

Hanford, and her efforts advocating for a cost-effective, safe, and prompt cleanup will continue to shape the mission at the site in the years to come.

Pam has not only been an expert on nuclear cleanup issues at the local level; she has also shared her collaborative leadership model at the national and international levels as well.

The Tri-Cities was the only Department of Energy community with a government advocacy association at the time of its creation. Since then, communities like those in Los Alamos, New Mexico and Oak Ridge, Tennessee have followed the example of Hanford Communities in creating their own associations. Pam has gone on to share her model of waste cleanup community advocacy with agency leaders in Fukushima, Japan. Her leadership has made, and will continue to make, a sustaining mark on the cleanup efforts of the future.

Pam, it is an honor to know you, both as a constituent, and as a friend. I know I am not alone in thanking you for your years of service and in wishing you the very best in retirement. Congratulations.

TRIBUTE TO JOHN F. PRENTICE

**HON. KEN CALVERT**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 22, 2020*

Mr. CALVERT. Madam Speaker, I rise today to honor and pay tribute to an outstanding individual, John Prentice, who passed away at the age of 66 on April 30, 2020. John was a loving husband, a dedicated community member, and a dear friend of mine. He will be deeply missed.

John was born on December 2, 1953, the son of Rita and George Prentice. John and I grew up together in Corona, California and had an incredible friendship that spanned from kindergarten to today. After graduating at the top of his class from Corona High School, John attended Cal Poly Pomona and earned a Bachelor of Science degree which led him to become a Certified Public Accountant.

In 1980, John married the love of his life Melody Cissna, a wonderful woman who I have the pleasure of also calling a friend. Together they shared almost forty years of marriage filled with exciting travels, and lots of skiing, boating, and golfing. John and Melody took on their adventures together and surrounded themselves with good friends.

John was an active CPA for more than 40 years, joining Eadie & Payne, LLP as a staff accountant in 1976. He worked his way up to becoming the firm's managing partner in 2000 and served in that role until he retired in 2017. John served as my accountant for many years, and I can personally attest to the many lives he touched throughout his career where he was known for his humor, warmth, intelligence, and optimistic outlook.

John was an active member of the Rotary Club of San Bernardino and Inland Action, organizations which he graced with his time, leadership skills, and wit. He made lifelong friendships through his associations in professional accounting, agricultural, and construction trade groups. John was incredibly dedicated to his colleagues, clients, friends, and family.

John is survived by his wife Melody, mother Rita, and his brothers Dan, Joe, and Jim Prentice. He is fondly remembered by his cousins, nieces, nephews, extended family, and friends for his generosity and kind spirit.

I had the pleasure of knowing John both personally and professionally throughout most of my life. He was a wonderful friend, a talented professional and a passionate advocate for our region. He was a great American and I extend my heartfelt condolences to my dear friend Melody and to all those who knew John. Although he may no longer be with us, he will continue to have a lasting impact on the lives of his family and community.

HONORING THE LIFE OF MASTER PATROL OFFICER SPENCER BRISTOL

**HON. JOHN W. ROSE**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 22, 2020*

Mr. JOHN W. ROSE of Tennessee. Madam Speaker, today I rise to honor the life of a distinguished public servant from Tennessee's Sixth Congressional District, fallen Master Patrol Officer Spencer Daniel Bristol. Officer Bristol committed his life and career to keeping the city of Hendersonville, TN safe from crime, after serving 5 years in the United States Navy.

His loss has been profoundly felt in and around Hendersonville and across the law enforcement community in Tennessee and beyond. Hundreds of Hendersonville residents from all walks of life lined the town's main street to pay their respects the day he was laid to rest. It is important that we recognize the sacrifices made by law enforcement officers, not only during police week, but every day. We have them to thank for keeping our families, neighborhoods, and communities safe.

Everyday heroes like Officer Bristol are the ones who continue to make this nation great. I offer my condolences to the family he leaves behind; his wife, Lauren, and their 3-year-old daughter, Eloise.

STEPHANIE ROSSI

**HON. ED PERLMUTTER**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 22, 2020*

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Stephanie Rossi, who after 40 years of teaching, is retiring. Stephanie's dedication to education in the Jefferson County School District and to the State of Colorado has made a significant impact on students which will last for years to come.

Stephanie started teaching in the Jeffco School District in 1994. Currently she teaches courses in social studies—including AP U.S. history, world religions, and psychology—as well as geography and American government. Her reputation has become so legendary that kids who haven't even reached high school cross their fingers to one day join her classroom. She even has special nicknames, becoming known as Rossi Woman or Mama

Ross within Wheat Ridge High School. And she does all of it with a smile on her face, and the passion and creativity that she gives to her students each and every day is tremendous.

