

technologies and updated standards are urgently needed for characterizing the multi-layered plastic packaging materials used today. Most consumers are not even aware that many of these materials are not easily recycled by most local materials recovery facilities, which just exacerbates the challenges for the facilities, even as consumers are trying to do their part.

This bill alone will not solve the plastic waste crisis in this country, but it is an essential and important step. Supporting this bill is an investment in our recycling industry and a demonstration of our recommitment to American manufacturing jobs and the ingenuity so very much needed at this time in our nation's history. I urge my colleagues to support this bipartisan bill and see it signed into law.

HONORING NANCY ROSSMAN, A  
CHAMPION FOR THE MINNESOTA  
RECOVERY COMMUNITY

**HON. TOM EMMER**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. EMMER. Madam Speaker, I rise today to honor the career of Nancy Rossman of the Central Minnesota Mental Health Center (CMMHC). For over sixteen years, Nancy has served as the Program Director for the center's Detox Program and designated Registered Nurse for their Crisis Program.

Nancy joined CMMHC in 1972 after completing her nursing degree at the College of St. Benedict in St. Joseph. Since then, Nancy has dedicated what can only be described as a lifetime of service to CMMHC and the Detox Program, acting as a community-based case manager to patients in need.

Nancy's career spans the Detox Program's whole lifetime, and indeed, Nancy is the program's "unofficial historian." Her work has not only impacted countless patients, but also given them the greatest possible gift—a second chance at life.

I congratulate Nancy on her retirement. I have no doubt her commitment to CMMHC will be touching patients for years to come. I thank her and hope she enjoys her well-earned retirement.

IN HONOR OF ANTHONY PHILIP  
ANDREOTTI OF CANTON, MASSA-  
CHUSETTS

**HON. STEPHEN F. LYNCH**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. LYNCH. Madam Speaker, I rise today in honor of Anthony (Tony) Philip Andreotti, in recognition of his outstanding contributions to his hometown of Canton, Massachusetts, and to commend him for over 50 years of dedicated service to his community and our country.

The son of Angelina and Carmine Andreotti, immigrants from Naples, Italy, Tony was born on May 22, 1933, on Staten Island in New York. The family moved to Canton in 1935 where Tony attended St. John's Elementary School and graduated from Canton High

School in 1951. In 1953, Tony was drafted into the United States Army, serving in both Korea and Japan before he was honorably discharged in 1955. Upon completion of his military service, Tony attended Burdett College in Boston and earned an associate degree in accounting in 1957. Subsequently, he worked at Norfolk County Trust until 1960 and Crosby Valve from 1960 until 1983. In 1981, Tony was elected to the Board of Selectmen in Canton and also served as Town Treasurer. In addition to his elective service, Tony served on the Board of Directors at Norwood Hospital, serving as Chairman from 1996 until 1998.

Madam Speaker, Tony has made his biggest impact by advocating for veterans. He was appointed Veterans' Agent in Canton in 1999, a position he held for over 20 years. His relentless pursuit of benefits for veterans is legendary and his accomplishments are many. Tony created the Veterans' Memorial Park at Canton Corner Cemetery, consolidating veterans' monuments dispersed throughout Canton into one location. Tony also organized a Legion Walk of Honor in Canton, complete with bricks engraved with the names of the 77 Canton residents who died while serving our country during the Civil War, WWI, WWII, the Korean War, the Vietnam War, and the Iraq War. Tony also founded the Fallen Heroes Street Sign Program, a local initiative honoring the same 77 residents who made the ultimate sacrifice. Furthermore, Tony established a Funeral Honor Guard which presides at veterans' funerals throughout Massachusetts, and worked tirelessly to ensure that Canton residents who left high school early to serve in the armed forces, received their diplomas upon returning. Quite simply, Tony is perhaps the most effective and most dedicated Veterans' Agent in the Commonwealth of Massachusetts, if not the entire United States of America.

Tony has had the good fortune to have been married to Patricia for 35 years. They are the proud parents of two sons, David and James. On October 26, 2019, the Town of Canton dedicated the roadway in front of Veterans' Memorial Park to Tony, naming it Andreotti Way. Generations to come will know of Tony's contributions to the Town of Canton.

Madam Speaker, it is my distinct honor to join with Tony Andreotti's family, friends and contemporaries to thank him for his remarkable service to his town of Canton and to the United States of America.

IN RECOGNITION OF BATTALION  
CHIEF DAVID LAMBRIX FOR A  
DISTINGUISHED CAREER WITH  
THE DEARBORN FIRE DEPART-  
MENT

**HON. DEBBIE DINGELL**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mrs. DINGELL. Madam Speaker, I rise today to offer my heartfelt congratulations to Battalion Chief David Lambrix as he celebrates his retirement and recognize his many years of distinguished service with the Dearborn Fire Department. His contributions to the community are worthy of commendation.

