TRIBUTE TO CORALYN
ANDRESTAYLOR—28TH CONGRES-
SIONAL DISTRICT WOMAN OF
THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 2020

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Coralyn AndresTaylor of the Silver Lake neighborhood of Los Angeles, California.

Coralyn AndresTaylor has more than thirty years of public health education program development, implementation and management. Her lifelong passion for public health began with her undergraduate degree in Dietetics from the University of California, Davis and then moving on to earn a Master's in Public Health from the University of California, Berkeley. Upon receiving her master's degree, Coralyn was admitted to the prestigious Assembly Fellowship Program at the California State Capitol where her interests and education in policy, finance, and health converged during her work with the Assembly Ways and Means Health Subcommittee.

Ms. AndresTaylor, MPH, RDN, CLE, CHES is currently the Department Administrator for PIH Health Good Samaritan Hospital's Community Health Education Department and Lactation Resource Center. Her department oversees nutrition, cardiovascular health, stroke, perinatal health, breastfeeding, and diabetes. Since chronic diseases such as diabetes are both common and costly, Coralyn has a long-standing interest in prevention and educates individual patients and their family members in creating lifelong healthy habits. As a master's-prepared Registered Dietician Nutritionist, Certified Health Education Specialist, Cardiopulmonary Resuscitation Instructor and Certified Lactation Educator, she has applied her knowledge and skills for the benefit of diverse ethnic and disadvantaged communities throughout Los Angeles County. She continued to serve her community when she was appointed a Los Angeles City Health Commissioner in 2016.

With a passion for making a difference in her community, Ms. AndresTaylor volunteers with LINC Housing to help the formerly homeless, and people in need of affordable housing move to a stable living environment. Coralyn

is well-regarded in her faith-based community frequently serving as Lector at Sunday morning services, and volunteers as a Eucharistic minister at Our Mother of Good Counsel Church in Los Feliz. She also participates in and plans the Women's Cornerstone retreats and Faith Sharing groups for her church.

Coralyn and her husband, Peter have lived in Silver Lake for the past thirty-one years where they raised their two wonderful daughters, Andrea and Allyson. At home, Coralyn is the chief infection control and safety officer who frequently reminds her family and friends to wash hands, use sunscreen and wear bike helmets.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Coralyn AndresTaylor.

DISABLED VETERANS EDUCATION
RELIEF ACT

**HON. GREGORIO KILILI CAMACHO
SABLAN**

OF THE NORTHERN MARIANA ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 2020

Mr. SABLAN. Madam Speaker, today, I introduce the Disabled Veterans Education Relief Act, which would reinstate VA education assistance for disabled veterans in vocational rehabilitation and employment (VR&E) training in the event their school closes or courses are disapproved. Section 109 of the Forever GI Bill law extended these protections to students using GI Bill benefits but did not include students using education benefits under the VR&E program. By extending these protections to the over 100,000 veterans who participate in the VR&E program every year, our nation will ensure that all veterans can access relief when their studies are disrupted by school closures or disapproved courses through no fault of their own.

The bill requires the VA to protect VR&E students on the same basis as their counter-

parts using GI Bill benefits as mandated by section 109 of the Forever GI Bill law. These protections include the restoration of benefits for those affected by school closures or the course was disapproved as a result of a modified policy, regulation, or law. In addition, my legislation authorizes the VA to continue paying subsistence allowances to VR&E students through the end of the academic term during which such closure or disapproval occurred. VA will also be required to notify affected students of imminent and actual school closures and inform them how the closure will affect their VR&E benefits.

The Act has the support of the Disabled American Veterans, American Legion, Paralyzed Veterans of America, Veterans of Foreign Wars, Student Veterans of America, AMVETS, Association of the U.S. Navy, Military Officers Association of America, National Military Family Association, and the Enlisted Association of the National Guard of the United States.

The gentleman from Illinois, Mr. BOST, is an original cosponsor of the bill.

I urge my colleagues to support this bipartisan legislation.

RECOGNIZING SPACE COAST CITY
FEST

HON. BILL POSEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 2020

Mr. POSEY. Madam Speaker, on March 28th and 29th, 2020, Brevard County families along with 100 business owners and 190 local church organizations will gather together to celebrate Space Coast City Fest. This uplifting event will take place at Space Coast Daily Park in Melbourne, FL, concluding a year and a half long outreach effort to unite the Christian Community.

Space Coast City Fest was created as a region-wide campaign to serve churches in the community and promote faith-based works. Over a period of 18 months, CityFest and CityServe have worked to raise the level of involvement of Brevard County churches in serving community needs. The focus of their initiatives include building long term partnerships with public and non-profit groups to help

serve our schools, meet the needs of children within the foster care system, raise awareness & seek solutions for the Opioid crisis, tackle homelessness, feed the hungry, and revitalize troubled and sometimes forgotten neighborhoods.

In addition, special events were held to promote unity among church leaders and spread a message of Christian hope. The ReNew gathering drew more than 2,000 people for a night of worship & teaching, a conference for pastors and ministry leaders was attended by several hundred church leaders, an educational forum on community issues, and various training sessions were offered to church members. In the ten days leading up to the final festival event, a Christian message was shared in several smaller settings including a surf camp with Cliff and Damian Hobgood, two presentations in area prisons, a luncheon and a dinner for women, and a business and civic leaders' luncheon.

The final event is a family-oriented festival at the Space Coast Daily Park next to Viera High School on March 28th and 29th. The festival will host a children's area and an action sports program that includes professional BMX, Free-Style Motocross, and skateboard demonstrations. The event will wrap up with a mainstage program of contemporary Christian music bands from around the county, and will also include a message of hope from international evangelist Andrew Palau. Other featured performers include Adam Agee, Mandisa, Newsboys United, Blanca, Illusionist Jon Michael Hinton, Danny Gokey, and Lecrae. Thousands are expected to attend.

I would like to recognize the hard work of the local organizing committee chaired by Christopher Burton and Dr. Mike Ronsisvalle in partnership with the Luis Palau Association. Their efforts over the last 18 months of mobilizing events have greatly impacted our community and have brought us all together in a very special way. It's notable that the \$800,000 cost of the Space Coast City Fest Celebration was contributed by local churches, individuals, and businesses so that it could be free to the public.

I ask my colleagues in the U.S. House of Representatives to please join me in recognizing Space Coast City Fest.

Mr. SMITH of Washington. Madam Speaker, I rise to honor the life of Gerrilyn "Lynn" Nishimura, whose leadership in the labor community has improved the lives of countless people in Washington State.

On February 5, 2020 Lynn Nishimura unexpectedly passed away after beginning her retirement that was set to be filled with two things she was most passionate about—travel and continued service to her community.

Lynn Nishimura had an admirable career. She worked her way up at a variety of banking institutions, starting as a teller and retiring as a Senior Vice President.