In addition to her teaching career, Stephanie has provided countless hours and resources to the Jefferson County community by serving on local and state boards and commissions. She spent countless hours working with the Jefferson County Education Association and in 2015 received the Williams College's annual George Olmsted, Jr. Class of 1924 Prize for Excellence in Secondary School Teaching. In her spare time, she works to improve school culture by promoting and encouraging diverse perspectives for students and adults alike. She also leads a Peace Jam Club, which promotes peaceful problem solving, and Compassion Crew, an anonymous student group that recognizes people who commit acts of kindness.

Her contribution to the Jefferson County School District and the Jefferson County community is remarkable and her teaching has inspired thousands of students to pursue their dreams. I congratulate Stephanie on a lifetime of service and wish her all the best in retirement.

HEALTH AND ECONOMIC RECOVERY OMNIBUS EMERGENCY SOLUTIONS ACT

SPEECH OF

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 15, 2020*

Ms. JOHNSON of Texas. Mr. Speaker, I rise today in support of House Democrats' next comprehensive coronavirus relief package, the HEROES Act.

The HEROES Act contains an additional \$75 billion for the testing, tracing and treatment required to match the threat posed by the coronavirus. We have also ensured that access to medical services is prioritized and safeguarded, such that every American can access free COVID-19 treatment. The HEROES Act eliminates cost sharing for coronavirus treatment for Medicare and Medicaid beneficiaries, as well as those with private health insurance, TRICARE, VA Health Care, and Federal Employee Health Benefits. Additionally, we have infused an additional \$100 billion into the Health Care Provider Relief Fund and have ensured that these funds are distributed to providers in an equitable and efficient way. All these investments in our public health and medical systems will further support our communities as they withstand this coronavirus pandemic.

In order to assist the small businesses bearing the brunt of the economic impact of the coronavirus, the HEROES Act strengthens the Payroll Protection Program and adds safeguards to ensure equal funding distribution to underserved communities. These, paired with an extension of weekly unemployment payments through January of 2021, are vital lifelines to small business owners and those they employ.

The HEROES Act also commits nearly \$1 trillion alone to state and local governments for the purpose of paying those workers fighting this disease and its effects on the frontlines. Additionally, it creates a \$200 billion

hazard pay fund to ensure that frontline workers are compensated accordingly for their efforts in these dangerous conditions.

For those who have lost their jobs, the HEROES Act introduces funding for programs that, among others, address workplace and food security, housing assistance, health insurance, public education and direct payments to those who qualify.

Mr. Speaker, though we as Members of Congress come to this floor from all corners of the country, representing different districts and demographics, we are united today by a common issue—our communities are struggling. Tens of thousands of loved ones have already been lost and millions now find themselves without a steady source of income, to say nothing of the additional hardships that will linger for years to come. The HEROES Act is an essential step forward to assure that we are appropriately addressing the needs of our communities, therefore I ask my colleagues to join me in supporting this bill and urge the Senate to take it under consideration.

**HEALTH AND ECONOMIC RECOVERY OMNIBUS EMERGENCY SOLUTIONS ACT**

SPEECH OF

**HON. RON WRIGHT**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 15, 2020*

Mr. WRIGHT. Mr. Speaker, while I am not able to attend the vote for H.R. 6800, the Health and Economic Recovery Omnibus Emergency Solutions (HEROES) Act on May 15, 2020. I want to express my strong opposition to this legislation, and I plan to vote against it.

This 1800-page bill is anything but heroic. It reads more like a Democrat Christmas list. Instead of crafting law, the Speaker wrote and dropped a political bill that she and the rest of her party know is dead on arrival in the Senate. This is not a serious attempt to pass more relief for American workers, businesses, and health professionals. Changing election laws, incentivizing illegal immigration, bailing out mismanaged pensions, and spending the cap on state and local tax deduction for the top 1 percent have nothing to do with the Wuhan Virus and do not address the real needs of the American people.

As usual there are positive elements upon which there could be bipartisan support: more small business relief, help for our agricultural sector, additional resources for front line health care workers, and more funding for testing development and deployment. No doubt, these provisions will be cynically heralded as others ensure the bill's demise. Writing a politically inspired bill behind closed doors without meaningful negotiations with the minority, the Senate, or the White House is not how law is crafted. Rather, it's how mockeries are made that further erode the faith and confidence of the American people in Congress.

Rather than spending another \$3 trillion to push a socialist agenda and further expand government, we should be working together to assess how effectively the previous \$3 trillion has been spent, and then identify the needs that are appropriate for the federal government to fill.

Enough with the political stunts. Let's get back to working in a bipartisan manner so that we can re-open the economy, hold China accountable, secure our supply chain, and bring an end to the COVID-19 pandemic. I continue to be inspired by the steadfast commitment from the men and women that leave their families, risk their health, and go to their essential jobs every day so that we can continue fighting this war.