Battalion Chief David Lambrix joined the Dearborn Fire Department as a firefighter on

September 6th, 1994. Throughout his twenty-five years with the force, Lambrix rose through the ranks of firefighter, fire lieutenant, and captain. In 2017, Lambrix was promoted to battalion chief, and has held the position ever since. Among his friends, colleagues, and peers, Lambrix is recognized as a humble leader who strives to make a difference without seeking praise or recognition for any of his significant accomplishments.

Prior to his career with the fire department, David Lambrix dutifully served his country. He served as an EM2 in the U.S. Navy from 1984 to 1988 in Alamenda, California. Without a doubt, Lambrix understands what it means to be an active and loyal community member. He devotes himself to causes he believes in and has made a difference in all the lives he has touched. Lambrix has received numerous honors and accolades for his outstanding work including the Fire Chief Life Saving Award, the Perfect Attendance Award, and the Meritorious Service Award, among a host of others. Most recently, Lambrix was bestowed the John D. Dingell Medal of Freedom Memorial Commendation in 2019 for his dedicated career in public service and commitment to Dearborn.

Madam Speaker, I ask my colleagues to join me in celebrating the retirement of Battalion Chief David Lambrix from the Dearborn Fire Department. I am proud to honor his work, accomplishments, and significant community impact. We thank him for his outstanding service and wish him the best of luck in his future endeavors.

IN RECOGNITION OF MAYOR MIKE  
WALSH'S 24 YEARS OF SERVICE

**HON. MIKE GALLAGHER**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. GALLAGHER. Madam Speaker, I rise today to honor the career of Mayor Mike Walsh of De Pere, Wisconsin.

Mr. Walsh has served his community faithfully as mayor since 1996, after 14 years on the city's Park Board. A De Pere native, Mike Walsh brought valuable experience and a community-based approach with him to the mayor's office that helped him better serve the people of his hometown.

Over the course of Mike Walsh's 24-year tenure as mayor, he revitalized De Pere's infrastructure and recreational sites, drawing on his experience from the city's Park Board. One of Mr. Walsh's most notable accomplishments was the creation of the scenic De Pere Riverwalk, which led to new housing developments and increased use of the Fox River Trail. Mr. Walsh also facilitated the development of both the city's east and west sides and championed the reconstruction of the historic Claude Allouez Memorial Bridge.

As the City of De Pere's economy grew under Mayor Walsh's leadership, so did the number of people eager to move to the area. He oversaw the city's population growth from 16,000 in 1990, to 25,000 by the time he left office this April.

Mayor Walsh's devoted leadership to the City of De Pere will be remembered by a grateful community. In his retirement, he is looking forward to spending more time with his grandchildren.

Madam Speaker, it is my honor to commemorate the career of Mayor Mike Walsh and thank him for his selfless leadership. His service and commitment to the development of De Pere serves as an example for every public servant. I wish him the best in his retirement.

IN RECOGNITION OF MAJOR  
GENERAL CLINTON CROSIER

**HON. MIKE ROGERS**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. ROGERS of Alabama. Madam Speaker, I rise to recognize Major General Clinton E. Crosier, United States Space Force.

On Friday, December 20, 2019, President Donald Trump signed into law the National Defense Authorization Act for Fiscal Year 2020, creating the sixth branch of the United States Armed Forces, the United States Space Force. This was a historic moment; a watershed step to increasing our ability to protect and defend the American way of life. I can say, without a doubt, this would not have happened as swiftly and smoothly as it did without Clint's leadership as Director of the DOD Space Force Planning Task Force.

So how did a boy from Iowa grow up to help create the Space Force? Well, while he was traveling the world with his military family, he always had his eyes on the sky. When he began his collegiate education at Iowa State, he undertook a really easy major, aerospace engineering, and then sought out a commission in the United States Air Force in 1988 where he ultimately wound up flying satellites and launching rockets.

He quickly earned top honors in multiple space training schools and developed satellite-commanding processes that became the new Air Force standard. He then served in the United States Senate where he authored key Congressional language that improved the national space enterprise, and in the Office of the Secretary of Defense he was main interface to the National Security Council, charged with rebalancing America's space intelligence architecture. As the signature authority for dozens of international agreements with Allies, he improved United States space capabilities, and represented the United States at key meetings with North Atlantic Treaty Organization and United Nations.

With this breadth of experience, it's no wonder he was selected as the lead planner for the Presidentially-directed United States Space Force, coordinating efforts to shape the Congressional authorization of the first new military service in 72 years. Together with his team, he led the development of; the macro-organizational design, the stand-up of the initial force elements, the funding and manpower requirements, and the implementation of the policies and processes that governed the establishment of the United States Space Force.

His military awards include the Bronze Star combat medal for a yearlong deployment to the Middle East, the National Reconnaissance Office Director's Gold Medal, the Iowa State University Aerospace Engineering Department Distinguished Alumni Award, and the Lance P. Sijan Leadership award. This career of accolades is only possibly through the incredible

support of his family: his wife, Mrs. Shelle Crosier, and their three children: Clint, Stephanie and Kellie, along with six grandchildren.

