

EXTENSIONS OF REMARKS

ANNOUNCEMENT OF THE 2020 CONGRESS-BUNDESTAG/BUNDESRAT EXCHANGE

HON. NANCY PELOSI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Ms. PELOSI. Madam Speaker, since 1983, the U.S. Congress House and Senate and the German Bundestag and Bundesrat have conducted an annual exchange program for staff members from both countries. The program gives professional staff the opportunity to observe and learn about each other's political institutions and interact on issues of mutual interest.

A staff delegation from the U.S. Congress will be selected to visit Germany from Friday, May 22–Sunday, May 31, 2020. During this exchange, the delegation will attend meetings with Bundestag/Bundesrat party staff members, and representatives of numerous political, business, academic and media agencies.

A comparable delegation of German staff members will visit the United States from Saturday, June 20–Sunday, June 27, 2020. They will attend similar meetings in Washington.

The Congress-Bundestag/Bundesrat Exchange is highly regarded in Germany and the United States and is one of several exchange programs sponsored by public and private institutions in the United States and Germany to foster better understanding of the politics and policies of both countries. This exchange is funded by the U.S. Department of State's Bureau of Educational and Cultural Affairs.

The U.S. delegation should consist of experienced and accomplished Hill staff who can contribute to the success of the exchange on both sides of the Atlantic. The Bundestag reciprocates by sending senior staff professionals to the United States.

Applicants should have a demonstrable interest in events in Europe. Applicants need not be working in the field of foreign affairs, although such a background can be helpful. The composite U.S. delegation should exhibit a range of expertise in issues of mutual concern to the United States and Germany such as, but not limited to, trade, security, the environment, economic development, health care, and other social policy issues. This year's delegation should be familiar with transatlantic relations within the context of recent world events.

Please note that there is a significant time commitment aspect for those selected for the program. In addition, U.S. participants are expected to plan and implement the meetings and programs for the Bundestag/Bundesrat staff members when they visit the United States.

Members of the House and Senate who would like a member of their staff to apply for participation in this year's program should direct them to submit a resume and cover letter in which they state their qualifications, the contributions they can make to a successful

program and some assurances of their ability to participate during the time stated.

Applications should be sent to the Office of Interparliamentary Affairs, HC-4, the Capitol, by 5 p.m. on Wednesday, February 26. Questions may be directed to Ms. Kate Knudson at 202-226-1766.

CONGRATULATIONS TO COACH MARK ROBERTS

HON. JOE NEGUSE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. NEGUSE. Madam Speaker, as a source of inspiration and drive for every student who walks onto his track, Colorado's Lyons High School Head Cross Country Coach Mark Roberts is a prime example of the kind of coach we all hope our children have. I am so proud that his many years of tireless work at Lyons High is being honored by his induction into the Colorado High School Coaches Association Hall of Fame this March.

Raised in Colorado and a runner himself since high school, Coach Roberts is well-known throughout Colorado's running community and has expertly coached countless track and field students to victory. During Coach Roberts tenure, the Lyons boys and girls cross country and track and field teams won a combined 18 state championships and were runners-up an equal number of times. In 2013 alone, the Lyons High boys runners placed first, second and third to record the only perfect team score in state history. This past fall, Lyons also won every possible championship—boys and girls individual titles, as well as boys and girls team titles—joining just one other school as the first to do so since 1995.

In addition to his clear talent for coaching students to victory, Coach Roberts has also been the meet director for the St. Vrain Invitational track and St. Vrain Invitational cross country meets. These are two of the largest meets in Colorado and Coach Roberts has added innovative and exciting components to them, to not only inspire the participating athletes, but also to ensure these events are engaging for families and, truly, our entire community.

Coach Roberts is clearly an irreplaceable asset to the running and sports communities throughout Colorado and to every student athlete he serves, and his induction into the Colorado High School Coaches Association Hall of Fame is very well earned. Colorado's 2nd Congressional District and our entire state send our congratulations to Coach Roberts and wish him and the Lyons team continued victory on the field.

HONORING THE 112TH ANNIVERSARY OF ALPHA KAPPA ALPHA SORORITY

HON. RASHIDA TLAIB

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Ms. TLAIB. Madam Speaker, I rise today in tribute to Alpha Kappa Alpha Sorority, the oldest Greek-letter organization established by African American college-educated women in the United States, on its one hundred twelfth anniversary.

