

With cybercrimes like the WannaCry ransomware attack of 2017, which remains one of the worst ransomware attacks in history with over 150 countries affected and over 4 billion dollars pilfered by cyber thieves, people, businesses, and governments across the globe are at risk.

In the United States, the financial services industry suffers from the highest average annual costs due to cybercrimes like data breaches, ransomware, phishing, and identity theft.

Over the last 10 years, the Government Accountability Office has found that the number of cyber attacks that target federal agencies has increased from 5,500 to over 77,000 per year.

Madam Speaker, this legislation will help prevent a potential cyber threat to the global financial system.

Requiring increased reporting and information sharing for the Federal Reserve will strengthen current protocols and create new policies to address threats like the destruction of information without official authorization, malware attacks, and the denial of service activities.

This bill will also lay the foundation for further cybersecurity efforts among departments and agencies of the Federal Government, foreign central banks, and other partners.

I ask all members from both sides of the aisle to join me in voting to pass H.R. 4458.

HONORING STEVE MARTINEZ OF
EAGLE IDAHO

HON. RUSS FULCHER

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 14, 2020

Mr. FULCHER. Madam Speaker, I rise today to honor a fellow Idahoan who reassured, restored, and comforted the community of builders in Idaho during a difficult time. Sadly, today, I also honor the life and passing of Frankie Hickman, who ran the Idaho Builders Contractors Association for 27 years. Frankie was the Executive Officer of the Idaho Building Contractors Association and a lifeline for the community in Idaho. During her final months and after her passing, Steve Martinez, stepped in to fill the long-time role of Frankie. When all were grieving the loss of her presence at the IBCA, Steve helped to pick up the pieces, reassure staff, and maintain a continued legacy for IBCA. He also helped Frankie in the most difficult months of her life, because in the end, IBCA was her life. Frankie, unable to fulfill her role, entrusted Steve with the arduous task of continuing the hard work at the IBCA. Steve has a passion and heart for the building industry. It shows in his love for the people, customers, and partners at IBCA. He follows in his father's footsteps and serves as National Builders representative for Idaho, representing Idaho at the National Association of Home Builders. Steve displays the qualities we all strive to be, and I am honored to showcase his work for a brief but permanent moment in the House of Representatives.

IN RECOGNITION OF MS. KATIE
MAZZOLA

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 14, 2020

Mr. WITTMAN. Madam Speaker, I rise today in recognition of Katie Mazzola and her service to Virginia's First District.

Katie earned her Bachelor of Arts in Political Science with a concentration in National Security from Virginia Tech in Blacksburg, VA. While at Tech, Katie served in the Corps of Cadets where she quickly climbed the ranks, culminating in Executive Officer who was in charge of over 200 cadets. Katie also served as a Division Leader for the Coast Guard Auxiliary University Programs, commanding 22 units nationwide. Following a knee injury, Katie's plans to commission into the Coast Guard were changed. Ever the servant leader, she knew she wanted to continue to serve our great nation.

Katie began her service in my office as an intern in the summer and winter of 2016 before becoming my Staff Assistant in May 2017. During her years serving Virginia's First District, Katie has been on the front line of my office in many roles, including hiring and training our D.C. interns, coordinating tours, assisting my staff and me, managing our constituent services database, responding to over 36,000 pieces of constituent mail, and assisting with my proactive constituent outreach. Katie has also been responsible for a legislative portfolio including health, labor, education, workforce development, family values, women's issues, and religious issues. Katie has been my lead staffer on the Congressional Public Health Caucus of which I am a Co-Chair. Additionally, Katie successfully created my CTE Task Force, shedding light on the importance of CTE and STEM programs as a way to cultivate the skillsets needed for students to succeed in today's workforce. In addition to her official duties, Katie has never missed an opportunity to update my office on the most recent Virginia Tech game—Go Hokies.

Since her first day in my office, Katie has always upheld the values of honor, respect, and devotion to duty in service to the people of the First District. Her commitment to servant leadership, constituent services, and integrity are without equal. I have no doubt that Katie will continue to excel as she begins this new chapter—her best and brightest years are still ahead.