**CONGRATULATING HAYDEN MARIE MARCHANT ON HER EIGHTH-GRADE GRADUATION AT THE HOCKADAY SCHOOL ON MAY 21, 2020**

**HON. KENNY MARCHANT**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 22, 2020*

Mr. MARCHANT. Madam Speaker, I rise today to honor my granddaughter, Hayden Marie Marchant, upon her eighth-grade graduation at The Hockaday School on May 21, 2020. Located within my congressional district in Dallas, Texas, Hockaday was founded in 1913, and has since developed into a beacon of educational excellence that draws students from across the country and around the world.

As Hayden successfully completes her middle school education, our family is proud to celebrate her impressive accomplishments. Aside from managing her academic responsibilities, Hayden has proven to be a dedicated athlete by participating in volleyball, basketball, soccer, and softball. Off the field, she has excelled in other extracurriculars, as demonstrated by her multiple awards at the State Fair of Texas Lego competition and her recent portrayal of Von Hussler in Hockaday's performance of Mary Poppins. Hayden has also displayed an entrepreneurial spirit by launching her own business, "Rocking M Beads", which she continues to run and operate. Her friends and relatives all agree that she is outstanding in her field.

Students at Hockaday celebrate the conclusion of their middle school experience by arriving at their graduation ceremony in traditional white dresses and listening to congratulatory remarks from the administration, faculty, and a chosen student speaker. This final event serves as a rite-of-passage that prepares students to assume the added responsibilities of their upper-school years.

Hayden continues to make her parents, Matthew and Lindsay, extremely proud. Her two sets of grandparents, Donna Marchant and myself, and Rod and Sherry Hill of Frisco, Texas, could not be prouder of the young woman that she is becoming. Hayden truly embodies the four cornerstones of The Hockaday School: character, courtesy, scholarship, and athletics. Our entire family is excited for Hayden's continued progress.

I ask my colleagues to join me in honoring Hayden Marchant and The Hockaday School Class of 2024 on their eighth-grade graduation. As every school across the nation has been negatively impacted over the past few months, I would also like to recognize the teachers, administrators, and support staff that have been working hard to meet the educational needs of our youth.

HONORING THE LIFE OF MS. CAROLINA WINSTON BARRIE

**HON. TED LIEU**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 22, 2020*

Mr. TED LIEU of California. Madam Speaker, I rise to celebrate the life of Mrs. Carolina Winston Barrie—a beloved wife, mother, grandmother, great-grandmother, and dedicated advocate for veterans from California's 33rd Congressional District. Carolina passed away on April 29, 2020 at the age of 92.

Carolina was born on November 24, 1927 in Los Angeles, California. She attended Marlborough School and the University of California, Berkeley. She was the epitome of a matriarch and walked through life with confidence and strength. Not only was she adored by her family, but also by those whose lives she touched.

She was the great-niece of Arcadia Bandini de Baker, who along with United States Senator John Percival Jones, donated the first 300 acres that made up the Pacific Branch of the National Home for Disabled Volunteer Soldiers and Sailors, now known as the West Los Angeles VA campus.

Carolina and other descendants of Arcadia have for decades tried to honor the gift their ancestors so patriotically donated, most recently in 2016 by founding the 1887 Fund, a non-profit organization dedicated to the physical and spiritual restoration of the five historic properties on the West Los Angeles VA campus, including the Wadsworth Chapel. Her advocacy for the campus and veterans was unparalleled. In addition to overseeing the 1887 Fund, she was an advisor to the Veterans and Community Oversight and Engagement Board, a federal advisory committee that made recommendations to the Secretary of Veterans Affairs regarding the West Los Angeles VA Master Plan, as well as outreach and services for veterans.

Carolina was a woman of faith, compassion, intelligence and wit. Her legacy, not only for her family, but also to veterans, will forever carry on through her efforts to have veterans return to their rightful home at the West Los Angeles VA campus. As Carolina once said, "We don't have to go back to 1887 to do right by our veterans."

Carolina was predeceased by her husband, George; her three sons: Winston, Juan, Matthew; and her daughter, Louisa. She is survived by two daughters, Christine and Carolina; six grandchildren; and a great-grandson. May Carolina's memory be an inspiration and blessing to us all.

**RECOGNIZING RENA EDWARDS AND STITCHERS MENDING HEARTS INC.**

**HON. J. FRENCH HILL**

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 22, 2020*

Mr. HILL of Arkansas. Madam Speaker, today, I recognize Rena Edwards of Cabot, Arkansas and her team at the nonprofit organization Stitches Mending Hearts Inc., an organization spread throughout the state, doing