Founded in 1908 on the campus of Howard University in Washington, D.C., Alpha Kappa Alpha's sisterhood has grown to more than one thousand chapters worldwide with more than seventy-five thousand members strong. Michigan alone is home to more than thirty chapters, several of which serve the Wayne County and metropolitan Detroit regions. Alpha Kappa Alpha was founded with a goal of bringing like-minded women together to uplift each other, using their bond, strengths, and passions to benefit others. This sisterhood has created a vast network of sisters in service who work on countless community projects each year. The sisters of Alpha Kappa Alpha have focused their efforts to uplift the most vulnerable and impoverished individuals and advancing human and civil rights everywhere.

Please join me in recognizing Alpha Kappa Alpha on this outstanding milestone as we wish them many more years to come.

IN RECOGNITION OF SCHOOLS IN CALIFORNIA'S 39TH DISTRICT SELECTED AS 2020 CALIFORNIA DISTINGUISHED SCHOOLS

HON. GILBERT RAY CISNEROS, JR.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. CISNEROS. Madam Speaker, it is with great pride that I rise today to honor and congratulate ten elementary schools in California's 39th District for their selection as 2020 California Distinguished Schools. The California Distinguished Schools Program is a component of the California School Recognition Program and serves to recognize schools that demonstrate outstanding education programs and practices. Schools awarded with this distinction hold the Distinguished School title for two years. This year, eligible elementary schools in the State of California were identified through a multiple measures accountability system that examines performance and progress on state indicators specified on the California School Dashboard. Schools were identified and selected within two distinct categories: Closing the Achievement Gap and Exceptional Student Performance.

Elementary schools in California's 39th District awarded this distinction include: Acacia

• This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor.

Matter set in this typeface indicates words inserted or appended, rather than spoken, by a Member of the House on the floor.

Elementary School (Fullerton School District), Blandford Elementary School (Rowland Unified School District), Buena Terra Elementary School (Centralia Elementary School District), George B. Miller Elementary School (Centralia Elementary School District), Golden Elementary School (Placentia-Yorba Linda Unified School District), Killian Elementary School (Rowland Unified School District), Laguna Road Elementary School (Fullerton School District), Mesa Robles School (Hacienda La Puente Unified School District), Robert C. Fisler School (Fullerton School District), and Wedgeworth Elementary School (Hacienda La Puente Unified School District).

As California Distinguished Schools, these institutions set the standard for an immersive educational climate bound by a student-driven learning philosophy. Exceptional student achievement in each school is a testament to the efforts made by educators to realign pedagogical practices to allow for student empowerment and engagement. This relies on a comprehensive platform that supplements the breadth of academic rigor with collaboration and social support. Through programs ranging from dual immersion to positive behavior intervention, these schools reconcile differences in theory and praxis to close achievement gaps and instill traits vital to academic success. What results is a seamless integration between teacher guidance and student participation. It is this attunement to the holistic well-being of each student that sets Distinguished Schools apart.

As a strong believer in education and its life-changing advantages, there is nothing more pleasing than knowing that the community I serve is paving a brighter road for the academic future of California's youth. I am proud of the tireless efforts made by parents, teachers, administrators, and staff to advance a scholastic agenda that rewards integrated educational experiences. Madam Speaker, I ask that you and my honorable colleagues join me in congratulating these ten California Distinguished Schools for this tremendous achievement in the world of education. I am wholeheartedly assured in their ability to guide and leave a lasting impact on the students of California's 39th District.

HONORING LIEUTENANT COLONEL (LTC) RYAN NENANBER

HON. DUSTY JOHNSON

OF SOUTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. JOHNSON of South Dakota. Madam Speaker, I rise today to recognize and honor Lieutenant Colonel (LTC) Ryan Nenamber for his retirement from the United States Army after over 20 years of service.

LTC Nenamber's record of service with the U.S. Army is truly outstanding. He began his career in 2000 when he was stationed in Ft. Wainwright, Alaska and served as an Anti-Tank Platoon Leader, Rifle Platoon Leader, Company Executive Officer, and Battalion Assistant Operations Officer. LTC Nenamber then served as a Special Forces Operational Detachment ALPHA Commander and an Advanced Operational Base Executive Officer in Fort Lewis, Washington. He spent time teaching our next generation of servicemembers at

the U.S. Military Academy, and then was assigned to the U.S. Army North as a Strategic Intelligence Officer. LTC Nenamber has been deployed to Iraq, Afghanistan, and multiple locations in Asia. Currently, LTC Nenamber is the Chief of the Functional Training Branch at the United States Army Intelligence Center of Excellence.