Madam Speaker, I ask you to join me in recognizing Katie Mazzola for her dedicated service to Virginia's First District. May God bless Katie as she continues her career in public service.

Mr. RUTHERFORD. Madam Speaker, I rise to pay tribute to Mr. Charles Schuck and celebrate his 100th birthday, which occurred this past August. From the time he graduated high school, he has served our country dutifully in

many roles including as a Sergeant in the Marine Corps during World War II, the Chief of the Flight Standards Division during the Vietnam War, and, most recently, a volunteer at his local elementary school. Mr. Schuck embodies the American spirit, and I am honored to tell his story here today.

Mr. Schuck was born on August 5, 1919, in New York City and is the son of a German immigrant. Growing up he always had a passion for aeronautics and mechanics, this led him to become an aircraft mechanic upon his graduation from Stewart Tech. He then worked for an airline where he taught Army mechanics aviation skills. Following this, he joined the Marines and received the rank of Sergeant out of boot camp. He was stationed in El Toro, a Marine Air Station in California.

After the war, he joined the Civil Aeronautics Administration where he quickly moved up the ranks from Maintenance Inspector to Chief of the General Aviation Maintenance Branch. In 1962, he was selected to attend the War College at Maxwell Air Force Base and in 1964 was stationed in Hawaii as Chief of the Flight Standards Division. Here, his experience and expertise proved invaluable during the Vietnam War. He has also held high positions in the Federal Aviation Administration and was instrumental in setting standards in the Pacific Theater. He received both an Outstanding Performance Rating and a Special Achievement Award from the FAA for his service. He then transitioned to the Experimental Aircraft Association where he advised policymakers on aeronautic and aviation issues for 21 years until his retirement at the age of 81.

Today, he lives a healthy and happy life and continues to teach about patriotism and aeronautics. As a volunteer at his local elementary school, he engages with children about our flag, how airplanes and helicopters fly, and his love for our country. He is very much appreciated by the students, parents, and faculty alike.

Madam Speaker, it has been a privilege to share the story of Mr. Charles Schuck and recognize his exemplary achievements. On behalf of a grateful nation, I thank him and wish him all the best as he reflects on a century full of memories.

**PRESIDENT GEORGE H.W. BUSH
AND FIRST SPOUSE BARBARA
BUSH COIN ACT**

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, January 13, 2020

Ms. JACKSON LEE. Mr. Speaker, as a senior member of Congress, and an admirer and friend of the Bush Family, I rise in support of S. 457, "President George H.W. Bush and First Spouse Barbara Bush Coin Act," to require that \$1 coins issued during 2020 honor President George H.W. Bush and bullion coins issued during 2020 are in honor of Barbara Bush.

President Bush and First Lady Barbara were friends of mine, and I have always respected and admired their service to this country.

President Bush was a heroic naval aviator, a member of congress, Director of Central Intelligence Agency, Vice President of the United States, and the 41st President of the United States, and First Lady Barbara Bush was a leading force in our country who worked to improve literacy and strengthen American families by her prime example as a mother to five children and wife to the 41st U.S. President, and mother of sons who were elected Governor and one of whom was elected the 43rd President of the United States.

President George H.W. Bush moved himself and his young family to Texas in 1948 and Texans are very grateful to the Bushes for all the work they did to improve and strengthen Texas and the nation during their lives.

The minting of a \$1 coin and a bullion coin to honor these two great Americans will ensure that the memory of the 41st President of the United States, George H.W. Bush, and First Lady Barbara Bush, will live on and be celebrated for their hard work and devotion to the Constitution and our country.

HONORING DR. EARL LENNARD

HON. CHARLIE CRIST

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 14, 2020

Mr. CRIST. Madam Speaker, I rise today to ask the House of Representatives to join me in commemorating the memory of Dr. Earl Lennard for his upstanding service as the Superintendent for Hillsborough County Schools and Hillsborough Supervisor of Elections.

