met, son Raymond, and doting grandfather of Hanalee, a naturally talented artist. He raised his children with every devotion and detail, ensuring they had resources, support, guidance and care to grow up well. He sacrificed much to give them a good life and the promise of futures they would be proud of. He was very proud of them all.

Chen Lok Lee passed away on December 13, 2020. Professor Lee leaves behind a legacy of strength, courage, honor and devotion, and touched the lives of all who knew and loved him.

On behalf of the 3rd Congressional District of Pennsylvania and the city of Philadelphia I extend gratitude to the late Chen Lok Lee for his dedicated support and service to the Commonwealth of Pennsylvania.

#### HONORING LIEUTENANT VEDA FLEETON

#### HON. NORMA J. TORRES

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 21, 2020*

Mrs. TORRES of California. Madam Speaker, I rise today to honor Lieutenant Veda Fleeton of the California Highway Patrol (CHP) for her 25 years of service. The calling to be a peace officer is one of the highest vocations of public service. An individual who accepts this calling is worthy of the highest respect and honor from their community, the State, and our nation.

Lieutenant Fleeton's career with the California Highway Patrol began on November 6, 1995, and after successfully completing her Academy training, she reported to the East Los Angeles Area as a CHP officer. She was later assigned to the Southern Division, where she excelled in connecting with the public in her many roles. As part of the Southern Division Recruitment Unit, she was dedicated to recruiting the best candidates to protect and serve our communities. While at Southern Division, she also contributed to the Public Information Unit through her interactions with the news media and to numerous Dignitary Protection details where she provided security for top-level dignitaries from around the world. Lieutenant Fleeton also dedicated her time and skills to the Southern Division Background Investigative Unit, a temporary assignment that occurred during her road patrol tenure at Baldwin Park that began in 2003. Within this unit, Lieutenant Fleeton conducted thorough and comprehensive backgrounds for hundreds of applicants who were later chosen to begin their careers with the State highway patrol. Because of her deep engagement with the community in these assignments, Lieutenant Fleeton received multiple accolades for her hard work.

Lieutenant Fleeton was promoted to Sergeant on August 1, 2007 and was assigned to the Morongo Basin Area, later transferring to Rancho Cucamonga Area. As Sergeant, she focused on providing her field officers with in-

valuable direction and guidance. On July 1, 2013, Lieutenant Fleeton was promoted to Lieutenant and was assigned to the Santa Fe Springs Area for two years before transferring to the San Geronio Area. In March 2016, Lieutenant Fleeton was appointed Lieutenant Commander of the CHP's Inland Communications Center in Fontana, where she provided unwavering leadership and guidance to over 75 dispatch and Transportation Management Center (TMC) personnel, including the Riverside and San Bernardino County Freeway Service Patrol programs. Lieutenant Fleeton's unequivocal passion to mentor and develop field officers shined throughout all these roles.

Lieutenant Fleeton officially retired from her service with California Highway Patrol on November 17, 2020. For her remarkable accomplishments and 25 years of commitment to public service as a peace officer in the greater Inland Empire, it is my honor to recognize Lieutenant Veda Fleeton on this day.

Mr. HUFFMAN. Madam Speaker, I rise today in recognition of Kathrin (Kate) Sears for her outstanding career in public service as Marin County's District 3 Supervisor.

Kate has been a resident of Southern Marin for most of her life, and it is the place where she developed the principled values that have guided her private and public careers.

She earned a bachelor's degree in Asian studies at Carleton College in Minnesota, a master's degree in Chinese studies at the University of Washington, a doctorate in political science from the University of Michigan, and a law degree from Harvard University. In 2005, after working as an attorney in a private practice for 16 years, Kate joined the Consumer Law Section of the California Attorney General's Office. In 2011 Governor Jerry Brown appointed Kate to the Marin County Board of Supervisors after the heartbreaking death of Charles McGlashan. She was reelected in 2012 and 2016.

Throughout her tenure on the Board of Supervisors, Kate represented the residents of Marin, its renowned public lands and the environment with passion and skill. She worked to improve public transportation, strengthen services for older adults, and increase affordable housing opportunities. Kate has helped to plan and implement key Marin initiatives including Bay WAVE and Drawdown: Marin. As Chair of Marin Clean Energy, Kate worked to develop energy efficiency programs and expanded electric vehicle charging stations in Marin.