I want to specifically recognize LTC Nenamber's leadership when he commanded an Operational Detachment ALPHA team that captured the leaders of an Al-Qaeda affiliated cell north of Baghdad, Iraq that used young boys as suicide bombers. Through their brave actions, LTC Nenamber and his team saved countless young boys—many thought to be orphans—from certain death, and prevented the execution of many disastrous suicide bombings.

Originally from Belle Fourche, LTC Nenamber is a native South Dakotan and I am proud to have such an exceptional servicemember call South Dakota home. Our state and country are better because of citizens like him. I thank LTC Nenamber and his family for their tremendous sacrifice, and I extend my deepest congratulations for his retirement.

COMMEMORATING JOE BURROW WINNING THE 2019 HEISMAN MEMORIAL TROPHY

HON. STEVE SCALISE

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. SCALISE. Madam Speaker, I rise today to congratulate Louisiana State University's quarterback, Joe Burrow, for winning the Heisman Memorial Trophy. As the most prestigious award in college football, this honor is afforded to the most outstanding player who has exhibited excellence and integrity both on and off the field. Through hard work and dedication, Joe has exemplified these qualities, and there is no other college athlete more deserving of this award.

On December 14, 2019, Joe became the first LSU player since Billy Cannon to win the Heisman, shattering previous voting records and receiving the highest percentage of first place votes. Breaking national and SEC records, Joe passed for 4,715 yards and 48 touchdowns during the regular season, completing a college football record 77.9 percent of his passes. Joe's historic season led LSU to its first SEC Championship since 2011 and a berth in the College Football Playoff.

Originally from Athens, Ohio, Joe Burrow was given the opportunity to play football at LSU by head coach Ed Orgeron. Seizing this opportunity, Joe transformed the LSU offense and overall attitude of the team. His leadership on and off the field has made Louisiana proud, and we are forever grateful for his time at LSU. On behalf of Tiger fans in Louisiana and across the nation, and as a proud LSU alumnus, I again congratulate Joe on winning the Heisman Trophy, and officially recognize him as an adopted Louisianan. Geaux Tigers.

IOWAN OF THE WEEK—DR. MIKE WELLS

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mrs. AXNE. Madam Speaker, I rise today to ask the House of Representatives to join me in recognizing Dr. Mike Wells, Superintendent for the Hamburg Community School District for his effort to create a unique and engaging learning environment for K–8 students in the Hamburg Makerspace Program.

The Makerspace Program and Farm School serving elementary and middle school students in Hamburg, IA has been a major hit with both students and community members. Students have the opportunity to experience immersive learning environments where they gain hands on experience in a number of areas including: embroidery, wood working, culinary arts, screen printing, video game design with virtual reality, book making and so many other amazing programs each Friday for nine weeks.

I had the opportunity to see these students at work, building a house for a family in their community that was hit by devastating flooding in the Spring of 2019. The plan is for a new home to be built each year moving forward and sold to a local family at a below market rate. Dr. Wells brings an amazing learning opportunity for his students and is using it to lift up our community.

Dr. Wells has created an expectation in Hamburg Community Schools where students lead projects and obtain valuable, hands on experience. This includes The Farm School, started up in 2016, which is an effort to introduce hands on, agricultural education experiences through a functioning small farm on school property. This endeavor includes a garden, green house, poultry, and livestock. The students supply the local food pantry fresh produce and eggs year-round. Dr. Wells has made the school the center of the community and is a source of pride and learning for all residents of Hamburg, IA.

It is an honor to commemorate the outstanding achievement of Dr. Wells and his staff in the Hamburg Community School District. I have great respect and admiration for our educators and am particularly thankful for the strong foundation they are giving our kids. As the mother of two boys, I know that a quality education is crucial to success. I hope the well-rounded training and techniques they found successful in the classroom becomes a model for other districts and the country as a whole.

HONORING THE LIFE OF DR. IVERY DWIGHT CLIFTON

HON. DAVID SCOTT

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. DAVID SCOTT of Georgia. Madam Speaker, I rise today to honor Dr. Ivery Dwight Clifton of Winterville, Georgia, who passed away on January 1, 2020.

Dr. Clifton was born on April 6, 1943, in Oliver, Georgia, to B.J. Clifton and Rosetta Benjamin Clifton. From the beginning, farming was
