

Soviet Union. January 20 marks the 30th anniversary of this tragic day in the history of Azerbaijan, which is seen as its rebirth as an independent country.

26,000 Soviet troops attacked Baku, the capital city of Azerbaijan, and its surrounding areas on the night of January 20, 1990. This vicious invasion is fixed in Azerbaijan's national history and is remembered in the hearts of its people as "Black January." In the Soviet brutality, more than 145 innocent civilians died, around 800 people were injured, and hundreds were arrested.

The Soviet crackdown was meant to smother the independence movement in Azerbaijan which was gaining momentum at the time. It proved to be a futile attempt to prop up the rule of the Communist Party, and really the whole Soviet Union. In fact, it had the opposite effect, further inflaming the independence movement and strengthening other such movements throughout the former Soviet Union.

Following the events of Black January, popular sentiment drove Azerbaijan to break away from the Soviet Union and declare independence. On August 30, 1991, Azerbaijan's Parliament adopted the Declaration on the Restoration of the State Independence of the Republic of Azerbaijan, and on October 18, 1991, the Constitutional Act on the State Independence of the Republic of Azerbaijan was approved.

Azerbaijan began to receive international recognition of its newfound independence in November 1991, and shortly thereafter the United States became one of the first nations to recognize the country, establishing diplomatic relations on February 28, 1992. Today, cooperation between the U.S. and Azerbaijan has blossomed to include a broad range of issues, particularly energy development and security, and we share many common interests and goals for the region.

I urge my colleagues to join me and the Azerbaijani people as they remember the events of Black January and celebrate that brutality cannot stifle the thirst for freedom.

HONORING THE LIFE AND LEGACY OF MR. TAECHIN "TC" KIM

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 16, 2020

Mr. LAMBORN. Madam Speaker, I stand today to honor the life and legacy of Mr. Taechin "TC" Kim, who passed away on December 29, 2019, at the age of 72. Mr. Kim was a key leader of the prayer community and prayer movement in the Pikes Peak region. As a former Korean businessman, TC dedicated his life as a prayer missionary to seeking authentic transformation of our city and nation. TC was a naturalized American citizen who cherished the Biblical, founding principles of our nation and lived an exemplary life as a true patriot. As the National Facilitator of Transform USA, he had a profound impact on Colorado Springs and beyond by organizing two weekly public prayer gatherings and constantly promoting outstanding Christian citizenship. Colorado's 5th Congressional District is truly blessed by TC's believing and living 2 Chronicles 7:14, "if My people who are called

by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."

TC Kim was born in 1947 in the city of Taegu, South Korea. He graduated from Yonsei University, Seoul with a BA in Business and received his MBA from the University of La Verne in Southern California. His professional career includes nearly 30 years as: General Manager, Samsung Trading Company; Vice President, NCH Corporation; and Asian Pacific Operations Sales Director, Otis Elevator Company/United Technologies. In 2000, he transitioned into service with a global non-profit organization Eron/Loving Concern as a missionary, providing medical supplies to South America and Africa before moving to Colorado Springs in 2007.

In 2007, TC was commissioned by several national and global ministry leaders at the Mayflower Hotel in Washington, D.C. to serve as the National Facilitator of Transform USA. Soon after, TC and his wife, Soonae, moved to Colorado Springs where he began to connect with local pastors, ministry leaders, everyday people of faith, as well as many across the nation for the purpose of relationship, support and collaboration towards transforming America together. In the summer of 2007, TC launched a weekly Wednesday morning prayer meeting which continues to this day. He also began a monthly national conference call to provide a networking platform for servant leaders to share about their regional/national ministry of serving others which also continues into 2020.

At both the weekly local prayer meeting as well as the monthly national conference calls, TC always encouraged and inspired people of faith to be the positive change makers in the spheres of business, education, public service, media, arts/entertainment and religion. In 2014, TC was granted space in Colorado Springs' City Hall to launch a weekly Friday evening meeting to pray for our city. Throughout TC's years in Colorado Springs, he always looked for opportunities to serve the needs of our community. He also convened several special Transform USA gatherings in our region including the 2011 D-Day Prayer and the 2018 Transform USA Summit. TC continued to "fight the good fight" even after he was diagnosed with stage four cancer in 2015, and "finished the race" at the end of 2019.

TC Kim lived a transformed life through loving and honoring all those around him both as a global businessman and missionary and both a local and national ministry leader. He represented Christian virtues well and many in our region, nation, and around the world have been blessed by his service. The Pikes Peak Region and beyond will continue to thrive through the lives he impacted. TC is survived by his wife Soonae, sons Andrew and Sean, their wives, and five grandchildren. Madam Speaker, it is my distinct honor to remember the life and legacy of Mr. Taechin "TC" Kim.

HONORING F. ANTHONY KEATING

AS CIVILIAN AIDE TO THE SECRETARY OF THE ARMY ON THE
OCCASION OF HIS RETIREMENT

HON. ELISE M. STEFANK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 16, 2020

Ms. STEFANK. Madam Speaker, I rise today to honor Anthony Keating for his 24 years of service to our community as Civilian Aide to the Secretary of the Army for the Northern New York region.

The Civilian Aide to the Secretary of the Army is an unpaid volunteer who advises and supports the Secretary of the Army on issues affecting his or her region. His deep knowledge of the community, which includes Fort Drum, and his decades of experience have made him an invaluable asset to Secretary of the Army, Ryan McCarthy and his predecessors. On behalf of New York's 21st District, I would like to thank Mr. Keating for his service and wish him well in this new chapter in his life.

ANNIVERSARY OF ROE V. WADE

HON. RON ESTES

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 16, 2020

Mr. ESTES. Madam Speaker, today I address the first and most fundamental right guaranteed to every individual—the right to life.

Next week marks the 47th anniversary since the tragic ruling in *Roe v. Wade*. In that time,

more than 60 million lives have been lost to abortion.

That's 60 million babies who were never given the chance to fulfill their potential as a future doctor, farmer, artist, or maybe Member of Congress.

Last year, I helped support efforts by the Trump administration to update Title X guidelines so that tax dollars for family planning services don't go to abortion providers.

This year we have built on our pro-life efforts by introducing the Down Syndrome Discrimination by Abortion Prohibition Act to protect the most vulnerable of the unborn.

We have accomplished great victories for life over the past three years, however we know there is more to be done.

That's why I want to thank the hundreds of thousands of Americans from Kansas and throughout our country who will be convening in Washington next week to stand for life.

We know that research has proven what pro-life Kansans have already known—that life is precious and it begins at conception.

As a dad of three and a Kansan, I stand in support of fellow Kansans and Americans who are a voice for the voiceless.