Dr. Lennard was born on March 22, 1942 in Tampa, Florida where he grew up with nine brothers and sisters. He was a part of the first graduating class of the University of South Florida, earning his bachelor's degree in education in 1963. Dr. Lennard began his teaching career at Ruskin Elementary School, a temporary position that evolved into a profession and lifelong passion. In 1996, Dr. Lennard was named Superintendent of Hillsborough County Schools, where he established magnet schools and the school choice program, allowing for students to attend schools that fit their needs best. Additionally, he oversaw the openings of countless schools throughout the district to accommodate for the rapid population growth in my home of Tampa Bay.

In 2009, I had the honor as Florida's Governor to appoint Dr. Lennard to serve as Hillsborough Supervisor of Elections. Dr. Lennard's civic involvement and commitment to the Tampa Bay community made my choice clear. As Supervisor of Elections, Dr. Lennard worked tirelessly to ensure every citizen had equal access to the ballot box.

Outside of his professional life, Dr. Lennard worked to benefit his community by serving as a Sunday school teacher at Riverview United Methodist Church, participating in the Brandon Community Foundation, and helping establish the Sandy & George Simmons Family Boys & Girls Club in Riverview. Though he is no longer with us, the impact of Dr. Lennard, both in Hillsborough and throughout Tampa Bay, will be felt for years to come through his dedication to improving academic opportunities for students throughout Tampa Bay.

Madam Speaker, please join me once again to commemorate Dr. Earl Lennard for his service and dedication to his community. His leadership and character distinguish him as a true public servant.

**IN RECOGNITION OF THE 2020 CALIFORNIA
DISTINGUISHED
SCHOOLS FROM CALIFORNIA'S
39TH DISTRICT**

HON. GILBERT RAY CISNEROS, JR.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 14, 2020

Mr. CISNEROS. Madam Speaker, it is with great pride that I rise today to honor and congratulate ten elementary schools in California's 39th District for their selection as 2020 California Distinguished Schools. The California

Distinguished Schools Program is a component of the California School Recognition Program and serves to recognize schools that demonstrate outstanding education programs and practices. Schools awarded with this distinction hold the Distinguished School title for two years. This year, eligible elementary schools in the State of California were identified through a multiple measures accountability system that examines performance and progress on state indicators specified on the California School Dashboard. Schools were identified and selected within two distinct categories: Closing the Achievement Gap and Exceptional Student Performance.

Elementary schools in California's 39th District awarded this distinction include: Acacia Elementary School (Fullerton School District), Blandford Elementary School (Rowland Unified School District), Buena Terra Elementary School (Centralia Elementary School District), Charles G. Emery Elementary (Buena Park Elementary School District), Golden Elementary School (Placentia-Yorba Linda Unified School District), Hidden Trails Elementary School (Chino Valley Unified School District), Killian Elementary School (Rowland Unified School District), Laguna Road Elementary School (Fullerton School District), Laurel Elementary Magnet School of Innovation and Career Exploration (Brea-Olinda Unified School District), Mesa Robles School (Hacienda La Puente Unified School District), Robert C. Fisler School (Fullerton School District), Wedgeworth Elementary School (Hacienda La Puente Unified School District), and Ybarra Academy of Arts and Technology (Rowland Unified School District).

As California Distinguished Schools, these institutions set the standard for an immersive educational climate bound by a student-driven learning philosophy. Exceptional student achievement in each school is a testament to the efforts made by educators to realign pedagogical practices to allow for student empowerment and engagement. This relies on a comprehensive platform that supplements the breadth of academic rigor with collaboration and social support. Through programs ranging from dual immersion to positive behavior intervention, these schools reconcile differences in theory and praxis to close achievement gaps and instill traits vital to academic success. What results is a seamless integration between teacher guidance and student participation. It is this attunement to the holistic well-being of each student that sets Distinguished Schools apart.

As a strong believer in education and its life-changing advantages, there is nothing more pleasing than knowing that the community I serve is paving a brighter road for the academic future of California's youth. I am proud of the tireless efforts made by parents, teachers, administrators, and staff to advance a scholastic agenda that rewards integrated educational experiences. Madam Speaker, I ask that you and my honorable colleagues join me in congratulating these ten California Distinguished Schools for this tremendous achievement in the world of education. I am wholeheartedly assured in their ability to guide and leave a lasting impact on the students of California's 39th District.
