

serve our schools, meet the needs of children within the foster care system, raise awareness & seek solutions for the Opioid crisis, tackle homelessness, feed the hungry, and revitalize troubled and sometimes forgotten neighborhoods.

In addition, special events were held to promote unity among church leaders and spread a message of Christian hope. The ReNew gathering drew more than 2,000 people for a night of worship & teaching, a conference for pastors and ministry leaders was attended by several hundred church leaders, an educational forum on community issues, and various training sessions were offered to church members. In the ten days leading up to the final festival event, a Christian message was shared in several smaller settings including a surf camp with Cliff and Damian Hobgood, two presentations in area prisons, a luncheon and a dinner for women, and a business and civic leaders' luncheon.

The final event is a family-oriented festival at the Space Coast Daily Park next to Viera High School on March 28th and 29th. The festival will host a children's area and an action sports program that includes professional BMX, Free-Style Motocross, and skateboard demonstrations. The event will wrap up with a mainstage program of contemporary Christian music bands from around the county, and will also include a message of hope from international evangelist Andrew Palau. Other featured performers include Adam Agee, Mandisa, Newsboys United, Blanca, Illusionist Jon Michael Hinton, Danny Gokey, and Lecrae. Thousands are expected to attend.

I would like to recognize the hard work of the local organizing committee chaired by Christopher Burton and Dr. Mike Ronsisvalle in partnership with the Luis Palau Association. Their efforts over the last 18 months of mobilizing events have greatly impacted our community and have brought us all together in a very special way. It's notable that the \$800,000 cost of the Space Coast City Fest Celebration was contributed by local churches, individuals, and businesses so that it could be free to the public.

I ask my colleagues in the U.S. House of Representatives to please join me in recognizing Space Coast City Fest.

RECOGNIZING THE ACHIEVEMENTS OF THE REV. PHILLIP R. BYRUM

HON. G.K. BUTTERFIELD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 2020

Mr. BUTTERFIELD. Madam Speaker, I rise today to recognize the decades of dedicated public service of a great North Carolinian, role model and man of faith, the Rev. Phillip R. Byrum—known to many as Father Phil.

Born in 1941, Rev Phillip R. Byrum is a native of Greensboro, North Carolina—son of the late Robert and Margaret Byrum. He attended Greensboro Public Schools and graduated from Greensboro College in 1963 with a degree in philosophy and religion.

He went on to attend the Episcopal Theological School in Cambridge, Massachusetts, graduating in 1966. He was assigned to St. Michael's Church in Tarboro, North Carolina and St. Mary's Church in Speed, North Carolina. He was ordained to the Priesthood on June 24, 1967, at Christ Church in Raleigh, North Carolina.

Father Phil was married to the former Anne Stuart Barnette in 1966. They became parents to two sons, Robert Stuart, born 1968 and John Keith, born in 1970. He is also a proud grandfather of seven grandchildren and great-grandfather of one.

Father Phil and his family moved to Albemarle, North Carolina in 1969, where he became the Rector of Christ Church. He and his family spent a joyful 22 years in this parish, with both sons attending local schools, and leaving to attend and graduate from University of North Carolina at Chapel Hill.

Serving with passion and humility, Father Phil was a dedicated minister to his congregation and was heavily involved in many facets of community life, as well as the work of the Diocese of North Carolina. For many years, he chaired the Commission on Liturgy and Music, and directed a music and worship camp for children on behalf of the Diocese for 19 years. He also began a long relationship with the Society of St. Margaret in Boston, Massachusetts where he served as a visiting chaplain to the Sisters for many years.

In May 1991, Rev. Byrum accepted a call to become Rector of St. Timothy's Church in Wilson, North Carolina. Shortly after, a temporary assignment stretched into nearly 30 years of

service as Father Phil was asked to serve as priest-in-charge of a historic African American church in East Wilson, St. Mark's Church.

Father Phil completed his service in ministry from St. Timothy's in 2000, and focused his ministry service on St. Mark's, while also serving La Iglesia de la Guadalupe, the Spanish-speaking church officially recognized as a congregation in 1998 and shares St. Mark's facilities. Father Phil devoted his service in ministry at St. Mark's and La Guadalupe until his final retirement in 2020.

Father Phil had the privilege of leading his congregations at St. Mark's and La Guadalupe in serving the community with worship services in English and Spanish and through community outreach programs such as food ministries, tutoring programs, and assistance programs for those facing critical situations in their lives.

On February 29, 2020, Father Phil retired from active ministry and will continue to live in his home community.

Madam Speaker, I ask my colleagues to join me in congratulating and honoring the Rev. Phillip R. Byrum as he is recognized for his many years of service. His lifelong contribution to his congregations and community cannot be overstated.
