Lastly, he coordinated phase 2 testing and contact tracing plans in concert with the South Carolina Hospital Association, South Carolina Emergency Management Division, Department of Health and Environmental Control and National Guard leadership for a roll out of both diagnostic and immunity testing across the state.

Doctor (Lt. Col.) Vanessa Wideman, is the 169th Medical Group, Flight Surgeon. Lieutenant Colonel Wideman advised South Carolina National Guard leadership on COVID-19 miti-

gation efforts, mapped out McEntire Joint National Guard Base's strategy and response for COVID-19, and advised 169th Fighter Wing leadership on Health Protection Condition (HPCON) levels. She continues to coordinate with the Center for Disease Control and Prevention to improve individualized member response to COVID-19 for potentially affected members.

Furthermore, his efforts helped improve planning efforts and protective measures with the South Carolina Department of Corrections. Lieutenant Colonel Stewart also helped set up South Carolina's food distribution in Horry County and facilitated the South Carolina Department of Motor Vehicle's plan to use South Carolina National Guard armories across the state to enable social distancing between the public and DMV staff.

Second Lieutenant Trey Murphy is the Logistics Readiness Officer for the 169th Logistics Readiness Squadron. Second Lieutenant Murphy coordinated and hosted the South Carolina Department of Health and Environmental Control Receipt, Store, and Stage (RSS) refresher training course, which showed how to manage distribution of Strategic National Stockpile (SNS) material. His efforts enabled his squadron to store over two-hundred pallets of personal protective equipment on more than fifty tactical convoys, serving all forty-six counties in South Carolina. He also coordinated the joint effort for the staging of US Army personnel and equipment in advance of civilian bus driver training conducted on McEntire Joint National Guard Base.

I am grateful to have worked with my colleagues in the 116th Congress to provide needed funding for vital personal protective equipment, material, and support for our Service Members and their families.

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 19, 2020

Mr. PANETTA. Madam Speaker, I rise today to celebrate the life of Ben Kelly, an entrepreneur, surfboard shaper, and surfer on the central coast of California. Ben will be remembered for his kindness, adventurous spirit, and passion for his religious faith.

Ben Kelly was born in Orange County in Southern California. While attending Vanguard University in Costa Mesa, California, where he met his wife, Katie, Ben began shaping surfboard and eventually developed his own brand, Ben Kelly Surfboards.

Following his move to the central coast of California, Ben and Katie started their social media company, named Authentic Approach. This business encapsulated Ben's quick embrace of his new community. Not only was he dedicated to the work he did with his wife to help others realize their dreams of starting and operating local businesses, but he also quickly established himself in the local surfing community on the Central Coast. Ben's friends knew him as an adventurous young man who formed tight bonds with those around him and used his supportive and sincere nature to encourage friends to excel at their goals.

Ben was especially passionate about his deeply held Christian faith. As a member of Twin Lakes Church in Aptos, California, Ben channeled his faith to guide his generous nature and devotion to helping friends and strangers. Ben's faith was a part of his daily life, finding daily lessons in the world around him and offering earnest guidance to anyone who needed help.

Ben will be remembered for his adventurous and generous spirit and his love for and devotion to his wife, Katie. We, as a community, celebrate his life well-lived. Madam Speaker, I ask that my colleagues join me in honoring the life of Ben Kelly.

AUTHORIZING REMOTE VOTING BY
PROXY AND PROVIDING FOR OF-
FICIAL REMOTE COMMITTEE
PROCEEDINGS DURING A PUBLIC
HEALTH EMERGENCY DUE TO A
NOVEL CORONAVIRUS

SPEECH OF

HON. GUY RESCHENTHALER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 15, 2020

Mr. RESCHENTHALER. Mr. Speaker, I rise in opposition to H. Res. 965, which is nothing

more than a power grab by my Democrat colleagues that would upend over 200 years of precedent and have serious constitutional and institutional repercussions.

Across our nation, millions of Americans go to work every day to help their communities and defeat the COVID-19 outbreak. They expect their elected officials to do the same. But under the proposal put forth by House Democrats, 20 members would control Congress, while the rest stay home and cede their votes.

Article 1, Section 5 of the U.S. Constitution states, "a Majority of each shall constitute a Quorum to do Business; but a smaller Number may adjourn from day to day, and may be authorized to compel the Attendance of absent Members." At a time when traveling took days to weeks, rather than mere hours, our Founding Fathers recognized that while inconvenient, being physically present was necessary for good governance. And despite recent legislative sessions, which prove Members of Congress can conduct regular business in a safe manner, Democrats want to recklessly alter the U.S. House of Representatives as our founders designed it.

In addition to throwing out 230 years of tradition, H. Res. 965 stifles the voices of tens of millions of Americans. As long as these rules are in place, House leadership will control every step of the legislative process. Rank and file members will be cut out of lawmaking completely, in turn denying the people they represent a seat at the table.

Republican Leader KEVIN MCCARTHY, Rules Committee Ranking Member TOM COLE, and Administration Committee Ranking Member RODNEY DAVIS put forward a detailed plan for how the House can continue operations during this crisis. House Republicans stand ready to find bipartisan solutions that ensure members can fulfill their constitutional duties.

But the resolution proposed by House Democrats is not the answer.

Mr. Speaker, our country has faced serious challenges since its founding, including the Spanish influenza. For the first time in our history, a single party is taking advantage of a crisis to jam through unprecedented and unconstitutional changes that will forever alter this institution. I strongly oppose H. Res. 965, which will devastate our democracy and silence the People's voice.