From Angel Island to Muir Woods, Kate has also fought for Marin's parks and open spaces. I am proud to have worked with her to find compromise in resolving community issues, including through the Muir Woods Parking Reservation System.

Kate is a champion for the people and places of Marin County and leaves an appreciable legacy as she retires from the Board of Supervisors. Madam Speaker, I respectfully ask that you join me in honoring Kate for an accomplished tenure, and extend to her best wishes in her future endeavors.

#### REINTRODUCTION OF H.R. 8768, THE "KEEPING AMERICA'S ENERGY RESOURCES MOVING ACT"

#### HON. SYLVIA R. GARCIA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 21, 2020*

Ms. GARCIA of Texas. Madam Speaker, I rise today to echo the words of my Texas friend and colleague, Mr. WEBER, to support the reintroduction of H.R. 768, the "Keeping America's Energy Resources Moving Act". This is vital legislation needed to support a vital industry, the U.S. lightering industry. In turn, this legislation will support our domestic refining industry and its workers and help support U.S. energy security and independence. It is a small technical fix to the law that will allow seafarers aboard lightering vessels to continue to do the vital work they do—import and export crude oil and natural gas to and from our refineries in Texas and the Gulf Coast, Delaware and Southern California. We have bipartisan support for the legislation and the approval of the agencies who will administer and implement this legislation when it becomes law. As my colleague Mr. WEBER has said, we simply ran out of time to move the bill—but we will continue our efforts and press forward in the next Congress. I thank my colleagues for their support of this legislation and look forward to enacting this important technical fix in the next Congress.

#### HONORING HYNDMAN VOLUNTEER FIRE DEPARTMENT CHIEF RONALD ALLEN SPIKER

#### HON. JOHN JOYCE

*Monday, December 21, 2020*

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise to honor the life and legacy of Hyndman Volunteer Fire Department Chief Ronald Allen Spiker, who passed away on December 1, 2020.

Chief Spiker selflessly served the Hyndman Volunteer Fire Department for 30 years. He also was an EMR for the Hyndman Rescue Squad. For this work, he gained a reputation as a man who was always willing to offer help to anyone who needed it. Chief Spiker also generously invested time in teaching and mentoring younger firefighters.

In addition to his service as fire chief, Chief Spiker was a truck driver for his entire professional life and worked at Croner Inc., New Enterprise Stone and Lime, and Rice Tire. He was also a member of the Kennells Mill Sportsmen's Club and the National Rifle Association.

I extend my deepest sympathies to Chief Spiker's parents Ron and Jessie, his loving wife of 31 years Anita, and his son Tyler. On behalf of Pennsylvania's 13th Congressional District, it is an honor to recognize Chief Ronald Spiker's legacy of service to the John Hyndman community.

#### HONORING THE 65TH ANNIVERSARY OF THE CHARLES HOUSTON BAR ASSOCIATION

##### HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 21, 2020*

Ms. LEE of California. Madam Speaker, I rise today to honor the Charles Houston Bar Association (CHBA) and their 65 years of service throughout California's 13th congressional district and the country.

CHBA was originally founded in 1955 as the Charles Houston Law Club and was named in honor of the groundbreaking lawyer and educator, Charles Hamilton Houston. Bearing his name, CHBA continues to uphold his legacy by fighting for racial equality and social change.

Located in Oakland, California, The Charles Houston Bar Association has been a driving force promoting diversity in the legal profession and advocating against racial injustice.

In 1975, The California State Bar's Board of Governors recognized the Charles Houston Bar Association as an official state bar association. The CHBA is also an affiliate member of the National Bar Association (NBA) and the California Association of Black Lawyers (CABL).

The CHBA has been a continuous source of legal advocacy in the African American community. Their focus on protecting the legal rights of the people has kept them on the precipice of change.

During the early 1980's CHBA partnered with the California Association of Black Lawyers to criminalize the KKK. Through their efforts California passed legislation that can still be found in the penal code today.

The Charles Houston Bar Association has always fought to protect civil rights and advocated for equality. These efforts led to the CHBA earning recognition from the National Bar Association as one of its Most Outstanding Affiliates in 1977, 1986, 2002, and 2004.

The CHBA's values and mission are reflected in accomplishments and legacies of its members. From California's first African American Supreme Court Justice Wiley Manuel to the First African American Vice President-elect KAMALA HARRIS, The Charles Houston Bar Association and its members continue to dedicate themselves to creating and being the engineers of social change.

