

man, Edwin rose through the ranks and became a Lieutenant by 1986, then a Captain the following year. His service did not disappoint because by the mid-1990s, he oversaw critical operations for the Department. Soon enough, Edwin found himself leading the Fire Department as their new Chief by 2004.

As Fire Chief, he exceptionally performed his duties and gained a reputation for his effective management capacity. He secured millions in grant funding and amazingly acquired more responsibilities for the Department. The increased responsibilities expanded the force and augmented operational capacity. The responsibilities included expansion in emergency medical services and even water rescue services. With Edwin at the helm for 16 years, he understood the value of camaraderie and his distinguished service is worthy of veneration. His love for firefighting and passion for serving his community should be admired by all of us.

Therefore, Madam Speaker, join me to recognize Chief Allen's service to the First District and to the Commonwealth. His dedication to the Fire Department exemplifies the type of leadership that our great Nation demands. Let us wish Edwin the best during his retirement, as his rest is well deserved. On behalf of the First District, we say thank you.

IN HONOR OF DR. WALTER
“WALLY” WILKERSON

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 27, 2020

Mr. BRADY. Madam Speaker, I rise today to recognize and honor Dr. Walter “Wally” Wilkerson's service to the community as a physician, community leader, and as Chairman of the Montgomery County Republican Party for fifty-six years.

Born and raised in Bryan, Texas, Dr. Wilkerson stayed close to home and earned a Bachelor's Degree in biology from Texas A&M University in 1951. After graduation, Dr. Wilkerson pursued a Medical Degree from the prestigious University of Texas Southwestern Medical School in 1955. Just one year after finishing medical school, Dr. Wilkerson joined the United States Navy and spent two years as a General Medical Officer. While stationed at Miramar Naval Air Station in San Diego, California, Dr. Wilkerson served aboard the *USS Hooper Island*. In the summer of 1958, Dr. Wilkerson participated in the historic atomic weapon test operation known as Operation Hardtack at Eniwetok Atoll in the southwest Pacific Ocean.

When it was time to return to civilian life, he found his way back to home to Texas and joined his family in Conroe. After encouragement from his father, he introduced himself to a local family medical practitioner, Dr. Deane Sadler. After shadowing Dr. Sadler for a day, a simple handshake sealed the deal and Dr. Wilkerson joined his clinic. Over the years, Dr. Sadler, became not only a business partner, but a mentor and a friend.

Eager to get involved in the community, Dr. Wilkerson entered the Conroe political scene while working at Sadler Clinic. In 1964, he ran successfully for Chairman of the Montgomery County Republican Party. The following years of leadership and devoted service to the com-

munity earned him the nickname “King Wally.” Dr. Wilkerson has received several accolades for his effective leadership, vision, and hard work, has been selected as a delegate for multiple Republican National Conventions, and continues to be active in the Associated Republicans of Texas. In 1989, Governor William P. Clements appointed Dr. Wilkerson as a member of the San Jacinto River Authority Board. In 1995, Governor George W. Bush selected Dr. Wilkerson to Chair the Texas Board of Health.

In 1996, Dr. Wilkerson retired from family medicine after thirty-eight years of service and dedication to his community. Today, he relinquishes the helm as Chairman of the Montgomery County Republican Party. Dr. Wilkerson is respected by many and has been a faithful friend and source of professional guidance to many. We are thankful he chose to make a lasting difference right here in our community. Our entire community has been inspired by your character, integrity, patience, fairness and optimism. Your principles of freedom and limited government enhance the lives and opportunity for the people we seek to serve.

I join the communities of Conroe and Montgomery County in thanking Dr. Wilkerson, and I am proud to join him and his wife Neddie Jane in celebrating this amazing milestone of service and leadership for fifty-six successful years.

IN HONOR OF ARTHUR GREEN

HON. BRENDAN F. BOYLE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 27, 2020

Mr. BRENDAN F. BOYLE of Pennsylvania. Madam Speaker, it is an honor and privilege to recognize a dedicated public servant who continues to make our community proud as a Ward Leader. As public officials, entrusted by their peers to oversee elections and party activity, Philadelphia Ward Leaders represent a corps of unsung heroes that help facilitate the progress that molds our city. I am honored to be joined by one of our most distinguished, esteemed Ward Leaders today, and in commemoration of Black History Month, ensure that their contributions to our city remain enshrined in our historical record for generations to recognize.

Black History Month is more than a mere byline on the month of February, it is an opportunity to celebrate and recognize the extraordinary contributions that the African American community has made, and continues to make, on our nation's history and culture. And I can think of no honoree more deserving of this recognition, who embodies the selfless commitment to their neighbors and peers, than Arthur Green.