Major General Crosier distinguished himself over 33 years of military service, representing the United States of America with the highest honor and distinction. Major General Crosier, as the "architect of the Space Force," is an inspiration for all of us who stand ready to serve our great country. We are grateful for his unique vision and commitment. I thank Major General Crosier. America will continue to defend the highest ground, and the Space Force will thrive, because of your noble efforts.

CONGRATULATING RICK KLEVEN  
ON A WELL-EARNED RETIREMENT

**HON. TOM EMMER**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. EMMER. Madam Speaker, I rise together with my colleague from Minnesota Representative CRAIG to congratulate Richard "Rick" Kleven on his retirement at the end of June after more than 39 years with Thrivent. Throughout his nearly four decades of service with Thrivent, Rick has become a pillar of the Twin Cities community, leading Thrivent's government affairs efforts to educate federal and state policymakers about the important role that fraternal benefit societies play in society, helping people achieve financial security and live generous lives through important charitable and volunteer efforts that include disaster relief, partnering with organizations that address housing insecurity, and tens of thousands of individual service projects. These efforts have had a great impact not just in my district, but for the entire region and nation. Rick's dedication, commitment, and enthusiasm for Thrivent's unique mission—connecting insurance protection with community service—has been inspiring to watch and work with him on; for me, both during my time serving in the U.S. Congress and the Minnesota state House of Representatives.

A lifelong Minnesotan and proud "Iron-Ranger" who grew up in Grand Rapids, MN, Rick is a true Minnesota sports team fan, particularly a diehard for our Vikings. He received his J.D. from the University of Minnesota Law School and his B.A. from the University of Minnesota—Duluth. Rick has led Thrivent's Government Affairs activities for more than 17 years, and served previously in a number of roles as legal counsel and manager of corporate legal functions within the organization through his long arc of service which began in 1981 when Thrivent was Lutheran Brotherhood.

Rick has been a great advocate on policy matters on Thrivent's behalf, but also walks the walk of Thrivent's mission of service—something he learned from both of his parents, including his Dad who was awarded Itasca County's Outstanding Senior Volunteer of the Year in 2018. Rick has volunteered as a Big Brother, served as a board member for multiple nonprofit organizations, and epitomizes the ubiquitous Thrivent T-shirt that says "Live Generously." Recently, he served as Chairman of the Board of Gilda's Club Twin Cities, and played a crucial role in helping to raise money to build the organization's club-

house that provides support for people with cancer as well as their families and friends. Rick also served for 8 years on the board of Person to Person, a charitable organization that operates Meals on Wheels and various other programs to help the needy in the Twin Cities area. He also was part of the original start-up board of FINNEGANS, the first beer company in the world to donate 100 percent of profits back to local food shelves. Rick currently sits on the board of the American Fraternal Alliance, the nationwide coalition of not-for-profit fraternal benefit societies.

I, along with many of my colleagues on both sides of the aisle, including Representative CRAIG who represents Rick's hometown of Eagan, will miss seeing him here in Washington. I'm sure his friendly face and open heart will remain a pivotal part of the Twin Cities community for a long time to come. We wish him all the best and hope in retirement he can continue to indulge in his favorite hobbies: making the world better for his wife, two Aussies, and fellow Minnesotans as well as finding even more ways to support Rock n' Roll! Congratulations, Rick—Here Comes the Sun.

TRIBUTE TO ROBERT "BOB" ALAN  
STOCKTON

**HON. KEN CALVERT**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. CALVERT. Madam Speaker, I rise today to honor and pay tribute to an outstanding individual, Bob Stockton, who passed away at the age of 66 on May 13, 2020. Bob was a loving husband, father, grandfather, and one of Riverside County's most dedicated public servants. He will be deeply missed.

Bob was a southern California native, born in San Diego on December 20, 1953, the son of Robert and Beverly Stockton. He earned his Bachelor of Science degree in Construction Engineering from California Polytechnic University, Pomona in 1978. Bob married the love of his life, Kelli Tyson, 16 years ago and between the two of them they have five wonderful children and four grandchildren. Kelli and Bob loved to travel, and Hawaii was at the top of their list. Some of their greatest adventures while traveling include riding a portion of the Tour de France route in 2004 and being baptized in the Jordan River in Israel by friend and pastor, Matt Brown in 2015.

To merely say Bob was a tireless advocate for Riverside County would not do him justice. He served on more organizations that I can name here, but they include: the Monday Morning Group; the Greater Riverside Chamber of Commerce; Leadership Riverside; California Baptist University; Path of Life Ministries; the American Heart Association; the East Hills Chamber; and Western Municipal Water District. He also was a leader of his son's Boy Scout troop and "The Prop Guy" for his daughter's dance studio. He managed to do all of this while serving as the Vice President and Principal-in-Charge at Rick Engineering Company. He was, as Rusty Bailey, Bob's friend and the current Mayor of Riverside would say, a "true saint of Riverside."

Bob's service to the organizations in our community is matched only by his dedication