On behalf of California's 13th Congressional District, I want to extend my sincere congratulations on this important milestone. I thank the Charles Houston Bar Association for being a tireless advocate for an inclusive community. I wish them continued success in training and organizing future generations of leaders to address the issue of diversity in the legal profession and the challenges of racial inequality.

RON WAGONER

##### HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 21, 2020*

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Ron Wagoner with the City of Lakewood for his long tenure with the City and his countless contributions to our community.

Ron began work with the City of Lakewood on December 28, 1970 and, after 50 years of service, plans to retire in January 2021. Throughout his time with the City, he has had many different responsibilities and roles—from Laborer to Maintenance Supervisor—but he is best known for his work ethic and delightful nature.

Through 50 winters, he has ensured snow removal and ice control for the City of Lakewood and its residents. He actively participated in the Colorado Chapter of the American Public Works Association (APWA), particularly related to snow, ice and pavement, and chaired the APWA Snow and Ice committee from 1985 to 2013.

During his service, he also managed pavement quality for 1,345 lane-miles of city streets. This meant selecting, coordinating and directing suppliers of multiple maintenance materials including pavement, sewer, waterline, sand, and salt as well as evolving equipment purchases to support maintenance of streets, sewers, waterlines and storm water facilities. Ron also helped lead and participate in emergency responses to infrastructure failures, storm damage, police responses and fire responses, and helped hire and supervise untold numbers of employees with varied backgrounds.

Ron's work ethic and leadership earned him Lakewood's Employee of the Year in 2016. Outside of work, Ron is a dedicated father and grandfather. I want to extend my deepest appreciation for Ron's long career in public service and countless contributions to our community. I wish him the best in retirement and future endeavors.

#### HONORING THE LIFE AND LEGACY OF JOYCE HABER SCHUCK

##### HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 21, 2020*

Mr. LAMBORN. Madam Speaker, I rise today to honor the life of Mrs. Joyce Haber Schuck, cherished wife, mother, grandmother, patriot, community activist, and dear friend.

Joyce was born December 9, 1937, to loving parents, Frank and Florence Haber, in Long Island, New York. She met the love of her life, Steve, while at a party hosted by a mutual friend. They married in 1958, following his college graduation. As newlyweds, Steve and Joyce lived and worked in Syracuse and New York City until they accomplished their dream of starting a family and moving to Colorado Springs. They had three beloved children: William David (1959), Thomas Allen (1961), and Ann Elizabeth (1968).

Joyce lived an extraordinary life by all measures. Her husband, Steve, describes her as "beautiful at many levels, and bordering on being renaissance." Joyce embraced the popular role of being a homemaker to her family, but her efforts and passions didn't end there. Joyce returned to college in her 40s and graduated with a degree in social work. Her passion was always in the well-being of those less fortunate.

Joyce blazed historic trails in her community. She co-founded Community Transitions, a non-profit organization that served homeless families, established a volunteer program for the District Attorney's office, and built the DA's 'Shape Up' initiative. She was appointed by Governor Bill Ritter to the board of the Charter School Institute and served on the boards of the League of Charter School and the Youth Transformation Center. Additionally, she co-founded and chaired the board of Colorado's first military charter school, the Colorado Military Academy.

The Schuck's had an unwavering commitment to children, particularly to those who are disadvantaged. They founded Parents Challenge, a nationwide nonprofit to empower low-income parents with financial and informational resources so that they may choose the schools best suited for their children's needs. Parents Challenge has been carrying out its mission of serving parents and children across our nation for over 21 years.

In a move that took her out of her comfort zone, Joyce embraced the campaign life when Steve sought the Republican nomination for Governor of Colorado in 1986. Not so secretly, many expressed that they wished she was the candidate because she excelled at building relationships and communicating with people from all walks of life. Unbeknownst to Steve, Joyce kept a diary of her experience on the campaign, which she converted into a trail-blazing book titled, "Political Wives, Veiled Lives."

Joyce had many passions in her life, but none more than her family. Joyce was preceded in death by her parents Frank and Florence, and sister Rolene. Joyce is survived by her loving husband Steve, children: Bill (Dede), Tom, and Ann; her grandchildren: Emily, Molly, Hillary, Whitney, Gabriel, Conner, Colton, and Bryce; great-grandchildren: Madyson, Emyrson, Grayson, Hudson, and Liam.

Joyce leaves behind a legacy of grace, kindness, compassion, and generosity. She lived her life with enthusiasm and purpose, and her commitment to those in need will benefit generations to come.