Arthur Green, who proudly served our nation's Navy before taking over the helm of Ward 14, oversees a smooth electoral operation, but also is a dedicated advocate on behalf of his constituents. Instrumental in the formulation of the 14th Ward Registered Community Organization, Arthur has made it a priority to ensure that as the East Poplar area continues its developmental boom, residents will reap the benefits while avoiding gentrification-induced displacement. His efforts will bolster

quality of life for those who live in Ward 14 and serve as a model for our entire city as it struggles with gentrification. I am grateful to have Arthur on the frontlines of this fight, and I thank him for his work on behalf of Ward 14. I thank Arthur for his service.

Taking after the long lineage of Philadelphians who have helped sculpt our democracy into an increasingly inclusive system that encourages public participation, Arthur Green has left his own mark on our city. I look forward to years of collaboration so we can create a more inclusive, representative democracy throughout our community.

RECOGNIZING THE 150TH ANNIVERSARY OF NEWMAN FIRST CHRISTIAN CHURCH

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 27, 2020

Mr. SHIMKUS. Madam Speaker, I rise to recognize Newman First Christian Church on its one hundred and fiftieth anniversary.

Newman First Christian Church was born in the hearts of a small band of believers in 1870. An early focus of Newman First Christian was to make disciples of Jesus, and so for the first sixteen years the church did not have a regular minister and services were led by lay leaders, evangelists and circuit riders. As the congregation grew in spirit as well as in numbers, it soon outgrew its facilities. A new building was built to the glory of God on the corner of Green and King streets in Newman in 1904 and is used to this day for worship.

Throughout its history, pastors have generally served for short periods of time, the longest being only four years. Then in 1950, the church called Reverend Wolfe and for thirty-seven years he served as its minister. After his death, the congregation took a step of faith in a new direction and in 1987 Newman First Christian became a "teaching congregation." It was led by faithful men and women, preachers, and ministers until, under the leadership of Perry Albin and Laverne Fraser, the church recruited its current pastor, Justin Smith, in November of 2017.

The church is serious about loving Jesus, as well as creating opportunities for community involvement, spiritual growth, and outreach. Newman First Christian, for example, continues to provide meals to various local school sports teams and prayer for local school events, sponsor community events, and offer biblical counseling to the congregation and community. This focus on service and outreach has improved the spiritual and physical well-being of countless people in the community.

Madam Speaker, it is with great pleasure I stand to recognize Newman First Christian Church on its one hundred and fiftieth anniversary. I wish Pastor Smith, the congregation, as well as the community of Newman, all the best for a bright and joyous future.

RECOGNIZING THE 30TH ANNIVERSARY OF THE BAKU POGROMS

HON. KATHERINE M. CLARK

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 27, 2020

Ms. CLARK of Massachusetts. Madam Speaker, today I rise to recognize the 30th anniversary of the anti-Armenian pogroms in then-Soviet Azerbaijan's capital of Baku.

In January 1990, a violent seven-day long riot in Baku broke out against the city's ethnic Armenian civilian population. Approximately 90 Armenians were killed, and hundreds more were brutally beaten and forced to abandon their homes. The Baku Pogrom was just one of several anti-Armenian attacks that took place across Azerbaijan from 1988 to 1990

that were enabled by the Azerbaijani government. From Sumgait to Kirovabad and Baku, Armenian Christians living in the country were murdered, raped, and robbed. These vicious attacks led to the displacement of thousands of Armenian families fleeing the targeted violence as refugees.

These were crimes against humanity that have still gone unrecognized by Azerbaijan. I call upon their government to acknowledge and condemn these acts of violence, actively prosecute the perpetrators of these crimes, and take all appropriate action so that these atrocities never happen again.

Throughout history, the Armenian people have been targets of violence, murder and genocide. We must emphatically condemn these actions and any efforts to erase these atrocities from our collective memory. Failure to do so will only serve to embolden purveyors of violence against religious and ethnic minorities around the globe. I look forward to working with my colleagues in the Armenian Caucus to continue pushing policies promoting peace and human rights for Armenians and for all.

If we do not stand up to hate, we cannot end the cycle of intolerance.

IN HONOR OF PETER LYDE

HON. BRENDAN F. BOYLE

IN THE HOUSE OF REPRESENTATIVES

And I can think of no honoree more deserving of this recognition, who embodies the selfless commitment to their neighbors and peers, than Peter Lyde.

Peter Lyde, the Ward Leader for the 61st ward, helped shape our city's justice department and is a long-tenured labor organizer. In this modern age where technology has allowed more and more people to access information with ease, Peter has ensured the residents of Ward 61 can find helpful guidance on their political questions, and information on upcoming events, by following their active social media accounts. As we look to bring in new participants to the political sphere, Peter models the innovation that will expand the electorate and allow new voices to take part in our political process. With ward cookouts, community gatherings, and seasonal events, he brings politics to his constituents, encouraging
