RECOGNIZING DAN OHL OF MALTA

HON. GREG GIANFORTE

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 2020

Mr. GIANFORTE. Madam Speaker, I rise today to honor Dan Ohl of Malta for going above and beyond to answer the call of duty and personally fly blood platelets to his local hospital in a time of need.

Dan loves to fly. He says there's nothing like seeing Montana's stunning landscape from a different perspective.

As a Montana Highway Patrolman, Dan spends a lot of time on the ground, lending a hand to fellow Montanans. It wasn't until this past December that his love of flying and helping others came together.

In December 2019, Phillips County Hospital contacted Montana Highway Patrol for assistance delivering blood from Great Falls to their clinic in Malta. The troopers came up with a plan to use a series of relays to transport the blood to Malta but ran into a problem when there wasn't enough staff to execute it. That's when Dan stepped up.

Dan jumped into action and using his own Beach Craft Bonanza 6-seater, started the over 200-mile flight to Great Falls to meet the Red Cross at the local airport. He says it was the most precious cargo, aside from his family, he has had on his plane. When he touched down in Malta, he met with hospital staff who transferred the blood to the hospital. His quick delivery of blood saved a life.

For Dan, this is why he went into serving in the Montana Highway Patrol: he wanted to help Montanans. Whether he's on or off duty, as a patrolman, he's called to step up in times of need and that's exactly what he did.

Madam Speaker, for selflessly helping his fellow Montanans, from the air and on the ground, I recognize Dan Ohl for his Spirit of Montana.

DISABLED VETERANS EDUCATION
RELIEF ACT

**HON. GREGORIO KILILI CAMACHO
SABLAN**

OF THE NORTHERN MARIANA ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 2020

Mr. SABLAN. Madam Speaker, today, I introduce the Disabled Veterans Education Relief Act, which would reinstate VA education assistance for disabled veterans in vocational rehabilitation and employment (VR&E) training in the event their school closes or courses are disapproved. Section 109 of the Forever GI Bill law extended these protections to students using GI Bill benefits but did not include students using education benefits under the VR&E program. By extending these protections to the over 100,000 veterans who participate in the VR&E program every year, our nation will ensure that all veterans can access relief when their studies are disrupted by school closures or disapproved courses through no fault of their own.

The bill requires the VA to protect VR&E students on the same basis as their counter-

parts using GI Bill benefits as mandated by section 109 of the Forever GI Bill law. These protections include the restoration of benefits for those affected by school closures or the course was disapproved as a result of a modified policy, regulation, or law. In addition, my legislation authorizes the VA to continue paying subsistence allowances to VR&E students through the end of the academic term during which such closure or disapproval occurred. VA will also be required to notify affected students of imminent and actual school closures and inform them how the closure will affect their VR&E benefits.

The Act has the support of the Disabled American Veterans, American Legion, Paralyzed Veterans of America, Veterans of Foreign Wars, Student Veterans of America, AMVETS, Association of the U.S. Navy, Military Officers Association of America, National Military Family Association, and the Enlisted Association of the National Guard of the United States.

The gentleman from Illinois, Mr. BOST, is an original cosponsor of the bill.

I urge my colleagues to support this bipartisan legislation.
