Mukwonago Fire and Rescue arrived while Tony and the police officer were in the icy pond. The Fire and Rescue members began throwing additional rope to Tony, the police officer, and the children. The members of the rescue unit pulled everyone to shore. During this whole situation, Tony was in the icy water for over five minutes trying to reach the children. He showed bravery and risked his life to save the children.

Tony's quick thinking and selflessness led to the two children being saved. He is a hero.

On behalf of Wisconsin's First Congressional District, I thank Tony for his heroic actions. When faced with a decision to risk his life and save these children, Tony did not think twice.

REMEMBERING JEANNE SULLIVAN

HON. HALEY M. STEVENS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Monday, January 13, 2020

Ms. STEVENS. Madam Speaker, I rise today in memory of Jeanne Sullivan, who passed away on November 24th after a courageous two-year battle with cancer.

Jeanne was born in China and spent most of her childhood in Brazil and Montreal, Canada, before immigrating to the United States with her parents. She graduated from Boston University with a degree in Comparative Religion and spoke five languages fluently.

In her free time, Jeanne read thousands of books and was an accomplished artist. Her home was filled with art, as well as projects for her church, community, and grandchildren. Loving wife, mother to her three children, Tamara, Pandi and Nick, and dedicated grandmother, she brought a sense of imagination and profound love to everyone she touched.

Jeanne lived her life helping others and caring for the community around her. Even in her final days, she was thinking of others, and told her children that her greatest purpose in life was bringing joy to all people. Jeanne will always be remembered for her knowledge, spirit, and commitment to her community—all of which she passed down to her children.

THANKING FRAZIER PAYNE FOR SEVENTEEN YEARS OF SERVICE TO ALABAMA'S FIRST CONGRESSIONAL DISTRICT

HON. BRADLEY BYRNE

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 13, 2020

Mr. BYRNE. Madam Speaker, I rise today to share my deepest appreciation for my Deputy District Director, Frazier Payne, for his 17 years of service to Alabama's First Congressional District. Today marks Frazier's final day serving the people of Southwest Alabama.

After graduating from the University of Alabama, Frazier jumped headfirst into politics working for the successful campaign of my predecessor representing Alabama's First District, Jo Bonner. Frazier faithfully served Congressman Bonner during his entire tenure in office, and I and the people of Southwest Alabama were very fortunate when Frazier agreed to join my staff as well.

As Deputy District Director, Frazier has been invaluable as my representative in communities throughout our district. Few people know Southwest Alabama better than Frazier. He is well-known by constituents, local leaders and elected officials. More importantly, he has their trust. And they know he has mine too.

People are drawn to Frazier not only because of his likability but because he is trustworthy. His reputation for integrity and as someone who can be relied upon has been so valuable to me and my staff. He has always had my full trust, and I have been better able to serve my constituents because of his wise counsel.

Next week Frazier will begin his next chapter as Regional External Affairs Liaison with the Alabama Community College System, covering southwest Alabama and its three community colleges. I am so pleased he will remain in Mobile, and I am confident he will continue as an engaged leader in our community.

I thank his wife Lesley and children Lula and Corrine for allowing their husband and father to serve the people of the First District for 17 years. We've scored so many significant victories for Southwest Alabama during this time, and we are all better for his service.

On behalf of Alabama's First Congressional District, I congratulate Frazier for beginning an exciting new opportunity and thank him for his years of hard work, commitment, and service to Southwest Alabama.

INTRODUCTION OF THE WEIGH HABITATS OFFSETTING LOCA- TIONAL EFFECTS ACT OF 2020

HON. DAN NEWHOUSE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, January 13, 2020

Mr. NEWHOUSE. Madam Speaker, I rise today to introduce the Weigh Habitats Offsetting Locational Effects Act of 2020, or the WHOLE Act. As Central Washingtonians know all-too-well, Endangered Species Act (ESA) listing and delisting decisions have huge, lasting impacts on local communities and environments. The ESA was signed into law to protect and revitalize species of endangered or threatened animals and wildlife, but as time passes, this law, which has not been updated since 1973, has had increased negative effects on local communities—where the true impacts of species recovery unfold.

Unfortunately, the law has been used as a political spearhead for frivolous litigation that can negatively affect private property rights, public land use decisions, and American jobs. And like many other regulations coming out of the nation's capital, relying on top-down decisions from bureaucrats only limits economic prosperity, local conservation efforts, and the celebration of recovered species.

Under current law, only conservation efforts taking place within the critical habitats of endangered or threatened species are considered during environmental reviews or impact studies of federal actions. But we know that habitats and ecosystems expand beyond arbitrary government-drawn lines.

My legislation would ensure that all conservation measures are considered when federal decisions that impact ESA-listed species
